(d) *Review and recommendation.* The Committee shall review the pertinent records, determine whether there is substantial reason to believe that the award should be terminated or not continued either on grounds relating to moral character or on the ground that

the statement filed pursuant to § 61.5(d) was not made in good faith, and make its recommendation to the Surgeon General in writing, with reasons therefor, accordingly.

§ 61.16 Termination of or refusal to continue award on grounds relating to moral character or loyalty; hearing.

If, after review of the recommendation of the Special Review Committee, the Surgeon General believes that the award should be terminated or should not be continued, he shall notify the fellow and sponsoring institution in writing that unless a request for a hearing is made by the fellow within 20 days after the fellow's receipt of such notice, his fellowship will be terminated or his application for continuation of the award denied. A copy of the regulations under this subpart and a copy of Part 10 of Title 45, Code of Federal Regulations, shall be enclosed with the notice. The notice shall set forth, as specifically as security permits, the grounds for the questions pertaining to moral character or loyalty. The fellow and the sponsoring institution shall be notified in writing of such termination.

§ 61.18 Publications.

Publication, distribution, and disposition of all manuscripts and other materials resulting from a fellowship awarded hereunder shall be subject to the conditions that all such materials shall bear appropriate acknowledgement of Public Health Service support, that fellows shall furnish copies of such publications or other materials as may be requested by the Surgeon General, and to such other conditions as the Surgeon General may prescribe.

Any fellowship award made hereunder is subject to the regulations of the Department of Health, Education, and Welfare set forth in Title 45 CFR Parts 6 and 8, as amended. Such regulations shall apply to any activity for which fellowship funds are in fact used, whether within the scope of the fellowship as approved or otherwise. Appropriate measures shall be taken by the fellow, the sponsoring institution, and the Surgeon General to assure that no contracts, assignments, or other arrangements inconsistent with the fellowship obligation are entered into or continued and that all personnel involved in the supported activity are aware of and comply with such obligation. Laboratory notes, related technical data and information pertaining to inventions or discoveries shall be maintained for such periods, and filed with or otherwise made available to the Surgeon General or those whom he may designate at such times and in such manner as he may determine necessary to comply with such Department regulations.

§ 61.21 Interest.

Any interest earned through deposit or investment by the sponsoring institution of funds paid pursuant to the provisions of this subpart shall be paid to the United States as such interest is received by the sponsoring institution.

§ 61.22 Nondiscrimination.

Attention is called to the fact that funds paid to a sponsoring institution pursuant to § 61.11 in order to meet the expenses of the activities of a fellow are considered Federal financial assistance to such institution. The institution is thus subject in this respect to the prohibition against discrimination on the basis of race, color, or national origin imposed by Title VI, Civil Rights Act of 1964, and the implementing Regulation of the Department of Health, Education, and Welfare (45 CFR Part 80).
