

association, of a national securities exchange or a registered national securities association, for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department, or association: *Provided, however*, That for the purpose of paragraph (a) (3) of this section, "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any securities subject to any lien or claim exempted by this paragraph.

Because the effect of the above described amendments would be to relax certain of the requirements of Rules 8c-1 and 15c2-1 under the Exchange Act, the Commission finds that, for good cause the notice and procedure specified in the Administrative Procedure Act, 5 U.S.C. 553, is unnecessary, and accordingly it adopts the foregoing amendments effective immediately.

Title 21—FOOD AND DRUGS

Chapter I—Food and Drug Administration, Department of Health, Education, and Welfare

SUBCHAPTER B—FOOD AND FOOD PRODUCTS

PART 121—FOOD ADDITIVES

Subpart C—Food Additives Permitted in Feed and Drinking Water of Animals or for the Treatment of Food-Producing Animals

3',4'-DICHLOROPROPIONANILIDE

A petition (FAP 0H2501) was filed with the Environmental Protection Agency by the Rohm and Haas Co., Philadelphia, Pa. 19105, proposing establishment of food additive tolerances for the combined residues of 3',4'-dichloropropionanilide and its metabolites in or on rice bran, rice polishings, and other milling fractions at 10 parts per million and in or on rice hulls at 6 parts per million, resulting from application of the subject herbicide to growing rice. Subsequently, the petitioner amended the petition by increasing the tolerance level requested on rice hulls to 10 parts per million.

3',4'-dichloropropionanilide qualifies both as a pesticide chemical and a food additive, as defined by the Federal Food,

Drug, and Cosmetic Act (sec. 201 (q) and (s), 68 Stat. 511, 72 Stat. 1784, 21 U.S.C. 321 (q) and (s)).

The Reorganization Plan No. 3 of 1970, published in the FEDERAL REGISTER of October 6, 1970 (35 F.R. 15623), transferred (effective December 2, 1970) to the Administrator of the Environmental Protection Agency the functions vested in the Secretary of Health, Education, and Welfare for establishing tolerances for pesticide chemicals under sections 406, 408, and 409 of the Federal Food, Drug, and Cosmetic Act, as amended (21 U.S.C. 346, 346a, and 348).

Having evaluated the data in the petition and other relevant material, it is concluded that the tolerances should be established.

Therefore, pursuant to provisions of the Act (sec. 409(c)(1), (4), 72 Stat. 1786; 21 U.S.C. 348(c)(1), (4)), the authority transferred to the Administrator (35 F.R. 15623), and the authority delegated by the Administrator to the Deputy Assistant Administrator for Pesticides Programs (36 F.R. 9038), Part 121 is amended by adding the following new section to Subpart C:

§ 121.336 3',4'-Dichloropropionanilide.

A tolerance of 10 parts per million is established for the combined residues of the herbicide 3',4'-dichloropropionanilide and its metabolites (calculated as 3',4'-dichloropropionanilide) in or on rice bran, rice hulls, rice polishings, and other milling fractions resulting from application of the herbicide to the growing raw agricultural commodity rice.

Any person who will be adversely affected by the foregoing order may at any time within 30 days after its date of publication in the FEDERAL REGISTER file with the Objections Clerk, Environmental Protection Agency, Room 3175, South Agriculture Building, 12th Street and Independence Avenue SW., Washington, D.C. 20460, written objections thereto in quintuplicate. Objections shall show wherein the person filing will be adversely affected by the order and specify with particularity the provisions of the order deemed objectionable and the grounds for the objections. If a hearing is requested, the objections must state the issues for the hearing. A hearing will be granted if the objections are supported by grounds legally sufficient to justify the relief sought. Objections may be accompanied by a memorandum or brief in support thereof.

Effective date. This order shall become effective on its date of publication in the FEDERAL REGISTER (1-5-71).

SUBCHAPTER C—DRUGS

PART 135e—NEW ANIMAL DRUGS FOR USE IN ANIMAL FEEDS

Ammonium Chloride, Feed Grade

The Commissioner of Food and Drugs has evaluated a supplemental new animal drug application (34-253V) filed by Allied Chemical Corp., Agricultural Division, 40 Rector Street, New York, NY 10006, proposing revised labeling regarding the safe and effective use of ammonium chloride as a feed grade product. The supplemental application is approved.

The order also provides for recodification of the regulation concerning ammonium chloride from Part 121 to Part 135e in accordance with § 3.517 (21 CFR 3.517).

Therefore, pursuant to provisions of the Federal Food, Drug, and Cosmetic Act (sec. 512(i), 82 Stat. 347; 21 U.S.C. 360b(i)), in accordance with § 3.517 (21 CFR 3.517), and under authority delegated to the Commissioner (21 CFR 2.120), Parts 121 and 135e are amended as follows:

1. Part 121 is amended in Subpart C by deleting § 121.312 *Ammonium chloride* which is being recodified into Part 135e.

(d) **Assay limits.** Finished feed must contain not less than 85 percent nor more than 115 percent of labeled amount.

(e) **Special considerations.** Maximum level permitted in medicated concentrate is 8 percent for administration to cattle and 6 percent for administration to sheep.

(f) **Conditions of use.** It is used as follows:

AMMONIUM CHLORIDE IN FEED OF CATTLE AND SHEEP

Title 24—HOUSING AND URBAN DEVELOPMENT

Chapter II—Office of the Assistant Secretary for Housing Production and Mortgage Credit—Federal Housing Commissioner [Federal Housing Administration]

[Docket No. R-71-118]

PART 200—INTRODUCTION

Subpart M—Affirmative Fair Housing Marketing Regulations

The purpose of these regulations is to promote a condition in which individuals of similar income levels in the same housing market area have available to them a like range of choices in housing regardless of the individuals' race, color, religion, or national origin.

Notice of a proposed amendment to 24 CFR Part 200 was published in the FEDERAL REGISTER on June 22, 1971 (36 F.R. 11869) and comments were received from interested persons and organizations. The Department determined that several significant changes should be made, and deemed it appropriate to republish the proposed regulations for further comment in the FEDERAL REGISTER on October 2, 1971 (36 F.R. 19320/21). Eighteen comments were received from interested persons and organizations and consideration has been given to each comment.

In response to the comments received, § 200.615 (a) and (b) has been reworded to clarify the basis for applicability of the regulations. Section 200.620(a) was changed to make it clear that the requirement for an affirmative marketing program for each multifamily project applies throughout the life of the mortgage as well as to initial sale or rental. Paragraph (e) of § 200.620 now makes it clear that Fair Housing materials must be displayed in all offices in which sale or rental activity pertaining to the project or subdivision takes place. Also in

response to comments received, § 200.625 was modified to provide that the form for the affirmative fair housing marketing plan be made available for public inspection at the sales or rental offices of the applicant.

A new § 200.640 was added to make it clear that compliance with this rule is in addition to any other requirements of Executive Order 11063 and title VIII of the Civil Rights Act of 1968.

Several minor changes were made for purposes of clarity and specificity, and an appendix has been added to specify the Equal Housing Opportunity logo, statement and slogan referenced in the rule.

Comments were received from several interested organizations suggesting that the regulations be made to apply to all housing, whether or not already in existence, and without regard to whether FHA programs are involved. While it is recognized that the recommendations have merit, they have not been incorporated in the final rule. These are the Department's initial regulations in the field of affirmative marketing, and the Department considers it appropriate to evaluate their efficacy with respect to the FHA subsidized and unsubsidized housing covered by the rule before determining whether to extend its applicability.

Accordingly, Part 200 of Title 24 is amended by including a new Subpart M to read as follows:

Subpart M—Affirmative Fair Housing Marketing Regulations

Sec.	
200.600	Purpose.
200.605	Authority.
200.610	Policy.
200.615	Applicability.
200.620	Requirements.
200.625	Affirmative fair housing marketing plan.
200.630	Notice of housing opportunities.
200.635	Compliance.
200.640	Effect on other requirements.

Appendix—Equal Housing Opportunity insignia.

AUTHORITY: The provisions of this Subpart M issued under section 7(d) of the Department of Housing and Urban Development Act of 1965, 42 U.S.C. 3535(d).

Subpart M—Affirmative Fair Housing Marketing Regulations

§ 200.600 Purpose.

The purpose of this subpart is to set forth the Department's equal opportunity regulations for affirmative fair housing marketing under FHA subsidized and unsubsidized housing programs.

§ 200.605 Authority.

The regulations in this subpart are issued pursuant to the authority to issue regulations granted to the Secretary by section 7(d) of the Department of Housing and Urban Development Act of 1965, 42 U.S.C. 3535(d), and implement the functions, powers, and duties imposed on the Secretary by Executive Order 11063, 27 F.R. 11527, and title VIII of the Civil Rights Act of 1968, Public Law 90-284, 42 U.S.C. 3608.

§ 200.610 Policy.

It is the policy of the Department to administer its FHA housing programs affirmatively, so as to achieve a condition in which individuals of similar income levels in the same housing market area have a like range of housing choices available to them regardless of their race, color, religion, or national origin. Each applicant for participation in FHA subsidized and unsubsidized housing programs shall pursue affirmative fair housing marketing policies in soliciting buyers and tenants, in determining their eligibility, and in concluding sales and rental transactions.

§ 200.615 Applicability.

The affirmative fair housing marketing requirements, as set forth in paragraphs (a) through (f) of § 200.620, shall apply to all applicants for participation in FHA subsidized and unsubsidized housing programs whose application is hereafter approved for development or rehabilitation of:

(a) Subdivisions, multifamily projects and mobile home parks of five or more lots, units or spaces; or

(b) Dwelling units, when the applicant's participation in FHA housing programs had exceeded or would thereby exceed development of five or more such dwelling units during the year preceding the application, except that there shall not be included in a determination of the number of dwelling units developed by an applicant those in which a single family dwelling is constructed or rehabilitated for occupancy by a mortgagor on property owned by the mortgagor and in which the applicant had no interest prior to entering into the contract for construction or rehabilitation.

§ 200.620 Requirements.

With respect to all FHA subsidized or unsubsidized programs in which the applicant hereafter participates (except for housing for which a conditional commitment has been issued prior to the effective date of these regulations), the applicant shall meet the following requirements or, if he contracts marketing responsibility to another party, be responsible for that party's carrying out the requirements:

(a) Carry out an affirmative program to attract buyers or tenants of all minority and majority groups to the housing for initial sale or rental. An affirmative marketing program shall be in effect for each multifamily project throughout

the life of the mortgage. Such a program shall typically involve publicizing to minority persons the availability of housing opportunities through the type of media customarily utilized by the applicant, including minority publications or other minority outlets which are available in the housing market area. All advertising shall include either the Department-approved Equal Housing Opportunity logo or slogan or statement and all advertising depicting persons shall depict persons of majority and minority groups.

(b) Maintain a nondiscriminatory hiring policy in recruiting from both minority and majority groups for staff engaged in the sale or rental of properties.

(c) Instruct all employees and agents in writing and orally in the policy of nondiscrimination and fair housing.

(d) Specifically solicit eligible buyers or tenants reported to the applicant by the Area or Insuring Office.

(e) Prominently display in all offices in which sale or rental activity pertaining to the project or subdivision takes place the Department-approved Fair Housing Poster and include in any printed material used in connection with sales or rentals, the Department-approved Equal Housing Opportunity logo or slogan or statement.

(f) Post in a conspicuous position on all FHA project sites a sign displaying prominently either the Department-approved Equal Housing Opportunity logo or slogan or statement.

§ 200.625 Affirmative fair housing marketing plan.

Each applicant for participation in FHA housing programs to which these regulations apply shall provide on a form to be supplied by the Department information indicating his affirmative fair housing marketing plan to comply with the requirements set forth in § 200.620. This form, once approved by HUD, will be available for public inspection at the sales or rental offices of the applicant.

§ 200.630 Notice of housing opportunities.

The Director of each Area and Insuring Office shall prepare monthly a list of all projects and subdivisions covered by this subpart on which commitments have been issued during the preceding 30 days. The Director shall maintain a roster of interested organizations and individuals, including public agencies responsible for providing relocation assistance and local housing authorities, desiring to receive the monthly list and shall provide the list to them.

§ 200.635 Compliance.

Applicants failing to comply with the requirements of this subpart will make themselves liable to sanctions authorized by regulations, rules or policies governing the program pursuant to which the application was made, including but not limited to denial of further participation in departmental programs and referral to the Department of Justice for suit by the United States for injunctive or other appropriate relief.

§ 200.640 Effect on other requirements.

The requirement for compliance with this part is in addition to and not in substitution for any other requirements imposed by or under Executive Order 11063 or title VIII of the Civil Rights Act of 1968.

Effective date. This part shall be effective February 25, 1972.

RICHARD C. VAN DUSEN,
Undersecretary, Department of
Housing and Urban Development.

[Docket No. R-71-159]

PART 222—SERVICEMEN'S MORTGAGE INSURANCE

Eligibility Requirements

In section 7(b) of Public Law 91-621, Section 222 of the National Housing Act was amended to permit the insurance of mortgages on dwellings owned by servicemen in the U.S. National Oceanic and Atmospheric Administration. The present amendment to Part 222 merely reflects this statutory change. Therefore, I find that notice and public procedure and a deferred effective date are unnecessary and contrary to the public interest.

Accordingly, Part 222 of Title 24 of the Code of Federal Regulations is amended as follows:

1. In § 222.2, paragraphs (a) and (d) are revised. As amended, 222.2 reads as follows:

§ 222.2 Definition of terms.

(a) "Secretary" shall mean the Secretary of Defense, or, in the case of the U.S. Coast Guard, the Secretary of Transportation, or, in the case of the U.S. National Oceanic and Atmospheric Administration, the Secretary of Commerce. "Secretary" shall also mean any officer or employee designated by the above-named Secretaries to issue certificates of eligibility and certificates of termination.

(d) "Period of ownership by serviceman," means that period of time during which a service branch is required to pay mortgage insurance premiums to the Federal Housing Commissioner, commencing with the date the Commissioner endorses a mortgage for insurance and terminating when the Secretary furnishes the Commissioner with a certificate indicating that the service branch will no longer be liable for payment of the insurance premiums to the Commissioner.

2. Section 222.50 is revised. As amended, § 222.50 reads as follows:

§ 222.50 Transfer of insurance.

The insurance of a mortgage pursuant to §§ 203.1 et seq. (Part 203, Subpart A); §§ 213.501 et seq. (Part 213, Subpart C); §§ 220.1 et seq. (Part 220, Subpart A); §§ 221.1 et seq. (Part 221, Subpart A); §§ 234.1 et seq. (Part 234, Subpart A); §§ 235.1 et seq. (Part 235, Subpart A); §§ 237.1 et seq. (Part 237, Subpart A); or §§ 809.1 et seq. (Part 809, Subpart C), all of this chapter, covering a single-family dwelling or a family unit in a condominium project may, with the approval of the Commissioner and upon the request by the mortgagee, be transferred for insurance under this subpart, if the mortgage indebtedness has been assumed by a serviceman who holds a certificate of eligibility issued by the Secretary and who becomes the owner of the property and either occupies the property or certifies that his failure to do so is the result of his military assignment, or, in the case of the Coast Guard or U.S. National Oceanic and Atmospheric Administration, other assignment.

3. In § 222.252, paragraph (a) is revised. As amended, § 222.252 reads as follows:

§ 222.252 Definition of terms.

(a) "Service branch" means the military service, Coast Guard, or U.S. National Oceanic and Atmospheric Administration of which the mortgagor is a member at the time of the issuance of a mortgage insurance certificate or the endorsement of the credit instrument by the Commissioner pursuant to section 222 of the National Housing Act.

(Sec. 7(b), 84 Stat. 1865; 12 U.S.C. 1715m)

Effective date. This amendment shall become effective on the date of its publication in the FEDERAL REGISTER (1-5-72).
