Chapter I—Federal Power Commission

SUBCHAPTER D—APPROVED FORMS, FEDERAL POWER ACT

[Docket No. R-284; Order 311-A]

PART 141—STATEMENTS AND REPORTS (SCHEDULES)

Form No. 1, Annual Report for Electric Utilities, Licensees, and Others (Class A and Class B)

SEPTEMBER 8, 1966.

Order No. 311, issued in this proceeding on December 8, 1965 (34 FPC —, 30 F.R. 15465), amended the Annual Report FPC Form No. 1 by, among other things, deleting certain schedules and changing the "Verification" page to an "Attestation." The list of schedules contained in the form which appears in paragraph (d) of § 141.1 of the regulations should have been amended so as to correctly list the current contents of the report form. We are here supplying the inadvertent omission.

The Commission finds: Notice of this amendment prior to adoption is unnecessary and good cause exists for making it effective immediately.

The Commission, acting pursuant to the provisions of section 309 of the Federal Power Act as amended (49 Stat. 858; 16 U.S.C. 825h), orders:

(A) Paragraph (d) of § 141.1, Part 141, Subchapter D, Chapter I of Title 18 of the Code of Federal Regulations, is revised by deleting the four schedule titles "Special Funds," "Special Deposits," "Notes Receivable," and "Accounts Receivable" and changing the last title, "Verification," to "Attestation."

(B) The revisions here adopted shall be effective upon the issuance of this order.

(C) The Secretary shall cause prompt publication of this order to be made in the FEDERAL REGISTER.

By the Commission.

Acting Secretary.

1. In § 3.157(b), the introductory portion and subparagraphs (1) and (3) are amended to read as follows:

§ 3.157 Report of examination or hospitalization as claim for increase or to reopen.

(b) Claim. Once a formal claim for pension or compensation has been allowed or a formal claim for compensation disallowed for the reason that the service-connected disability is not compensable in degree, receipt of one of the following will be accepted as an informal claim for increased benefits or an informal claim to reopen. In addition, receipt of one of the following will be accepted as an informal claim in the case of a retired member of a uniformed service whose formal claim for pension or compensation has been disallowed because of receipt of retirement pay. The evidence listed will also be accepted as an informal claim for pension previously denied for the reason the disability was not permanently and totally disabling.

(1) Report of examination or hospitalization by Veterans Administration or uniformed services. The date of outpatient or hospital examination or date of admission to a Veterans Administra-

tion or uniformed services hospital will be accepted as the date of receipt of a claim. The date of admission to a non-Veterans Administration hospital where a veteran was maintained at Veterans Administration expense will be accepted as the date of receipt of a claim, if Veterans Administration maintenance was previously authorized; but if Veterans Administration maintenance was authorized subsequent to admission, the date the Veterans Administration received notice of admission will be accepted.

(3) *State and other institutions.* When submitted by or on behalf of the veteran and entitlement is shown, date of receipt by the Veterans Administration of examination reports, clinical records, and transcripts of records will be accepted as the date of receipt of a claim if received from State, county, municipal, recognized private institutions, or other Government hospitals (except those described in subparagraph (1) of this paragraph). These records must be authenticated by an appropriate official of the institution. Benefits will be granted if the records are adequate for rating purposes; otherwise findings will be verified by official examination. Reports received from private institutions not listed by the American Hospital Association must be certified by the Chief Medical Officer of the Veterans Administration or his physician designee.

(b) When it is not practical or feasible for a fiduciary to obtain a corporate bond, the Chief Attorney is authorized to

accept bonds of such number of personal sureties as is permissible under State law, in any event, not less than one. Evidence must be received that each such surety owns real property, over and above all liens, exemptions, and encumbrances, at least equal in value to the penal sum of the bond and qualifies in accordance with the requirements of the State law.
