Title 49—TRANSPORTATION

Chapter III—Federal Highway Administration, Department of Transportation

SUBCHAPTER B—MOTOR CARRIER SAFETY REGULATIONS

[Docket No. MC–7; Notice No. 70–211]

PART 391—QUALIFICATIONS OF DRIVERS

Drivers of Light-Weight Farm Vehicles

The American Farm Bureau Federation, the National Council of Farmer Cooperatives, and certain other individuals and groups representing farmers have filed petitions, asking the Director of the Bureau of Motor Carrier Safety to suspend the application of the provisions of Part 391 of the Motor Carrier Safety Regulations insofar as those provisions apply to drivers of motor vehicles operated on behalf of farmers. Upon consideration of those petitions, the Director has concluded that, while some relief is warranted, it would not be in the interest of safety to provide an indefinite suspension of the rules or to exempt drivers of the larger, and inherently more dangerous, motor vehicles. Therefore, he is granting a 6-month suspension of certain of the driver qualification rules applicable solely to drivers of light-weight vehicles used to transport farm produce from a farm or supplies to a farm. The temporary exemption is limited to rules which would otherwise first apply to farm vehicle drivers on January 1, 1971. However, no exemption is being granted with respect to any requirement that applied to farm vehicle drivers prior to that date, since there appears to be no hardship resulting from continuing the effectiveness of those provisions.

Since this amendment relieves a restriction and imposes no additional burden upon any person, notice and public procedure are unnecessary, and it is effective on January 1, 1971.

(Sec. 204, Interstate Commerce Act, 49 U.S.C. 304, sec. 6, Department of Transportation Act, 49 U.S.C. 1655; delegations of authority at 49 CFR 1.48 and 49 CFR 389.4)
