

Proclamation 3972
DECLARING A NATIONAL EMERGENCY
By the President of the United States of America

A Proclamation

WHEREAS certain employees of the Postal Service are engaged in an unlawful work stoppage which has prevented the delivery of the mails and the discharge of other postal functions in various parts of the United States; and

WHEREAS, as a result of such unlawful work stoppage the performance of critical governmental and private functions, such as the processing of men into the Armed Forces of the United States, the transmission of tax refunds and the receipt of tax collections, the transmission of Social Security and welfare payments, and the conduct of numerous and important commercial transactions, has wholly ceased or is seriously impeded; and

WHEREAS the continuance of such work stoppage with its attendant consequences will impair the ability of this nation to carry out its obligations abroad, and will cripple or halt the official and commercial intercourse which is essential to the conduct of its domestic business:

NOW, THEREFORE, I, RICHARD NIXON, President of the United States of America, pursuant to the powers vested in me by the Constitution and laws of the United States and more particularly by the provisions of Section 673 of Title 10 of the United States Code, do hereby declare a state of national emergency, and direct the Secretary of Defense to take such action as he deems necessary to carry out the provisions of the said Section 673 in order that the laws of the United States pertaining to the Post Office Department may be executed in accordance with their terms.

IN WITNESS WHEREOF, I have hereunto set my hand this 23rd day of March in the year of our Lord nineteen hundred and seventy, and of the Independence of the United States of America the one hundred and ninety-fourth.

SUBCHAPTER C—INTERSTATE TRANSPORTATION OF ANIMALS AND POULTRY

PART 76—HOG CHOLERA AND OTHER COMMUNICABLE SWINE DISEASES

Areas Quarantined

Pursuant to provisions of the Act of May 29, 1884, as amended, the Act of February 2, 1903, as amended, the Act of March 3, 1905, as amended, the Act of September 6, 1961, and the Act of July 2, 1962 (21 U.S.C. 111-113, 114g, 115, 117, 120, 121, 123-126, 134b, 134f), Part 76, Title 9, Code of Federal Regulations, restricting the interstate movement of swine and certain products because of hog cholera and other communicable swine diseases, is hereby amended in the following respects:

1. In § 76.2, subparagraph (e) (3) relating to the State of Georgia is amended to read:

(e) * * *

(3) Georgia. (i) Walton County.

(ii) That portion of Newton County bounded by a line beginning at the junction of the Newton-Rockdale County line and Interstate Highway 20; thence, following Interstate Highway 20 in a generally easterly direction to State Highway 12; thence, following State Highway 12 in a northeasterly direction to the Newton-Walton County line; thence, following the Newton-Walton County line in a generally northwesterly direction to the Newton-Rockdale County line; thence, following the Newton-Rockdale County line in a generally southwesterly direction to its junction with Interstate Highway 20.

2. In § 76.2, in subparagraph (e) (13) relating to the State of North Carolina, a new subdivision (vi) relating to Robeson County is added to read:

(e) * * *

(13) North Carolina. * * *

(vi) That portion of Robeson County bounded by a line beginning at the junction of State Highway 72 and Secondary Road 1003; thence, following Secondary Road 1003 in a southwesterly direction to U.S. Highway 74; thence, following U.S. Highway 74 in a northwesterly direction to Secondary Road 1153; thence, following Secondary Road 1153 in a northeasterly direction to Secondary Road 1312; thence, following Secondary Road 1312 in a southeasterly direction to Secondary Road 1352; thence, following Secondary Road 1352 in a northeasterly direction to Secondary Road 1339;

thence, following Secondary Road 1339 in a northeasterly direction to Secondary Road 1303; thence, following Secondary Road 1303 in a northeasterly direction to Secondary Road 1318; thence, following Secondary Road 1318 in a southwesterly direction to State Highway 72; thence, following State Highway 72 in a southeasterly direction to its junction with Secondary Road 1003.

(Secs. 4-7, 23 Stat. 32, as amended, secs. 1, 2, 32 Stat. 791-792, as amended, secs. 1-4, 33 Stat. 1264, 1265, as amended, sec. 1, 75 Stat. 481, secs. 3 and 11, 76 Stat. 130, 132; 21 U.S.C. 111, 112, 113, 114g, 115, 117, 120, 121, 123-126, 134b, 134f; 29 F.R. 6210, as amended)

Effective date. The foregoing amendments shall become effective upon issuance.

The amendments quarantine a portion of Robeson County, North Carolina because of the existence of hog cholera. This action is deemed necessary to prevent further spread of the disease. The restrictions pertaining to the interstate movement of swine and swine products from or through quarantined areas as contained in 9 CFR Part 76, as amended, will apply to such county.

The amendments also exclude a portion of Newton County, Ga., from the areas heretofore quarantined because of hog cholera. Therefore, the restrictions pertaining to the interstate movement of swine and swine products from or through quarantined areas as contained in 9 CFR Part 76, as amended, will not apply to the excluded area, but will continue to apply to the quarantined areas described in § 76.2. Further, the restrictions pertaining to the interstate movement from nonquarantined areas contained in said Part 76 will apply to the area excluded from quarantine.

Insofar as the amendments impose certain further restrictions necessary to prevent the interstate spread of hog cholera they must be made effective immediately to accomplish their purpose in the public interest. Insofar as they relieve restrictions, they should be made effective promptly in order to be of maximum benefit to affected persons.

Accordingly, under the administrative procedure provisions in 5 U.S.C. 553, it is found upon good cause that notice and other public procedure with respect to the amendments are impracticable, unnecessary, and contrary to the public interest, and good cause is found for making them effective less than 30 days after publication in the Federal Register.

Done at Washington, D.C., this 18th day of March 1970.

R. J. ANDERSON,
Acting Administrator,
Agricultural Research Service.
