REGULATIONS GOVERNING THE REQUISITIONING AND TAKING OVER FOR THE USE OR OPERATION BY THE UNITED STATES OR IN ITS INTEREST OF CERTAIN ARTICLES AND MATERIALS ISSUED PURSUANT TO THE PROVISIONS OF THE ACT OF CONGRESS APPROVED OCTOBER 10, 1940

Pursuant to the authority vested in me by the provisions of the Act of Congress entitled "AN ACT To authorize the President to requisition certain articles and materials for the use of the United States and for other purposes", approved October 10, 1940, and as President of the United States, I hereby prescribe the following regulations to govern the requisitioning and taking over for the use or operation by the United States or in its interest, of articles and materials ordered, manufactured, procured, or possessed for export purposes, the exportation of which has been denied in accordance with the provisions of section 6 of the Act of Congress, approved July 2, 1940 (Public No. 703, 76th Congress):

1. When the Secretary of War and the Secretary of the Navy, acting jointly through the Army and Navy Munitions Board, notify the Administrator of Export Control that it has been determined that it is necessary in the interest of national defense to requisition and take over for the use or operation by the United States or in its interest any article or material ordered, manufactured, procured, or possessed for export purposes the exportation of which has been denied in accordance with the provisions of section 6 of the act approved July 2, 1940 (Public No. 703, 76th Congress), the Administrator of Export Control shall cause to be served a requisition for the said article or material by an officer, agent, or employee of the United States which officer, agent, or employee shall take possession of the article or material for and in behalf of the United States and shall issue a receipt therefor.

2. The Administrator of Export Control shall hold or cause to be held whatever hearings may be necessary to determine the fair and just value of such property, at which hearings the owner of the property, his duly authorized agent or representative, or other person claiming an interest therein, may present evidence orally or in writing regarding the fair and just value of the article or material requisitioned and taken over. Upon conclusion of such hearings the Administrator of Export Control shall report to the President his finding and recommendation in regard thereto.
