### Regulations

#### TITLE 5—ADMINISTRATIVE PERSONNEL

##### Chapter I—Civil Service Commission

##### PART 18—WAR SERVICE REGULATIONS

##### SEPARATIONS AND TRANSFERS UNDER REDUCTION IN FORCE INSTRUCTIONS ISSUED BY THE BUREAU OF THE BUDGET

The following regulations are prescribed to govern transfers and separations of employees in the executive branch of the Government who must be released under instructions issued by the Bureau of the Budget.

##### Sec.

- 18.701 Reductions in force under instructions issued by the Bureau of the Budget.
- 18.702 Employees separated under instructions received from the Bureau of the Budget to be placed on re-employment list.
- 18.901 Transfers under instructions received from the Bureau of the Budget.
- 18.902 Procedure in effecting transfers.
- 18.903 Transfers without the consent of the employees; appeals.

AUTHORITY: §§ 18.701 and 18.702 issued under the authority of E.O. 4240, June 4, 1925. §§ 18.901 to 18.903 issued under the authority of Pub. Law 821, approved December 22, 1942, E.O. 9063 (7 F.R. 1075), E.O. 9243 (7 F.R. 7213) and Directive X, War Manpower Commission (7 F.R. 7293).

§ 18.701 *Reductions in force under instructions issued by the Bureau of the Budget.* When the objectives of the transfer program set forth in § 18.901 of this chapter cannot be met, either because the services of employees released from any department or agency are not needed in and cannot be effectively utilized in other departments or agencies, or because the necessary time limit does not permit the completion of the process of locating vacancies for and transferring all released employees whose services might properly be utilized in the War Program, a sufficient number of employees must be separated from the roll of any agency in which a reduction in force is necessary to bring the total personnel on the rolls within the maximum figure permitted under the Bureau of the Budget instructions.

The requirement that formal separation rating lists shall be prepared and submitted to the Commission for ap-

proval before becoming effective is waived, until further notice. In lieu of such formal separation lists, and in addition to the lists of personnel called for in § 18.902 of this chapter, the department or agency shall immediately begin to prepare special separation lists showing the names of all employees in the groups in which separations are being proposed. The names of these employees shall be listed in order of proposed separation, the ones lowest on the list being the ones first to be separated. Such lists shall be prepared with due regard to tenure of employment, military preference, efficiency ratings, and length of service. The rules set forth below shall be followed:

(a) In any competitive group, consider as subgroup 1 employees now serving under permanent appointment, and employees serving under any other type of appointment (except temporary) who have currently completed a minimum of three years of continuous service. Consider as subgroup 2 all other employees except temporaries. Consider as subgroup 3 employees serving under temporary appointment limited to a specified period of time of one year or less.

(b) No employee in a lower numbered subgroup shall be separated so long as any employee in a higher numbered subgroup is retained on work of the same or similar type.

(c) In any subgroup of any competitive group, no employee entitled to military preference whose efficiency rating is "Good" or better than "Good" shall be separated, so long as any employee not entitled to military preference is retained on work of the same or similar type.

(d) In any subgroup of any competitive group, no employee entitled to military preference whose efficiency rating is less than "Good" shall be separated so long as any employee not entitled to military preference with an equal or lower efficiency rating is retained on work of the same or similar type.

(e) Subject to the foregoing rules, in general, employees with higher efficiency ratings should be preferred for retention to employees with lower efficiency ratings and where the efficiency ratings are equal employees with longer periods of service should be preferred for retention to employees with shorter periods of service.

(f) After the expiration of twenty days from the date of the receipt of instructions from the Bureau of the Budget departments and agencies may proceed to complete such reductions in force as may finally be necessary under the instructions of the Bureau of the Budget without securing prior approval of the Commission, but subject to appeal to the Commission if an employee feels that there has been a violation of his rights under military preference laws or these regulations.

§ 18.702 *Employees separated under instructions received from the Bureau of the Budget to be placed on reemployment list.* Any employees who are separated from the service as a result of the
