PART 140—FINANCIAL PROTECTION REQUIREMENTS AND INDEMNITY AGREEMENTS

Change in the Amount of Financial Protection Required for Certain Reactors

On November 30, 1965, the Atomic Energy Commission published an amendment to 10 CFR Part 140, effective January 1, 1966, (1) increasing from $60 million to $74 million, the amount of financial protection required of licensees of facilities having a rated capacity of 100 electrical megawatts or more (who are required by statute to have and maintain financial protection in the maximum amount available from private sources) and (2) reducing the amount of indemnity extended by the Commission to such licensees by a like amount (30 F.R. 14779). Simultaneously with the publication of this amendment the Commission published a notice of proposed rule making (30 F.R. 14814) stating that it was considering whether to effect a proportional increase (approximately 23 percent) in the financial protection requirements for licensees of power or testing reactors having an authorized thermal power level in excess of one megawatt but having a rated electrical capacity less than 100 megawatts (licensees governed by application of the formula set forth in 10 CFR 140.12). Interested persons were invited to submit comments or suggestions within 60 days after publication of the notice.

After careful consideration of the comments received and other factors involved, the Commission has decided to adopt the amendments set forth below. The amendments would effect an increase of approximately 23 percent in the financial protection requirements for licensees governed by application of the formula set forth in 10 CFR 140.12. The increase would be proportional to the increase made effective January 1, 1966, for reactors having a rated capacity of 100 electrical megawatts or more.

Pursuant to the Atomic Energy Act of 1954, as amended, and the Administrative Procedure Act of 1946, the following amendments to Title 10, Chapter I, Code of Federal Regulations, Part 140, § 140.12, are published as a document subject to codification, to be effective sixty (60) days after publication in the FEDERAL REGISTER.

1. Section 140.12(a) is amended by deleting the words and figures "$3,500,000 or more than $60,000,000" and substituting therefor the words and figures "$4,500,000 or more than $74,000,000."

2. Section 140.12(b)(3) is amended by deleting "$150" and substituting therefor "$185."

Dated at Germantown, Md., this 22d day of May 1967.
