Section III of this Circular classifies property for purposes of reporting.

(2) *Property in the Philippine Islands.* In accordance with the definition of "United States" in Instruction C (3) below, property located in the Philippine Islands should not be reported with respect to either June 1, 1940, or January 1, 1942.

(3) *Property previously reported.* Reports which are required under this Circular must be made even though some or all of the property involved has already been reported on a series of Form TFR-300 other than Series K. Provision for reference to previous reports is made in Part F of Series K.

B. *Who must make report.* Except as special provision to the contrary appears in this Circular (see particularly Instruction G below), report must be made on Series K by:

(2) Every person in the United States with respect to all property whatsoever held by him or in his custody, control, or possession, directly or indirectly, in trust or otherwise, and all debts or other obligations whatsoever owed by or asserted against him, and all contracts of any nature whatsoever to which he was a party, subject to the jurisdiction of the United States on June 1, 1940, or January 1, 1942, in which on either or both

dates any national of the Philippine Islands had any interest of any nature whatsoever, direct or indirect;

(3) Every partnership, trust, association, corporation, or other organization, organized or existing under the laws of the United States or of any state, territory, or district of the United States, or having its principal place of business in the United States, with respect to any shares of its stock, including any right or claim to ownership or control or participation in ownership or control thereof or profits or income derived therefrom, or any equity in any of the foregoing, whether or not expressed by written agreement or evidenced by any instrument, and with respect to all bonds, debentures, notes, or other funded obligations or any equity therein, in any of which any national of the Philippine Islands had on either or both June 1, 1940, and January 1, 1942, any interest of any nature whatsoever, direct or indirect;

C. *Definitions*—(1) "*Person*" and "*National*". The terms "person" and "national" are defined as follows in section 5 of Executive Order No. 8389, as amended:

C. The term "person" means an individual, partnership, association, corporation, or other organization.

E. The term "national" shall include,

(i) Any person who has been domiciled in, or a subject, citizen or resident of a foreign country at any time on or since the effective date of this Order.

(ii) Any partnership, association, corporation or other organization, organized under the laws of, or which on or since the effective date of this Order had or has had its principal place of business in such foreign country, or which on or since such effective date was or has been controlled by, or a substantial part of the stock, shares, bonds, debentures, notes, drafts, or other securities or obligations of which, was or has been owned or controlled by, directly or indirectly, such foreign country and/or one or more nationals thereof as herein defined.

(iii) Any person to the extent that such person is, or has been, since such effective date, acting or purporting to act directly or indirectly for the benefit or on behalf of any national of such foreign country, and

(iv) Any other person who there is reasonable cause to believe is a "national" as herein defined.

In any case in which by virtue of the foregoing definition a person is a national of more than one foreign country, such person shall be deemed to be a national of each such foreign country. In any case in which the combined interests of two or more foreign countries designated in this Order and/or nationals thereof are sufficient in the aggregate to constitute, within the meaning of the foregoing, control or 25 per centum or more of the stock,

shares, bonds, debentures, notes, drafts, or other securities or obligations of a partnership, association, corporation or other organization, but such control or a substantial part of such stock, shares, bonds, debentures, notes, drafts, or other securities or obligations is not held by any one such foreign country and/or national thereof, such partnership, association, corporation or other organization shall be deemed to be a national of each of such foreign countries. The Secretary of the Treasury shall have full power to determine that any person is or shall be deemed to be a "national" within the meaning of this definition, and the foreign country of which such person is or shall be deemed to be a national. Without limitation of the foregoing, the term "national" shall also include any other person who is determined by the Secretary of the Treasury to be, or to have been, since such effective date, acting or purporting to act directly or indirectly for the benefit or under the direction of a foreign country designated in this Order or national thereof, as herein defined.

It should be noted that the definition of "national" includes a citizen of the United States who has resided in the Philippine Islands at any time on or since January 1, 1942. However, see the exemptions provided by Instruction G (4).

(2) "Philippine Islands." With respect to reports on Series K, the term "Philippine Islands" shall include, but not by way of limitation:

(a) The Commonwealth of the Philippine Islands, and the Government thereof, on January 1, 1942, as well as any political subdivision, agency, or instrumentality thereof, or any territory, dependency, possession, or place subject to the jurisdiction thereof;

(b) Any person to the extent that such person is or has been, or to the extent that there is reasonable cause to believe is, or has been, since such effective date, acting or purporting to act, directly or indirectly for the benefit or on behalf of any of the foregoing.

(3) "United States." With respect to reports on Series K, the term "United States" means the United States and any place subject to the jurisdiction thereof, except the Philippine Islands.

**D. Doubt concerning necessity of reporting.** No person who is a national of the Philippine Islands and is required to report on Series K is excused from reporting because of any doubt he may have as to his status as a national. A person required to report concerning property of another known to have had an interest in property should regard such other as a national for the purposes hereof, if he has any reasonable cause to believe that such other is or might be a national of the Philippine Islands. Similarly, a report should be made when there is reasonable cause to believe that a known national of the Philippine Islands had an interest in certain property, and also where there is reason to believe that a national had such an interest but the identity of the national is in doubt.

**E. Separation of reports for different nationals.** A separate report shall be

made with respect to each national of the Philippine Islands who has any interest in any property to be reported, but all items of property of each such person shall be included in one report. For example, if the person reporting owed debts to five different nationals he will make five separate reports, listing on each report all of his debts to the particular national for whom that report is made. If he owed one debt jointly to five nationals, he will also make five separate reports, entering the whole debt on each. If it is known or there is reasonable cause to believe that a national other than the national in whose name any property is carried has an interest in or adverse claim upon the property, the property must be shown on a report for each such national interested or adverse claimant as well as for the national in whose name it is carried. Any duplication in reporting the same property or debt on several reports, or duplication by reason of several persons reporting the same property or debt, shall not excuse anyone from rendering all reports required of him.

**F. Time and place of filing report—(1) Time and place of filing.** Reports must be executed and filed in quadruplicate on or before February 28, 1942, with the Federal Reserve Bank of the district or the Governor of the territory or possession of the United States in which the person filing the report resides or has a principal place of business or principal office or agency, or if such person has no legal residence or place of business or principal office or agency in a Federal Reserve district or a territory or possession of the United States, then with the Federal Reserve Bank of New York or the Federal Reserve Bank of San Francisco. Persons reporting should retain a copy of each report filed by them.

(2) **Discovery after February 28, 1942, that report is required.** If anyone fails to report concerning property of a person because he has no knowledge, notice, or other reasonable cause to believe that such person is a national of the Philippine Islands, or that such person is interested in certain property, he should file a report, with an explanation, as soon as he acquires knowledge, or receives notice, or has reasonable cause to believe that a report is required.

(3) **Change of circumstances after February 28, 1942.** If under circumstances existing on February 28, 1942, no report is required under any of the provisions of this Circular, with respect to property of a particular person, a report need not be made concerning the property of such person because of a change in his circumstances after that date, unless further provision for report is made pursuant to Executive Order No. 8389, as amended, and the Regulations issued pursuant thereto.

**G. When no report need be filed.** No report need be filed if any one of the following conditions exists:

(1) If the total value of all property of any national which any one person would otherwise be required to report was on both June 1, 1940, and January 1, 1942, less than \$1,000: *Provided*, That this exemption shall not apply to the lease of a safe deposit box, to patents, trade-marks, copyrights, and franchises, to interests in partnerships, and profit-sharing agreements, nor to property the value of which cannot readily be determined: *And provided further*, That in arriving at the value of \$1,000, no deduction shall be made for offsets, liens, or other deductions from gross value; or

(2) If the national concerning whose property a report would otherwise be required, is entitled to the benefits of General License No. 80, which reads in part,

A general license is hereby granted licensing as a generally licensed national any individual who is a citizen of the Commonwealth of the Philippine Islands and residing only in the United States or in the generally licensed trade area, as defined in General License No. 53.

(3) If the national concerning whose property a report would otherwise be required is entitled to the benefits of General License No. 81, which reads,

A general license is hereby granted licensing as generally licensed nationals:

(a) The New York office of the Philippine National Bank; and

(b) The offices within the United States and the generally licensed trade area, as defined in General License No. 53, of the Hong Kong and Shanghai Banking Corporation.

(4) If the national concerning whose property a report would otherwise be required is entitled to the benefits of General License No. 82, which reads in part,

The government of the Commonwealth of the Philippine Islands, the United States High Commissioner to the Philippine Islands, and all officers of the United States Government within the Philippine Islands are hereby licensed as generally licensed nationals; and all persons to the extent that they are acting for and on behalf of the foregoing are hereby licensed as generally licensed nationals.

In addition, no report is required with respect to the property of any citizen of the United States residing in the Philippine Islands as a representative, agent, or employee of the United States Government, or as a member of the military or naval forces of the United States, who is a national of the Philippine Islands only by reason of residence in the Philippine Islands in pursuance of his duties. No report need be made with respect to the property of a citizen of the United States who is a national of the Philippine Islands only by reason of residence in the Philippine Islands as a member of the family of a person covered by the preceding sentence or General License No. 82.

Paragraph (3) of Public Circular No. 11 is hereby revoked so far as it requires reports on Form TFR-300 with

respect to property in which the Philippine Islands had an interest.

No report need be made with respect to the property of a corporation or other organization which is a national solely because of control by or an interest of a person or persons licensed under General License No. 80, General License No. 81, or General License No. 82.

**H. Penalties.** (1) Section 5 (b) of the Act of October 6, 1917 (40 Stat. 415), as amended, applicable hereto provides in part:

\* \* \* Whoever willfully violates any of the provisions of this subdivision or of any license, order, rule or regulation issued thereunder, shall, upon conviction, be fined not more than \$10,000, or, if a natural person, may be imprisoned for not more than ten years, or both; and any officer, director, or agent of any corporation who knowingly participates in such violation may be punished by a like fine, imprisonment, or both.

Persons coming within one of the classes of persons for whom additional instructions have been provided in Sections V to X of this Circular should also read the appropriate Section before attempting to prepare the reports.

(b) **Answers required.** Each question on the Series must be answered and all the specific information called for must be given. When there is nothing to report under any question or if information is lacking, state "No," "None," or "Unknown," as the case may be, with an explanation if required, except that in Part C spaces not needed for reporting should be left blank. No person is excused from furnishing any information he reasonably should have.

For example, Part E must be filled out in reporting the property of an American citizen resident in the Philippine Islands on or after January 1, 1942. In answering Part E, state all the facts concerning the nationality of the person whose property is reported, including those relating to his status as a national of the Philippine Islands.

No other entry should be made. A national reporting his own property and also reporting property of another national or nationals should execute one affidavit for his own report and another affidavit for the reports of property of others. The reports for the other nationals should be prepared and numbered in accordance with sub-instructions (b) and (c) below and the first such report should be numbered 2.

(b) *Persons reporting property of others.* A person reporting the property of another should state in Part B, as indicated in the margin thereof, (a) its name, (b) its address, (c) its business, (d) the state or country of which it is a citizen or under the laws of which it is incorporated or, if unincorporated, in which it has its principal place of business, (e) if the person reporting is a national as defined in Section 5E of Executive Order No. 8389, as amended, the name of each country of which it

is a national, and (f) its relationship to the national whose property is being reported, e. g., as agent, trustee, nominee, custodian, debtor, banker, broker, etc. The statements must be precisely the same as the corresponding entries at the top of the affidavit under the caption "Name of person making report." The information may be given by any method producing a readily legible impression, including a rubber stamp.

(c) *Box for number.* Each report made on Series K by any one person is to be numbered consecutively in the box in the upper right-hand corner of Part B, beginning with the number 1, and the numbers so assigned are to be stated in the space provided in the affidavit of the report form. Nationals reporting for themselves must observe sub-instruction (a), above.

6. *Part C—Schedule I—(a) General.* This Schedule requires the valuation of all the property of the national within each property type contained in the classification set out in Section III of this Circular, which must be followed strictly, but property not falling under any of the other types of the classification must be reported under type 30. No property shall be reported under type 30 if it constitutes property reportable as any other type.

(b) *Valuation.* Enter in Column (a) the total value of the items of each type of property held on January 1, 1942, at the market price at the close of business on December 31, 1941, or, if such price is not available, at the estimated value on January 1, 1942. In estimating value, the last sale price or bid, if reasonably close to January 1, may be used as a basis. Enter in Column (b) the total value of the items of each type of property reported as being held on June 1, 1940. The January 1, 1942, unit value shall be used in both Column (a) and Column (b). In other words, if the same number of units of a particular kind of property was held on both June 1, 1940, and January 1, 1942, enter the same amount in Column (b) as in Column (a). If the number of units of a kind of property held on June 1, 1940, was different from the number held on January 1, 1942, use the same per unit value with respect to Column (b) as is used regarding Column (a), but apply the unit value to the number of units actually held on June 1, 1940. In any case where property was held only on June 1, 1940, none of it being held on January 1, 1942, the value should still be reported on the basis of the unit value on January 1, 1942, unless such value is not determinable, in which event the value of the property on June 1, 1940, should be entered in Column (b). When the June 1, 1940, value is used, an appropriate notation should be made.

All amounts reported should be given in dollars, to the nearest dollar. Do not enter fractions of a dollar on the report. However, in determining the value of a property item consisting of more than one unit, fractions of a dollar in the unit value should not be disregarded. For example, if ten shares of a particular stock are to be reported and the value of each share was \$116 $\frac{3}{4}$ , so that the exact total

value was \$1,163.75, you should enter \$1,164 on the report.

(c) *Value expressed in foreign currency.* Property, the value of which was expressed in a foreign currency, or which was to be paid or liquidated in a foreign currency, shall be valued at the dollar value if dollar market value existed for such property itself; if not, the foreign currency value thereof shall be converted into dollars, in accordance with the instructions relating to exchange rates given in Section XI of this Circular.

(d) *Property of indeterminable value.* In reporting property of indeterminable value, enter "indeterminable" under the appropriate property type in Schedule I and describe the property in Schedule III, as required by Instruction 8, below. When property of determinable value and property of indeterminable value are to be reported under one property type in Schedule I, the determinable amount should be entered under the property type without indication of the property having indeterminable value, but descriptions of the items should be given in Schedule III in accordance with Instruction 8.

(e) *Inventories.* If in the regular course of its business, a national engaged in business prepared inventories of merchandise, and machinery and equipment, or either, between July 1, 1941, and January 1, 1942, and between December 31, 1939, and July 1, 1940, or during either of the foregoing periods, and if the information required to be furnished in Schedule I is not available from other existing records of the national, such inventories prepared nearest to the respective reporting dates and the values indicated thereon may be used in filling out Schedule I, with appropriate notation of such use, including the dates of the inventories.

(f) *Orders for goods.* Orders for goods and contracts for the sale of goods, including long term merchandise contracts, need not be reported.

(g) *Goods in transit.* Report is not required with respect to goods in transit, but all goods held or stored by or for a national, including goods stored by carriers, must be reported.

(h) *Agency, distributor's, and employment contracts.* Agency, distributor's, and employment contracts need not be reported, but report must be made of compensation due under such a contract.

7. *Part C—Schedule II.* This Schedule requires a statement of the indebtedness of the national payable to persons in the United States, within each indebtedness type as classified and described in the Schedule. State under each type only the total amount of indebtedness of that type being reported. Nationals reporting for themselves should enter all their indebtedness of each type. Persons reporting concerning nationals should enter only the indebtedness owed by the national to them. All amounts should be given in dollars, to the nearest dollar. Do not enter fractions of a dollar. Indebtedness payable in foreign currency should be converted into dollars in accordance with the in-

structions relating to exchange rates given in Section XI of this Circular.

8. *Part C—Schedule III—(a) Property items to be listed.* List in this Schedule, in the order in which the property types are given in Schedule I of this Part, each item of property of the value of \$1,000 or more either on June 1, 1940, or on January 1, 1942, or both, concerning which report is being made. Property items included in Class F, *i. e.*, patents, trademarks, copyrights, and franchises, and in Class H, *i. e.*, partnership and profit-sharing agreements, shall be listed even though valued at less than \$1,000. However, no reference whatever should be made to any invention with respect to which a secrecy order has been issued by the Commissioner of Patents pursuant to the Act of October 6, 1917 (40 Stat. 394), as amended. Also list all items of property, the value of which is not readily determinable. Except as provided in this paragraph, property items of a value less than \$1,000 should not be listed in this Schedule, although the value of each must be included in the total value of property of the appropriate type in Schedule I.

(b) *Definition of property item.* A property item is any unit of property commonly bought, sold, assigned, released, or alienated, except that the total of wholly similar units of the same kind is regarded as one item, such as a number of certificates each for shares of stock of the same issue, or a number of bonds of the same issue, or several head of cattle. The total number of units of such property shall be stated, but in other respects the property may be treated entirely as one item. Several bank accounts with the same institution, or several debts payable by the same debtor, shall be itemized separately in this Schedule if the aggregate amount thereof exceeds \$1,000, even though each individual item is less than \$1,000.

(c) *Method of listing.* Enter in Column (a) the number of the property type in which the item is included. Enter in Column (b) a short description or identification of the property item. In case of property, such as a patent, commonly referred to by number or other similar designation, state briefly the object or nature of the property in addition to the number or other designation. With regard to property other than debts and claims, enter in Column (c) the name and address of the person with whom the property was deposited or by whom it was held, and give the number or other designation of any safe deposit box or similar receptacle in which the property was kept. Respecting debts owed to and claims made by the national, state the name and address of the debtor and disregard the location of the evidence of indebtedness. If the property was held by or owed by the person reporting, it will suffice to state "Person reporting" in place of the name and address. Enter in Columns (d) and (e) the value of each property item on January 1, 1942, and June 1, 1940, as determined in accordance with the provisions for valuation contained in Instruction 6, above.

(d) *Continuation sheets.* Continuation sheets identical in form with Schedule III are provided for the use of persons reporting who find the space in Schedule III insufficient.

9. *Part C—Schedule IV.* Report in this Schedule any safe deposit box, or other similar receptacle for the safe keeping of property, (1) which was maintained in the national's own name or jointly with others, or in which property belonging to the national was kept, whether or not he had access thereto; and (b) to which he had access as deputy, attorney, or otherwise. When report is being made by the lessor or grantor, it will suffice to state "Person reporting" in the space provided for the name and address of the lessor or grantor. If the property kept in the safe deposit box is known to the person reporting, he must enter it in Schedules I and III of Part C, as appropriate, in addition to filling in this Schedule. Safe deposit boxes themselves should not be reported elsewhere than in Schedule IV.

10. *Part D.* All the information called for in the questions under this part must be given as of both June 1, 1940, and January 1, 1942, for each of the property items listed in Part C, Schedule III and each of the safe deposit boxes reported in Schedule IV. If a property item or safe deposit box was held on only one date, give the information as of that date. In the answers each item of property shall be designated by the number of its type and by its description in Part C, Schedule III. Safe deposit boxes shall be identified by the number or other designation given in Schedule IV.

With respect to safe deposit boxes the phrase "any interest" in Question 1 of Part D shall include rights or privileges of persons other than the national to enter a box as deputy, attorney, or otherwise, or any other rights of a person other than the national with respect to the box or its contents.

11. *Part F.* The requirements of this Part do not extend to cases in which the interest of the national of the Philippine Islands in the property reported on another series arose after the date or dates for which the property was reported on that series. If a previous report was filed with the Governor or High Commissioner of a territory or possession of the United States, enter the name of the territory or possession in the column headed "Federal Reserve Bank with which report filed."

12. *Affidavit—(a) Necessity of execution.* The affidavit must be signed and sworn (affirmed) to before an officer authorized to administer oaths, whose seal must be affixed. Reports will not be accepted unless the affidavit is properly executed in every particular.

(b) *Number of affidavits.* Except as provided in Instruction 5 (a) above, only one affidavit is required to cover all reports made by any one person on Series K. The affidavit should be filed in quadruplicate. Only one copy need be attested, but the other copies must be fully conformed except as to the notarial seal.

(c) *Name of person making report.* With respect to a national reporting for himself, the information given in this section of the affidavit must be exactly the same as the corresponding information in Part A of the report. In case of other persons reporting, the information must be exactly the same as the corresponding information in Part B of each report.

(d) *Body of affidavit.* A person reporting shall state in the spaces provided in the body of the affidavit the consecutive numbers assigned to his reports in accordance with Instruction 5 (c) above.

(e) *Who shall execute.* Affidavits in behalf of partnerships shall be executed by a partner. Affidavits in behalf of any other organization shall be executed by the president, vice-president, secretary or some other principal officer authorized to make the report on behalf of the organization. In case of a national reporting his own property, the signature must correspond exactly with that appearing in Part B of the report, in accordance with Instruction 5 (a) above.

#### Sec. V—Additional Instructions for Banks

1. *Definition of "bank".* For the purposes of this Section only the term "bank" shall mean any branch or office within the United States of any national banking association, bank, private banker, trust company, or savings bank, organized under the banking laws of the United States, or of any state, territory, district, or possession thereof, or authorized under such laws to conduct the business of banking subject to supervision and examination pursuant to such laws.

2. *Part C—Schedule I—(a) Property not required to be reported for June 1, 1940.* Letters of credit, certified checks, drafts, acceptances, and collection items need not be reported by banks for June 1, 1940. However, all of these kinds of property must be reported for January 1, 1942.

(b) *Detailed instructions regarding certain kinds of property—(i) Deposits—Property types 3 and 4.* Under each type give the total balance of the national's credit accounts of that type. The amount of items received for collection for the account of the national and credited to his account, whether provisionally or finally, should be included under these types. Include also sight or cash items in process of collection for deposit, but the amount of any other kinds of items received for collection and not credited should be reported under the appropriate property type.

(ii) *Cashier's and certified checks, and bank acceptances—Property type 12.* Under this type give the total amount of all cashier's, or other official bank checks, all certified checks, and the total amount of all drafts accepted by the reporting bank drawn by or payable to the national, which were outstanding as of January 1, 1942. Include cashier's or other official bank checks of the reporting bank purchased by the national and, when appropriate records are available, such checks issued to his order. As to certified checks include checks on the national's

account, and, when appropriate records are available, checks payable to the order of the national from an account with the reporting bank, certified by the reporting bank. With regard to drafts include those drawn and accepted under or pursuant to the terms of any letter of credit.

(iii) *Letters of credit—Property type 13.* Under this type give the total unexpended or unused and then available amount of all letters of credit, whether or not prepaid, including travelers' checks, outstanding on January 1, 1942, under which the national had any rights, contingent or absolute, to receive any payments in any amount pursuant to the terms of the letter of credit or in reimbursement for any unused portion thereof. In determining the unexpended or unused available amount of a letter of credit deduct from the face amount thereof or from the upper limit of credit, if greater than the face amount thereof, the amount of any drafts drawn and accepted thereunder, whether or not paid. No deduction or other adjustment should be made for any cash or other collateral or for any contingent liability under the letter of credit on the part of the person at whose request the credit was opened. Cash collateral should be reported under deposits. Other collateral should be reported under the respective property types.

(iv) *Collection items.* All collection items other than those required by paragraph (i) above to be included in deposits should be reported under the property type within which the items fall in the classification set out in Section III of this Circular. Proceeds of collection should in all cases be reported as a deposit. The bank within the United States initially receiving an item for collection must report the item; its sub-agents need not report.

(v) *Financial securities held in custody—Property Class B.* If the financial securities held in custody or as collateral on June 1, 1940, cannot be ascertained with reasonable facility from the records of the bank, the securities, but not the values thereof, shown in the latest statement, audit, or reconciliation, if any, of the account made between December 31, 1939, and June 1, 1940, may be used in the Schedule. If values given in Column (b) of the Schedule are based on a statement, audit, or reconciliation of a date other than June 1, 1940, so indicate and state the date thereof at the end of the first page of the report. "Custody" shall include customer's securities accounts, security depot or deposit accounts, safe-keeping accounts, safe deposit boxes to which the bank has access and the contents of which are known to the bank, and any other form of custody in which a bank holds securities as agent, either alone or jointly with others.

3. *Part C—Schedule III—(a) Deposits.* In describing deposits under Column (b), state in addition to any other pertinent information the name of the account and the account number. Attention is directed to the requirement of Instruction 8 (b) in Section IV that several bank accounts with the same institution shall be itemized separately, even

though each individual item is less than \$1,000.

(b) *Cashier's and certified checks, and bank acceptances.* In describing cashier's and certified checks under Column (b), state in addition to any other pertinent information the name and nationality of the payee. The description of a bank acceptance should include the date of the acceptance, in addition to the information necessary to identification of the item.

(c) *Letters of credit.* In describing letters of credit under Column (b) state in addition to any other pertinent information (i) the type of the letter of credit, as for example whether "confirmed" or "unconfirmed", revocable or irrevocable, or revolving (cumulative or noncumulative), (ii) the terms of payment, as for example "at sight" or "acceptance, thirty, sixty, and ninety days", (iii) the person who could draw under the letter of credit, (iv) the person at whose request the letter of credit was opened (*i. e.*, the settler, purchaser, etc.), and (v) any other relevant terms or conditions of the letter of credit. The information should be given in the order specified.

If the national was liable to the reporting bank for any drafts which thereafter might be drawn by the national and accepted under the unused portion of a letter of credit reported as property of the national, enter as part of the description in Column (b) the words "Contingent liability of national under letter of credit" followed by the excess of the total unused balance of the letter of credit over the total unused prepayment, if any, for the letter of credit. Liability of the national for acceptances actually outstanding and for the unused portion of letters of credit which are not required to be reported as property of the national should be entered under Schedule II.

(d) *Financial securities held in custody.* If financial securities appearing in any statement, audit, or reconciliation relied on under Schedule I are listed in this Schedule appropriate indication must be made.

#### SEC. VI—Additional Instructions for Brokers

1. *Part C—Schedule I—(a) Use of statement, audit, or reconciliation.* If the securities or other property held for a customer on June 1, 1940, cannot be ascertained from the records of the broker, the property, but not the values thereof, shown in the latest statement, audit, or reconciliation, if any, of the account made between December 31, 1939, and June 1, 1940, may be used in this Schedule. In case of inactive accounts, audited not more often than once in six months, the statement, audit, or reconciliation nearest to June 1, 1940, made between December 31, 1939, and July 1, 1940, may be used. If values given in Column (b) of the Schedule are based on a statement, audit, or reconciliation of a date other than June 1, 1940, so indicate, and state the date thereof at the end of the first page of the form.

(b) *Debit balances.* No deduction shall be made for debit balances or other

offsets or claims by the broker reporting, that is, if the national had two accounts with the broker, one of which showed a credit balance and the other a debit balance, the full amount of the credit balance must be entered. Debit balances should be entered in Schedule II of this Part.

2. *Part C—Schedule II.* Enter in Column (a) the total amount of indebtedness in dollars as of January 1, 1942, and in Column (b) the total amount in dollars as of June 1, 1940. Unrealized losses on puts, calls, and similar contracts on which the national is obligated, as well as unrealized losses on unissued securities, should be entered in this Schedule, with appropriate notation at the end of the Schedule. Indebtedness need not be itemized.

3. *Part C—Schedule III.* If property items appearing in any statement, audit, or reconciliation relied on under Schedule I are listed in this Schedule, appropriate indication must be made.

#### SEC. VII—Additional Instructions to Exporters and Importers

1. *Part C—Schedule I.* The attention of exporters and importers is particularly directed to sub-instructions (f), (g), and (h), in Instruction 6 of this Circular, providing that report need not be made with respect to orders for goods, goods in transit, and agency, distributor's and employment contracts, respectively. In addition, exporters and importers need not make any report with respect to letters of credit, except that exporters and importers who are nationals of the Philippine Islands must report their own interests in letters of credit.

#### SEC. VIII—Additional Instructions for Insurance Companies

1. *Definitions—(a) "Insurance policy."* "Insurance policy" shall include when appropriate, but not by way of limitation, fidelity and surety bonds and contracts of reinsurance.

(b) *"Ascertained value."* "Ascertained value" shall mean the value at a given date to the beneficiary of a paid-up or partly paid-up contract, such as an annuity contract, to make a payment or payments in the future, computed in accordance with standard actuarial practice.

2. *Part C—Schedule I—(a) Insurance policies.* Report under property type 29 insurance policies with a cash surrender or paid-up value upon which the national had any right whatsoever to realize or draw. The interest in an unexpired policy of a beneficiary who had no right to draw upon cash surrender or paid-up value prior to maturity should not be reported. Do not include policies of insurance, such as fire insurance, having no immediate value other than an unearned or return premium. Give the values without deduction for loans or advances under or against the policy, which should be entered in Part C, Schedule II, with an appropriate notation at the end of the Schedule.

(b) *Annuity contracts.* Also report under property type 29 annuity contracts, pensions, and other similar contracts and

arrangements with an ascertained value, as defined in Instruction 1 (b), in which the national had an interest. Such contracts should be reported whether or not payment under them had begun on either June 1, 1940, or January 1, 1942. Give the values without deduction for loans or advances under or against the contract, which should be entered in Part C, Schedule II, with appropriate notation at the end of the Schedule.

(c) *Claims and indebtedness arising under insurance policies.* Report in property type 14 claims and indebtedness arising under insurance policies in which the national had any interest. Report must be made whether or not the claim or indebtedness is admitted. Include claims and indebtedness resulting from an election by the insured to take cash surrender value and the like and those representing proceeds of a policy left with an insurer and the like, as well as claims and indebtedness arising because of the occurrence of a contingency covered by a policy. Do not include annuities in any way, except annuity installments actually accrued but unpaid. State the amount of claims and indebtedness without deduction for loans or offsets due or claimed to be due to the insurance company. Such loans or offsets should be listed in Part C, Schedule II with appropriate notation at the end of the Schedule.

#### Sec. IX—Additional Instructions for Organizations Issuing Securities

1. *Scope of Section.* This Section relates to reports required by paragraph (3) under Instruction B of Section II of this Circular to be made by organizations issuing financial securities as defined in Property Class B. Bearer securities must be reported when the organization reporting has any reason to believe that a national had an interest in them, as through a mailing address for dividends or for remittance of interest. The section does not apply to reports of the interest of partners under a partnership contract or of obligations of other business enterprises which do not constitute financial securities.

2. *Separation of reports.* An organization making a report of securities as required by this Section shall not include any other property, except dividends and interest as provided under Instruction 4 (c), below. If an organization which has issued securities to a national holds other property for him, it must file two reports. However, all securities issued by the organization in which a particular national has an interest should be included in one report even though of different kinds, issues, or series.

3. *Part B.* A person reporting pursuant to this Section must enter under the caption "relationship" the words "Organization issuing securities."

4. *Part C—Schedule I—(a) Valuation.* If the value of a security cannot fairly be ascertained by the method provided in Instruction 6 (b), under Section IV of this Circular, use the book value. When the book value on January 1, 1942 cannot be readily ascertained from the records of the organization reporting, the value shown in a statement, audit, or

report made between July 1, 1941, and January 1, 1942, may be used, but when no such statement, audit, or report is available the book value on January 1, 1942, must be used. Indicate the method of valuation if the value other than market value at the close of business on December 31, 1941, is used.

(b) *Record date.* If desired, the organization reporting may give the security holdings of nationals, but not the valuation of those holdings, as of the nearest date before June 1, 1940, on which a record was established of the holders of securities of a particular issue, provided, however, that such date shall not be prior to December 31, 1939. In such a case the record date with respect to each issue which is reported for the national should be stated clearly at the end of page one of the report.

(c) *Dividends and interest.* When stock or a similar security is reported, enter in property type 14 any amount due and owing to the national by reason of any dividend declared to stockholders of record on or prior to either June 1, 1940 (or alternative date), or January 1, 1942. Do not include a dividend for which a check had been mailed in the regular course of business unless the check had been returned undelivered, in which event the dividend must be included. When funded debt or a similar obligation is reported, enter the amount of interest due and payable, unless the security was in default.

5. *Part C—Schedule III—(a) Description of issue.* In Column (b) describe each issue of securities of which the national had a holding, stating (i) the type of securities, *i. e.*, bonds, notes, common stock, preferred stock, etc., and (ii) the full title of the issue. If the national had an interest in securities of more than one issue, the holdings of that issue should be described immediately after the general description required for the issue, so that all the holdings of any one issue follow immediately after the description of that issue without any intermingling of holdings of other issues.

(b) *Description of each holding.* In describing particular holdings of securities state in Column (b) the exact name in which the securities were held and the number of shares, or face value of bonds, as the case may be. When any of the holdings are shown as of a record date other than June 1, 1940, the date should be stated in the description.

(c) *Column (c).* An organization issuing securities may insert the word "Issuer" in this column.

#### Sec. X—Additional Instructions for Trustees and Other Representatives of Estates and Trusts and for Members of Partnerships

1. *General requirements for report—*

(a) *Report of property of estate or trust.* Trustees or other representatives of estates and trusts which are nationals of the Philippine Islands must report the trust property on Series K. In any event, the trustees or other representatives of trusts or estates in which an existing national, or nationals, of the Philippine Islands, as beneficiary had any interest, vested or contingent, obliged to

be reported, including interests in income, shall report the property of the trust on Series K, when the total national interests on either or both June 1, 1940, and January 1, 1942, exceeded 25 percent of comparable interests in the trust. The report for the trust should contain on a suitable attached sheet a brief but definite description of the rights of all existing beneficiaries who are nationals of the Philippine Islands.

(b) *Report of beneficiary's interest.* A trustee or other representative of an estate or trust shall report any reportable interest of a beneficiary under a trust, with a clear reference to the report, if any, required for the trust. Except in the case of specific devises, legacies, or bequests, the beneficiary's interest should be reported under property type 27 only. A description of the rights of the beneficiary, similar to that required on reports for trusts, should in any case be given on the report for the beneficiary. None of the assets of the trust should be entered on the report for the beneficiary but the total amount of such assets should be given with the description of the beneficiary's rights. If more than one national was a beneficiary, a separate report must be made for each.

(c) *Business trusts.* Trustees of business trusts in which the interests of beneficiaries are represented by financial securities should report the property of the trust if the trust itself is a national, and should file separate reports with respect to the interests of each national beneficiary in accordance with the instructions to organizations issuing securities given in Section IX of this Circular. The preceding sub-instructions do not apply to such business trusts.

(d) *Partnerships.* Principles analogous to the requirements of sub-instructions (a) and (b), above, should be applied by members of partnerships with respect to partnership property and the interests of the members.

2. *Part A.* In reporting the property of a trust or estate the trustee or other representative may enter his own name followed by an appropriate phrase, *e. g.*, "as trustee under the will of X."

3. *Nationality.* Reports for estates and trusts, other than business trusts in which the interests of the beneficiaries were represented by financial securities, shall state the country or countries of which the trust itself is a national, and in any case shall state the country or countries of which each beneficiary of the trust is a national. Similar statement shall be made for partnerships. All entries made under the caption must be explained in Part E. If the only entries required are the countries of which the beneficiaries or partners, as the case may be, are nationals, it will suffice to state that fact in Part E without further explanation.

4. *Affidavit.* A trustee or other representative of a trust or estate need execute only one affidavit with respect to all reports relating to the trust, including reports of the interests of beneficiaries, but if he was trustee of more than one trust, a separate affidavit must be executed with respect to the reports relating to each trust.

SEC. XI—Table of Exchange Rates

Where the value of property is expressed in terms of foreign currency, such values should be converted into dollars at the rates of exchange set forth below. Where no rate is given for a country, the latest rate next before January 1, 1942, as generally quoted by foreign exchange dealers or other recognized sources of information shall be used. Such rate should be clearly stated in the report. The exchange rates given in this table are for use only in preparing reports on Form TFR-300, Series K, and are not intended to be used or relied upon in any other connection or for any other purpose whatsoever.

## CHAPTER IX—WAR PRODUCTION BOARD

### SUBCHAPTER B—DIVISION OF INDUSTRY OPERATIONS

#### PART 987—COBALT

#### General Preference Order M-39 to Conserve the Supply and Direct the Distribution of Cobalt (as Amended February 7, 1942)

Section 987.1 is hereby amended to read as follows:

Whereas, the uncertainty of shipments of cobalt from abroad, and the national defense requirements for cobalt have created a shortage thereof, for defense, for private account, and for export and it is necessary in the public interest and to promote the defense of the United States, to conserve the supply and direct the distribution thereof;

Now therefore, it is hereby ordered that:

§ 987.1 *General Preference Order M-39*—(a) *Definitions*. For the purposes of this order:

(1) "Cobalt" means and includes:

(i) Ores, concentrates, crudes, and residues, including beneficiated or treated forms containing cobalt (commercially recognized).

(ii) The element cobalt in any form, and combinations with other elements in which cobalt is an essential constituent.

(iii) All chemical compounds in which cobalt is an essential and recognizable component.

(iv) All scrap or secondary material containing commercially recoverable cobalt as defined in (i), (ii) and (iii) above, excluding cobalt-bearing iron and steel scrap.

(b) *Applicability of Priorities Regulation No. 1*. This order and all transactions affected thereby are subject to the provisions of Priorities Regulation No. 1, (Part 944), as amended from time to time, except to the extent that any provision hereof may be inconsistent therewith, in which case the provisions of this order shall govern.

(c) *Restrictions on deliveries*—(1) *Allocations*. Hereafter, no person shall make or accept delivery of cobalt except as specifically authorized by the Director of Industry Operations. The Director will from time to time allocate the supply of cobalt and specifically direct the manner and quantities in which deliveries to particular persons or for particular uses shall be made or withheld. The Director may also, in his discretion, require any person seeking to place a purchase order for cobalt to place the same with one or more particular suppliers. Such alloca-

tions and directions will be made to insure satisfaction of all defense requirements of the United States, both direct and indirect, and they may be made in the discretion of the Director of Industry Operations without regard to any preference ratings assigned to particular contracts or purchase orders. The Director may also take into consideration the possible dislocation of labor and the necessity of keeping a plant in operation so that it may be able to fulfill defense orders and essential civilian requirements.

(2) *Reports*. Unless otherwise ordered by the Director of Industry Operations, no person shall be entitled to receive an allocation of cobalt unless, not later than the 20th day of the month next preceding the month in which delivery is desired, he shall have filed with the War Production Board and with any supplier with whom he may have placed a purchase order for cobalt, a report in the manner and form prescribed from time to time by the War Production Board: *Provided, however*, That subject to all the other provisions, restrictions, and limitations of this order and until further order by the Director of Industry Operations any person may receive deliveries during any calendar month up to but not exceeding an aggregate of 50 pounds contained cobalt without filing the reports required by this paragraph. Failure by any person to file a report in the manner and on the date required by this paragraph may be construed as notice to the Director of Industry Operations and to all suppliers of cobalt that such person does not desire an allocation of cobalt during the period to which such report would have been applicable.

(d) *Violations*. Any person who willfully violates any provision of this order, or who by any act or omission falsifies records to be kept or information to be furnished pursuant to this order, may be prohibited from receiving further deliveries of any material subject to allocation, and such further action may be taken as is deemed appropriate, including a recommendation for prosecution under section 35 (A) of the Criminal Code (18 U.S.C. 80).

(e) *Communications to War Production Board*. All reports required to be filed hereunder, and all communications concerning this order, shall, unless otherwise directed, be addressed to the Cobalt Branch, War Production Board, Social Security Building, Washington, D. C., Reference: M-39.

(f) *Revocation of Supplementary Order M-39-a*. Supplementary Order M-39-a, issued by the Director of Priorities December 5, 1941, is hereby revoked.

(g) *Effective date*. This order shall take effect immediately upon its issuance, and unless sooner terminated by direction of the Director of Industry Operations, shall expire on the 30th day of June, 1942. (P.D. Reg. 1, amended December 23, 1941, 6 F.R. 6630; W.P.B.
