PART 215—SPECIAL MILK PROGRAM FOR CHILDREN

The regulations for the operation of the Special Milk Program for Children (27 F.R. 7482) are hereby amended as follows:

1. Paragraph (a) of § 215.5 *Payments to State Agencies* is amended to read:

§ 215.5 *Payments to State Agencies.*

(a) The funds reserved for any State Agency for the fiscal year ending June 30, 1964, shall be made available in not less than nine monthly payments and for any fiscal year thereafter shall be made available in not less than ten monthly payments. The first payment shall be scheduled to arrive in the State on or about August 25 and shall include payments for July and August. Payments for September and for succeeding months shall be scheduled to arrive in the State on or about the 25th of the month in which obligations are incurred by the State: *Provided*, That the payment for May shall cover operations for May and June.

2. Paragraph (e) of § 215.8 *Reimbursement payments* is redesignated paragraph (f) and a new paragraph (e) is inserted as follows:

§ 215.8 *Reimbursement payments.*

(e) When FDD determines that a reduction in the payment of claims for reimbursement is necessary to insure that expenditures are within the funds appropriated for the program for any fiscal year, FDD shall pay or require States to pay claims for reimbursement for any of the months of the fiscal year at less than the amounts shown on the claims submitted by schools and child-care institutions. The percentage of such reductions shall be determined by FDD and notice thereof given to States and participating schools and child-care institutions under agreement with FDD: *Provided*, That no percentage reduction shall be applied to claims submitted by needy schools approved for Special As-

sistance pursuant to paragraph (f) of this section. FDD shall determine annually, not later than August 1, whether sufficient funds are available to increase the rate of reimbursement for the final claims of the preceding fiscal year from participating schools and child-care institutions. In the event it determines that sufficient funds are available for the purpose, FDD shall pay and shall authorize State Agencies to pay the last claim for the preceding fiscal year from any school or child-care institution at a rate in excess of the rate payable pursuant to paragraphs (b), (c) or (d) of this section: *Provided*, That the total reimbursement to the school or child-care institution for any fiscal year shall not exceed an amount equal to the number of reimbursable half pints claimed for the fiscal year times the rate assigned in the agreement.

3. Paragraph (f) of § 215.12 is amended to read:

§ 215.12 Claims against schools or child-care institutions.

(f) The amounts recovered by the State Agency from schools or childcare institutions shall be available to make reimbursement payments only for milk served during the fiscal year for which the funds were initially available.

Effective date. This amendment shall be effective upon publication.

Under Secretary.

[P.P.C. 612, Revocation]

PART 301—DOMESTIC QUARANTINE NOTICES

Subpart—Khaphra Beetle

REVOCATION OF ADMINISTRATIVE INSTRUCTIONS DESIGNATING CERTAIN PREMISES AS REGULATED AREAS

Pursuant to § 301.76-2 of the regulations supplemental to the Khaphra Beetle Quarantine (7 CFR 301.76-2) under sections 8 and 9 of the Plant Quarantine Act of 1912, as amended (7 U.S.C. 161, 162), administrative instructions issued as 7 CFR 301.76-2a (27 F.R. 11341), effective November 17, 1962, are hereby revoked, effective December 3, 1963. However, such instructions shall be deemed to continue in full force and effect for the purpose of sustaining any action or other proceeding with respect to any right that accrued, liability that was incurred, or violation that occurred prior to said date.

This revocation relieves restrictions by removing from the list of premises in which infestations of the khaphra beetle have been determined to exist all premises now listed therein and terminating

the designation of such premises as regulated areas within the meaning of such quarantine and regulations, it having been determined by the Director of the Plant Pest Control Division that adequate sanitation measures have been practiced for a sufficient length of time to eradicate the khaphra beetle in and upon such premises. Therefore, it is considered safe to release them from regulation. This revocation removes from regulation under the khaphra beetle quarantine the only remaining premises retained in the latest revision of the administrative instructions effective November 17, 1962.

The revocation therefore relieves restrictions deemed unnecessary and must be made effective promptly in order to be of maximum benefit to persons wishing to move regulated products from these premises. Accordingly, under section 4 of the Administrative Procedure Act (5 U.S.C. 1003), it is found upon good cause that notice and other public procedure with respect to the foregoing revocation are impracticable and contrary to the public interest, and since the revocation relieves restrictions it may be made effective less than 30 days after publication in the FEDERAL REGISTER.

(Sec. 8, 37 Stat. 318, as amended; sec. 9, 37 Stat. 318; 7 U.S.C. 161, 162; 19 F.R. 74, as amended; 7 CFR 301.76-2)

Done at Hyattsville, Md., this 26th day of November, 1963.

SUBCHAPTER B—FARM MARKETING QUOTAS AND ACREAGE ALLOTMENTS

PART 730—RICE

Subpart—1964-65 Marketing Year

STATE AND COUNTY RESERVE ACREAGES AND COUNTY ACREAGE ALLOTMENTS FOR 1964 CROP

Sec.
730.1505 Basis and purpose.
730.1506 State reserve acreages.
730.1507 County acreage allotments and county reserve acreages.

AUTHORITY: §§ 730.1505 to 730.1507 issued under secs. 301, 353, 375, 52 Stat. 38, 61, as amended, 66; 7 U.S.C. 1301, 1353, 1375.

§ 730.1505 Basis and purpose.

(a) The State and county reserve acreages and county acreage allotments for 1964 crop rice contained in §§ 730.1506 and 730.1507 have been determined pursuant to and in conformity with the provisions of section 353 of the Agricultural Adjustment Act of 1938, as amended. Said sections are issued to announce: (1) State reserve acreages for new farms or new producers in each of the applicable rice-producing States; (2) State reserve acreages for appeals and correc-

tions, missed farms, and adjustments in factored allotments in the producer States of Arizona, California, Florida, South Carolina, Tennessee, Texas, and the "producer administrative area" in Louisiana; and (3) county acreage allotments and county reserve acreages for appeals and corrections, missed farms, and adjustments in factored allotments in the farm States of Arkansas, Illinois, Mississippi, Missouri, North Carolina, Oklahoma, and the "farm administrative area" in Louisiana. Since farm acreage allotments for 1964 crop rice in the producer States, including the "producer administrative area" of Louisiana, will be established pursuant to the act primarily on the basis of past production of rice by the producer on the farm in lieu of past production of rice on the farm, the 1964 State acreage allotments of rice for those States will be apportioned directly to farms, and county acreage allotments and county reserve acreages for appeals and corrections, missed farms, and adjustments in factored allotments will not be determined for such States.

(b) The determinations made in §§ 730.1506 and 730.1507 indicate the amount of State reserve acreages for new farms or new producers in each of the applicable rice-producing States, the amount of State reserve acreages for appeals and corrections, missed farms, and adjustments in factored allotments in the "producer States"; and the amount of county acreage allotments and county reserve acreages for appeals and corrections, missed farms, and adjustments in factored allotments in the "farm States".

(c) The State and county reserve acreages in §§ 730.1506 and 730.1507 were established on the basis of the needs therefor as recommended by the State and county committees.

(d) The county acreage allotments in § 730.1507 were established by apportioning the State acreage allotment, minus the State acreage reserve for new farms, among the counties in the State in the same proportion that they shared in the total acreage allotted in 1956, as provided by section 353(c)(1) and section 353(c)(6) of the Agricultural Adjustment Act of 1938, as amended. No adjustments in county acreage allotments were made under the proviso in section 353(c)(1) of the act.

(e) Prior to the determination of State and county reserve acreages and county acreage allotments for 1964 crop rice, public notice (28 F.R. 10216) was given in accordance with the Administrative Procedure Act (5 U.S.C. 1003). The data, views, and recommendations received pursuant to such notice have been duly considered within the limits permitted by the Agricultural Adjustment Act of 1938, as amended.

(f) The determinations made in §§ 730.1506 and 730.1507 have been made on the basis of the latest available statistics of the Federal Government as required by section 301(c) of the Agricultural Adjustment Act of 1938, as amended.

(g) Pursuant to the Agricultural Adjustment Act of 1938, as amended, marketing quotas on the 1964 crop of rice have been proclaimed (28 F.R. 12081)
