Chapter IX—Agricultural Marketing Service (Marketing Agreements and Orders), Department of Agriculture

PART 910—LEMONS GROWN IN CALIFORNIA AND ARIZONA

Expenses and Rate of Assessment for 1962-63 Fiscal Year

On December 15, 1962, notice of proposed rule making was published in the FEDERAL REGISTER (27 F.R. 12449) regarding the expenses and the fixing of the rate of assessment for the 1962-63 fiscal year pursuant to the marketing agreement, as amended, and Order No. 910, as amended (7 CFR Part 910, 27 F.R. 8346), regulating the handling of lemons grown in the State of California or in the State of Arizona. This regulatory program is

effective under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674). After consideration of all relevant matters presented, including the proposals which were submitted by the Lemon Administrative Committee (established pursuant to the amended marketing agreement and order) and set forth in the aforesaid notice, it is hereby found and determined that:

§ 910.201 Expenses and rate of assessment for the 1962-63 fiscal year.

(a) *Expenses.* The expenses necessary to be incurred by the Lemon Administrative Committee, established pursuant to the provisions of the aforesaid amended marketing agreement and order, for its maintenance and functioning during the fiscal year ending October 31, 1963, will amount to \$191,050.

(b) *Rate of assessment.* The rate of assessment to be paid, in accordance with the amended marketing agreement and order, by each handler who first handles lemons shall be one and one-half cents (\$0.0150) per carton of lemons, or an equivalent quantity of lemons, handled by him as the first handler thereof during the said fiscal year. Such rate of assessment is hereby fixed as each handler's pro rata share of the aforesaid expenses.

It is hereby found that good cause exists for not postponing the effective time of this action until 30 days after publication in the FEDERAL REGISTER (5 U.S.C. 1001-1011) in that (1) the relevant provisions of said amended marketing agreement and this part require that the rate of assessment fixed for a particular fiscal year shall be applicable to all assessable lemons from the beginning of such year; and (2) the current fiscal year began on November 1, 1962, and the rate of assessment herein fixed will automatically apply to all assessable lemons beginning with such date.

Terms used herein shall have the same meaning as when used in said amended marketing agreement and this part.

PART 948—IRISH POTATOES GROWN IN COLORADO

Limitation of Shipments; Area 2

Findings. (a) Pursuant to Marketing Agreement No. 97, and Order No. 948, both as amended (7 CFR Part 948), regulating the handling of Irish potatoes grown in Colorado, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as

amended (7 U.S.C. 601-674), and upon the basis of recommendations and information submitted by the Area No. 2 (San Luis Valley) Committee, established pursuant to the said marketing agreement and order, and other available information, it is hereby found that the amendment to the limitation of shipments hereinafter set forth will maintain orderly marketing conditions tending to increase returns to potato growers in the production area.

(b) It is hereby found that it is impracticable and contrary to the public interest to give preliminary notice or engage in public rule making procedure, and that good cause exists for not postponing the effective date of this amendment until 30 days after publication in the FEDERAL REGISTER (5 U.S.C. 1003) in that (1) the time intervening between the date when information upon which this amendment is based became available and the time when this amendment must become effective in order to effectuate the declared policy of the act is insufficient, (2) more orderly marketing in the public interest, than would otherwise prevail, will be promoted by regulating the handling of potatoes in the manner set forth below, on and after the effective date of this amendment, (3) regulations have been issued under the order since 1949 and have been in effect this season since September 5, 1962, so compliance with this amendment will not require any special preparation on the part of handlers, and (4) information regarding the Committee's recommendation has been disseminated to producers and handlers in the production area.

Order, as amended.

In § 948.340 (27 F.R. 8824), delete paragraphs (a) and (c)(1) and substitute in lieu thereof new paragraphs (a) and (c)(1) as set forth below.

§ 948.340 Limitation of shipments.

(a) *Minimum grade and size requirements—(1) Round varieties.* U.S. No. 2, or better, grade, 2 1/8 inches minimum diameter.

(2) *Long varieties.* U.S. No. 2, or better, grade, 2 inches minimum diameter or 4 ounces minimum weight.

(c) *Special purpose shipments—(1) Chipping stock.* Potatoes may be handled for chipping if they meet the requirements of 2 inches minimum diameter and if they are U.S. No. 2, or better grade, except for scab, and if such potatoes are handled in accordance with paragraph (d) of this section.

(Secs. 1-19, 48 Stat. 31, as amended; 7 U.S.C. 601-674)

Dated: December 28, 1962, to become effective January 7, 1963.

Chapter III—Area Redevelopment Administration, Department of Commerce

PART 306—NONDISCRIMINATION AND EQUAL OPPORTUNITY IN HOUSING

The regulations of the Area Redevelopment Administration, as published in the FEDERAL REGISTER of October 24, 1961 (26 F.R. 9933-9943), as amended, are hereby further amended to add the following new part:

- Sec.
306.1 Nondiscrimination policy.
306.2 Definition of "discriminatory practice".
306.3 Definition of "residential property" and "related facilities".
306.4 Prohibition against discriminatory practice.
306.5 Effect of prohibited discriminations on future applications.

AUTHORITY: §§ 306.1 to 306.5 issued under sec. 12, Public Law 87-27.

§ 306.1 Nondiscrimination policy.

The regulations in this part are prescribed pursuant to the provisions of Executive Order 11063, issued by the President under date of November 20, 1962, and are designed to assure compliance with the established policy of the United States that housing and related facilities, financed with assistance under the provisions of the Area Redevelopment Act, will be made available for use without discrimination based on race, color, creed or national origin.

§ 306.2 Definition of "discriminatory practice".

As used in this part, the term "discriminatory practice" shall mean any discrimination because of race, color, creed or national origin in the sale, leasing, rental, or other disposition of residential property and related facilities, or in the commercial use or occupancy thereof if such property is or will be constructed, rehabilitated, purchased, or financed with the proceeds of a loan made by the Area Redevelopment Administration under the provisions of the Area Redevelopment Act after November 20, 1962.

§ 306.3 Definition of "residential property" and "related facilities".

As used in this part, the term "residential property" means land and buildings currently intended for use as a place of abode or a place of dwelling, including nursing homes, but excluding transient or hotel facilities or parts thereof which are intended for occupancy for periods of less than thirty days. As used in this part, the term "related facilities" shall mean service facilities and accommodations designed and intended substantially for the use and benefit of occupants of residential property incident to such occupation.

§ 306.4 Prohibition against discriminatory practice.

It shall be required as a condition for financial assistance from the Area Redevelopment Administration involving residential property and related facilities that such property and facilities shall not be used in connection with a "discriminatory practice" as such term is defined in this part. Assurances against such discriminatory practice shall be provided by appropriate terms, covenants, and conditions in loan authorizations, contracts, or other instruments used in connection with such financial assistance.

§ 306.5 Effect of prohibited discriminations on future applications.

Applications for financial assistance in constructing, rehabilitating, purchasing, or financing any "residential property" and "related facilities" shall be rejected as ineligible if any person or firm connected with the application has been found to have violated the rules, regulations or procedures issued or adopted pursuant to Executive Order 11063 or in the nondiscriminatory provisions included in any agreement or contract, with respect to any program affected by this Order administered by any other executive department or agency.

In accordance with the provisions of section 4 of the Administrative Procedure Act (5 U.S.C. 1003) it has been found that notice and hearing on the foregoing Part 306 of Chapter III of Title 13 of the Code of Federal Regulations is unnecessary for the reason that all matters therein relate to agency management, personnel, loans, grants or benefits; and for the reason that because of the nature of these rules, such notice and hearing would serve no useful purpose. The provisions of this part of

Chapter III of Title 13 are effective as of this date.

Dated: December 20, 1962.

§ 50.30 Fee structure for foreign trade and shipping statistics.

(a) The Bureau of the Census is willing to furnish on a cost basis foreign trade and shipping statistics provided there is no serious interruption of the Bureau's regular work program.

(b) In instances where information requested is not shown separately or not summarized in the form desired, it is necessary to conduct a preliminary investigation at the requestor's expense to determine whether the information can be compiled from the basic records and what the total cost will be. The preliminary investigation normally costs \$125 but may be more depending on the circumstances. The total cost of the final report generally ranges from \$200 to several thousand dollars for data covering a 12-month period.

(c) Upon receipt of a request, information will be furnished as to whether the statistics are available and if so, the cost; or that a preliminary investigation must be conducted. When an investigation is completed, information will be furnished as to the cost of preparing the material, or as to the reason if the statistics cannot be compiled from our basic records.

The fee schedules are effective January 1, 1963, except for that part of § 50.10(b) (2) which indicates an effective date of January 1, 1964.

To obtain the form for requesting age search and citizenship information, write to the Bureau of the Census, Pittsburgh, Kansas. To obtain other data or maps, write a letter to the Director, Bureau of the Census, Washington 25, D.C., enclosing a check or money order based on the appropriate fee structure and made payable to Census, Department of Commerce. When additional information is needed about fees or services, write to the Director.
