ANNUAL REPORTS FOR NATURAL GAS COMPANIES, CLASSES A AND B

AUGUST 7, 1958.

In the matter of amendment of rules prescribing the form and filing of Annual Reports, FPC Form No. 2, for Natural Gas Companies Classes A and B.

The Commission has under consideration herein the amendment of § 260.1 of the Commission's Regulations under the Natural Gas Act, for "Form No. 2, Annual Report for Natural Gas Companies (Class A and Class B)" (set forth in Part 260—Statements and Reports, Subchapter G—Approved Forms, Natural Gas Act, Chapter I of Title 18, Code of Federal Regulations) so as to prescribe a number of new and revised schedules as a part of that Annual Report as presently constituted.

¹ Transferred from Docket No. R-165 for consideration herein. See ordering clause (C) of Order No. 200, issued March 17, 1958 (19 FPC 345 at 349, 23 F. R. 1890 at 1891).

General public notice of this proposed rule making was given by the publication of notice in the FEDERAL REGISTER on February 12, 1958 (23 F. R. 913), and the mailing of notices to interested parties including State and Federal regulatory agencies.

The exact nature of each of the revisions to the general instructions and the schedules hereinafter adopted is fully set forth on the accompanying forms. Generally, however, they will result in the reporting of data not heretofore reported. This action of the Commission complements the action taken in Order No. 200, issued March 17, 1958, in Docket No. R-165 (19 FPC 345, 23 F. R. 1890) wherein certain other schedules of the same Form No. 2 were revised so as to reduce existing reporting requirements.

A total of 12 letters from 8 companies were received in response to the above-mentioned notice. Of these, 6 are responses relating to the schedule, Gas Purchased, page 94, deferred from consideration in Docket No. R-165 because of objections to certain aspects of the proposed revisions in that schedule. The limited number of comments received indicate a general acceptance of the proposed changes. Although several pro-

tests were strongly urged, we find them to be without substantial merit. Most of the comments suggested only clarifying modifications and the staff of the Commission, in addition, has suggested some modifications made in response to suggestions submitted in the proceeding (R-164) to revise the reporting requirements with respect to Annual Report, Form No. 1, submitted by the members of the electric industry.

The proposed revisions as originally set forth in the notice of proposed rule making, herein, were coordinated with the industry representatives of the Advisory Council on Federal Reports and with the Accounting and Engineering Committee of the National Association of Railroad and Utility Commissioners. Since the revisions herein adopted do not involve any significant modifications of those originally proposed, no further coordination with those groups appears necessary.

The Commission has given careful consideration to all of the data, views, comments, and suggestions submitted with respect to the proposed revisions to Annual Report Form No. 2 and to the extent provided in the order has reflected such suggestions, and to the extent not reflected in the order the suggestions and comments are rejected.

The Commission finds:

Upon consideration of the proposed amendments, comments, and suggestions, adoption and promulgation of the proposed amendments, modified as hereinafter ordered, are necessary and appropriate for the purposes of administration of the Natural Gas Act.

The Commission, acting pursuant to the authority granted by the Natural Gas Act, particularly sections 8, 9 (b), 10, and 16 of that Act (52 Stat. 821, 825, 826, and 830; 15 U. S. C. 717g, 717h (b), 717i, and 717o), orders:

(A) The revisions (including new schedules) of the Annual Report, FPC Form No. 2, for Classes A and B Natural Gas Companies, for the schedules listed above, and as shown by the typewritten or hand-script changes on the accompanying pages of the presently effective form,² are approved and adopted and new or revised schedules reflecting those revisions are hereby prescribed and promulgated as a part of the Annual Report, FPC Form No. 2, to be prepared and filed annually with the Commission, effective with the reporting for the calendar year beginning January 1, 1958, or subsequently during the calendar year 1958 if the established fiscal year is other than the calendar year.

(B) This order shall become effective upon the issuance thereof.

(C) The Secretary of the Commission shall cause prompt publication of this order to be made in the FEDERAL REGISTER.

(Sec. 16, 52 Stat. 830; 15 U. S. C. 717o)

TITLE 29—LABOR

Subtitle A—Office of the Secretary of Labor

PART 4—CHILD LABOR REGULATIONS, ORDERS, AND STATEMENTS OF INTERPRETATION

SUBPART E—OCCUPATIONS PARTICULARLY HAZARDOUS FOR THE EMPLOYMENT OF MINORS BETWEEN 16 AND 18 YEARS OF AGE OR DETRIMENTAL TO THEIR HEALTH OR WELL-BEING

SUBPART G—GENERAL STATEMENTS OF INTERPRETATION OF THE CHILD LABOR PROVISIONS OF THE FAIR LABOR STANDARDS ACT OF 1938, AS AMENDED

MISCELLANEOUS AMENDMENTS

Pursuant to authority under the Fair Labor Standards Act of 1938, as amended (52 Stat. 1060, 29 U. S. C. 201 et seq.), and Reorganization Plan No. 2 of 1946 (3 CFR, 1943-1948 Comp., p. 1064), and in accordance with the requirements of section 4 of the Administrative Procedure Act (60 Stat. 238, 5 U. S. C. 1003), §§ 4.56 (d), 4.57, 4.64, and 4.111, are hereby amended in the manner indicated below.

1. Section 4.56 (d) is amended by inserting the word "Chambersburg" in lieu of the word "Philadelphia" in the last sentence thereof.

This amendment reflects a recent change in the location of the regional office of the Wage and Hour and Public Contracts Divisions for Region III.

2. Section 4.57 is amended by inserting an additional paragraph (c) which will read as follows:

(c) *Higher standards.* This section shall not justify noncompliance with any Federal or State law or municipal ordinance establishing a higher standard than the standard established in this section.

The amendment incorporates into this section a restatement of the child labor provisions contained in section 18 of the Fair Labor Standards Act of 1938, as amended (52 Stat. 1069, 29 U. S. C. 218).

3. The blanket citation immediately preceding §§ 4.51 to 4.64 is amended by adding thereto the following: "Interpret or apply sec. 18, 52 Stat. 1069, 29 U. S. C. 218."

This change notes the interpretation and application of section 18 of the Fair Labor Standards Act of 1938, as amended (52 Stat. 1069, 29 U. S. C. 218), in each of the Hazardous Occupations Orders published in Subpart E of Part 4.

4. Section 4.64 is amended by adding in parentheses to the section headnote "Occupations involved in the manufacture of brick, tile, and kindred products," the words "Order 13".

The amendment will further identify this Hazardous Occupations Order by indicating its numerical designation in the list of Hazardous Occupations Orders heretofore promulgated by this Department.

5. Section 4.111 is amended by deleting the reference to § 4.125 in the last sentence of the first paragraph in Footnote 21 and substituting therefor a reference to § 4.128.

The purpose of the amendment is to provide the proper reference for the matters discussed in Footnote 21.

The changes made in §§ 4.56 (d), 4.64, and 4.111, are matters of agency organization, practice, or interpretative rules, and are not substantive in nature. Therefore, the notice and effective date requirements of section 4 of the Administrative Procedure Act (60 Stat. 238, 5 U. S. C. 1003) do not apply to them.

In addition, the notice requirement of section 4 of that Act is not applicable to the change in § 4.57 for good cause. Such notice is hereby found unnecessary. The amendment to this section, as indicated above, merely adds to the regulation a restatement of the child labor provisions of section 18 of the Fair Labor Standards Act of 1938, as amended (52 Stat. 1069, 29 U. S. C. 218).

Also, no delay in the effective date of the amendment to § 4.57 is made for good cause. Since the substance of the change is already in effect by force of statute, it is hereby found that no time lag is necessary to afford interested persons an opportunity to comply with its provisions.

All amendments herein made will become effective immediately upon publication in the FEDERAL REGISTER.

(Sec. 3, 52 Stat. 1069, as amended; 29 U. S. C. 203. Interpret or apply sec. 18, 52 Stat. 1069; 29 U. S. C. 218)

Signed at Washington, D. C., this 11th day of August 1958.

JAMES P. MITCHELL,
Secretary of Labor.

TOLERANCE FOR RESIDUES OF SCHRADAN

A petition was filed by Pennsalt Chemicals Corporation, 2901 Taylor Way, Tacoma 2, Washington, requesting the establishment of a tolerance for residues of schradan (octamethylpyrophosphoramide) in or on walnuts.

The Secretary of Agriculture has certified that this pesticide chemical is useful for the purposes for which a tolerance is being established.

After consideration of the data submitted in the petition and other relevant material which show that the tolerance established in this order will protect the public health, and by virtue of the authority vested in the Secretary of Health, Education, and Welfare by the Federal Food, Drug, and Cosmetic Act (sec. 408 (d) (2), 68 Stat. 512; 21 U. S. C. 346a (d) (2)) and delegated to the Commissioner of Food and Drugs by the Secretary (21 CFR 120.7 (g)), the regulations for tol-

erances for pesticide chemicals in or on raw agricultural commodities (21 CFR Part 120; 21 CFR, 1957 Supp., 120.3 (23 F. R. 3595)) are amended as indicated below:

1. In § 120.3 *Tolerances for related pesticide chemicals*, paragraph (e) (5) is amended by inserting after the item "Parathion" the item "Schradan (octamethylpyrophosphoramide)."

2. Part 120 is amended by adding the following new section:

§ 120.166 *Tolerance for residues of schradan.* A tolerance of 0.75 part per million is established for residues of schradan (octamethylpyrophosphoramide) in or on English walnuts.

Any person who will be adversely affected by the foregoing order may, at any time prior to the thirtieth day from the effective date thereof, file with the Hearing Clerk, Department of Health, Education, and Welfare, Room 5440, 330 Independence Avenue SW., Washington 25, D. Objections may be accompanied by a memorandum or brief in support thereof. All documents shall be filed in quintuplicate.

Effective date. This order shall be effective upon publication in the FEDERAL REGISTER.

PART 6—MIGRATORY BIRDS

MISCELLANEOUS AMENDMENTS

Basis and purpose. By notice of proposed rule making published on May 14, 1958 (23 F. R. 3275), the public was notified that the Director, Bureau of Sport Fisheries and Wildlife, proposed to recommend the adoption by the Secretary of the Interior certain changes in Part 6, Title 50, Code of Federal Regulations, which would specify open seasons, certain closed seasons, hunting methods, hunting hours, and bag limits for migratory game birds. In this connection the public was notified of certain specific changes to Part 6 that were under immediate consideration. The sections of Part 6 to be changed and the reasons for such changes were set forth in detail. After due consideration, it is now determined that of the sections enumerated in

the notice only the following shall be recommended for change: Sections 6.3 (b) (9), 6.7 (b), 6.9, and 6.11.

Interested persons were invited to submit their views, data, or arguments in writing with respect to the proposed changes to the Director, Bureau of Sport Fisheries and Wildlife, Washington 25, D. C., on or before June 20, 1958. Consideration having been given to all relevant matters presented, it has been determined that the proposed changes to the sections enumerated above shall be adopted. Accordingly, Part 6 of the regulations is amended in pertinent part as follows:

1. Subparagraph (9) of § 6.3 (b) is amended to read as follows:

(9) By the aid of baiting, or on or over any baited area. As used in this subparagraph, "baiting" shall mean the placing, exposing, depositing, distributing or scattering of shelled, shucked, or unshucked corn, wheat or other grain, salt or other feed so as to constitute for such birds a lure, attraction or enticement to, on or over any area where hunters are attempting to take them; and "baited area" means any area where shelled, shucked, or unshucked corn, wheat or other grain, salt or any other feed whatsoever capable of attracting such birds is directly or indirectly placed, exposed, deposited, distributed or scattered. Nothing in this subparagraph shall prohibit the taking of such birds over standing crops, flooded standing crops (including aquatics), flooded harvested crop lands, grain crops properly shocked on the field where grown, or grains found scattered solely as the result of normal agricultural harvesting.

2. Paragraph (b) of § 6.7 is amended to read as follows:

(b) Migratory game birds may be imported from Canada with or without heads and feet attached, but shipments of such birds must be accompanied by tags or permits if required by Dominion or Provincial law.

3. Section 6.9 is amended to read as follows:

§ 6.9 Possession for purposes of processing, transportation, or storage. No person, other than the person who has lawfully taken such birds, shall receive, possess, or have in custody migratory game birds for picking, cleaning, processing, shipment, transportation, or storage (including temporary storage at hunting clubs) unless such birds have a tag attached signed by the hunter stating his address, the total number and kinds of birds and the date killed. Any commercial picking establishment, cold-storage or locker plant receiving, possessing, or having in custody migratory game birds shall maintain accurate records

showing the numbers and kinds of such birds, the dates received and disposed of, and the names and addresses of the persons from whom such birds are received, and to whom such birds are delivered. Such records shall be produced at any reasonable time for inspection by any officer authorized to enforce this part. The records so required to be maintained shall be retained by the person or persons responsible for their preparation and maintenance for a period of one year following the close of the open season on migratory game birds prescribed for the State in which such picking establishment, cold-storage or locker plant is located.

4. Section 6.11 is amended to read as follows:

§ 6.11 Possession of live migratory waterfowl. No person, without a permit, shall possess or transport any live migratory game birds acquired after October 1, 1958.

5. Paragraph (h) of § 6.15 is amended to read as follows:

(h) Applications for permits. Applications for permits on forms prescribed for such purposes shall be addressed to the Regional Director of the Bureau of Sport Fisheries and Wildlife in whose region the applicant resides, as follows:

Region 1—P. O. Box 3737, Portland 8, Oreg. (California, Idaho, Montana, Nevada, Oregon, Washington);

Region 2—P. O. Box 1306, Albuquerque, N. Mex. (Arizona, Colorado, Kansas, New Mexico, Oklahoma, Texas, Utah, Wyoming);

Region 3—1006 West Lake Street, Minneapolis 8, Minn. (Illinois, Indiana, Iowa, Michigan, Minnesota, Ohio, Missouri, Nebraska, North Dakota, South Dakota, Wisconsin);

Region 4—Peachtree-Seventh Building, Atlanta 23, Ga. (Mississippi, North Carolina, South Carolina, Tennessee, Virginia, Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland);

Region 5—1105 Blake Building, Boston 11, Mass. (Connecticut, Delaware, Maine, Massachusetts, Vermont, Pennsylvania, New Hampshire, New Jersey, New York, Rhode Island, West Virginia); and

Region 6—P. O. Box 2021, Juneau, Alaska (Alaska).

In accordance with the provisions of section 4 (c) of the Administrative Procedure Act of June 11, 1946, 60 Stat. 238; 5 U. S. C. 1003 (c), the foregoing amendments shall become effective 30 days following the date of publication in the FEDERAL REGISTER.
