Title 12—Banks and Banking

CHAPTER II—FEDERAL RESERVE SYSTEM

SUBCHAPTER A—BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM

[Reg. D]

PART 204—RESERVES OF MEMBER BANKS

Marginal Reserve Requirements

The Board of Governors has amended its Regulation D so as to apply the 8 percent marginal reserve requirement to multiple maturity time deposits of \$100,000 or more; the amount of such deposits outstanding during the week ending May 16 will be included in a member bank's base for purposes of calculating the marginal reserve requirement. The Board's action was taken pursuant to its authority under section 19 of the Federal Reserve Act to set reserve ratios for member banks (12 U.S.C. 461).

There was no notice or public participation with respect to this amendment since such procedure would result in delay that would be contrary to the public interest and serve no useful purpose. See § 262.2(e) of the Board's rules of procedure, 12 CFR 262.2(e).

Effectively immediately, § 204.5(a) (1) (i) (b) and (2) (i) (b) of Regulation D is amended to read as set forth in §§ 204.5(a) (1) (ii) (b) and (c), and (2) (ii) (b) and (c), below. There was no deferred effective date with respect to this

<sup>1</sup>These incorporation by reference provisions were approved by the Director of the Federal Register on March 17, 1972 and May 4, 1973.

amendment, as provided in section 553 (d) of Title 5, United States Code, since this amendment recognizes an exemption or relieves a restriction. 5 U.S.C. 553(d) (1).

Effective August 30, 1973, § 204.5 (a) (1) (ii) (a) and (2) (ii) (a) of Regulation D is amended to read as set forth below.

On the effective dates stated above, § 204.5(a) (1) (ii) and (2) (ii) of Regulation D is amended to read as follows:

§ 204.5 Reserve requirements.

(a) *Reserve percentages.* Pursuant to the provisions of section 19 of the Federal Reserve Act and § 204.2(a) and subject to paragraph (c) of this section, the Board of Governors of the Federal Reserve System hereby prescribes the following reserve balances that each member bank of the Federal Reserve System is required to maintain on deposit with the Federal Reserve Bank of its district:

(1) If not in a reserve city—

(i) 3 percent of its other time deposits up to \$5 million, plus 5 percent of such deposits in excess of \$5 million: *Provided, however,* That a member bank shall maintain a reserve balance equal to 8 percent of the amount by which the daily average amount of time deposits of the types hereinafter specified exceeds either the daily average amount of such time deposits outstanding during the computation period ending May 16, 1973, or \$10 million, whichever is greater, and such 8 percent reserve percentage shall apply with respect to time deposits of the following types:

(a) Time deposits of \$100,000 or more; and

(b) Time deposits represented by promissory notes, acknowledgments of advance, due bills, or similar obligations issued by a member bank's affiliate, as provided in § 204.1(f);

(c) Time deposits represented by bank acceptances, as provided in § 204.1(f); and

(2) If in a reserve city (except as to any bank located in such a city that is permitted by the Board of Governors of the Federal Reserve System, pursuant to § 204.2(a) (2), to maintain the reserves specified in subparagraph (1) of this paragraph)—

(i) 3 percent of its other time deposits up to \$5 million, plus 5 percent of such deposits in excess of \$5 million: *Provided, however,* That a member bank shall maintain a reserve balance equal to 8 percent of the amount by which the daily average amount of time deposits of the types hereinafter specified exceeds either the daily average amount of such time deposits outstanding during the computation period ending May 16, 1973, or \$10 million, whichever is greater, and such 8 percent reserve percentage shall apply with respect to time deposits of the following types:

(a) Time deposits of \$100,000 or more; and

(b) Time deposits represented by promissory notes, acknowledgments of advance, due bills, or similar obligations issued by a member bank's affiliate, as provided in § 204.1(f); and

(c) Time deposits represented by bank acceptances, as provided in § 204.1(f); and

[Reg. Q]

PART 217—INTEREST ON DEPOSITS

Maximum Rates of Interest

The Board of Governors has amended its Regulation Q so as to remove the distinction between single maturity and multiple maturity time deposits with respect to the maximum rates of interest payable by member banks on such deposits. This action, which was taken pursuant to the Board's authority under section 19 of the Federal Reserve Act to prescribe rules governing the payment of interest on deposits, has the effect of removing interest rate ceilings on multiple maturity time deposits of \$100,000 or more, and on multiple maturity time deposits with maturities of 4 years or more in denominations of \$1,000 or more.

There was no notice, public participation, and deferred effective date with respect to this amendment because such procedure would result in delay that would be contrary to the public interest and serve no useful purpose. See § 262.2 (e) of the Board's rules of procedure, 12 CFR 262.2(e).

Effective immediately, § 217.7 of the Board's Regulation Q (12 CFR Part 217) is amended to read as follows:

§ 217.7 Maximum rates of interest payable by member banks on time and savings deposits.

Pursuant to the provisions of section 19 of the Federal Reserve Act and § 217.3, the Board of Governors of the Federal Reserve System hereby prescribes the following maximum rates<sup>1</sup> of interest per annum payable by member banks of the Federal Reserve System on time and savings deposits:

(a) *Time deposits with no maximum rate prescribed.* There is no maximum rate of interest presently prescribed (1) on any time deposit of \$100,000 or more, or (2) on any time deposit of \$1,000 or more with a maturity of 4 years or more.

<sup>1</sup>The limitations on rates of interest payable by member banks of the Federal Reserve System on time and savings deposits, as prescribed herein, are not applicable to any deposit which is payable only at an office of a member bank located outside the States of the United States and the District of Columbia.

(b) *Time deposits with maximum rates prescribed.* Except as provided in paragraph (a) of this section, no member bank shall pay interest on any time deposit at a rate in excess of the applicable rate under the following schedule:

Maturity	Maximum per cent
30 days or more but less than 90 days	5
90 days or more but less than 1 year	5½
1 year or more but less than 30 months	6
30 months or more	6½

(c) *Savings deposits.* No member bank shall pay interest at a rate in excess of 5 percent on any savings deposit.

By order of the Board of Governors,  
July 16, 1973.

Secretary of the Board.

Title 25—Indians

CHAPTER I—BUREAU OF INDIAN AFFAIRS, DEPARTMENT OF THE INTERIOR

SUBCHAPTER B—LAW AND ORDER

PART 11—LAW AND ORDER ON INDIAN RESERVATIONS

Exemption Allowing Use of Peyote on Navajo Reservation in Religious Services of Native American Church

The authority to issue regulations on Indian affairs is vested in the Secretary

The authority to issue regulations on Indian affairs is vested in the Secretary

of the Interior by 5 U.S.C. 301 and sections 463 and 465 of the Revised Statutes (25 U.S.C. 2 and 9).

Part 11, Subchapter B, Chapter I, of Title 25 of the Code of Federal Regulations is amended by revising § 11.87NH. This revision allows members of the Native American Church of North America to transport, sell, purchase, and possess peyote on the Navajo Reservation providing the peyote is to be used for religious services. The revision is made under the authority contained in section 463 of the Revised Statutes (25 U.S.C. 2).

This section is being revised at the request of the Navajo Tribal Council to conform to Tribal Council Resolution CO-65-67 which amended Tribal Council Resolution CJA-1-59 to grant the same exemption. Since the Navajo Tribal Council is the governing body having jurisdiction over the Navajo Reservation and the revision is only an administrative change being made to include an exemption already granted by the Tribal Council, advance notice and public procedure thereon is deemed unnecessary. Therefore, advance notice and public procedure are dispensed with under the exception provided in subsection (b) (B) of 5 U.S.C. 553 (1970).

Since this revision is an administrative change reflecting an exemption already granted by the governing body of the Navajo Tribe, the 30-day deferred effective date would cause unnecessary delay and is dispensed with under the exception provided in subsection (d) (3) of 5 U.S.C. 553 (1970). Accordingly, these regulations will become effective July 25, 1973.

As revised, § 11.87NH reads as follows:

§ 11.87NH Peyote violations.

Any Indian who shall introduce into the Navajo country, sell, use or have in his possession within said Navajo country, the bean known as peyote shall be deemed guilty of an offense and upon conviction thereof shall be sentenced to labor for a period not to exceed 9 months or a fine not to exceed \$100, or both; *Provided*, That it shall not be unlawful for any member of the Native American Church to transport into Navajo country, buy, sell, possess, or use peyote in any form in connection with the religious practices, sacraments or services of the Native American Church.

*Deputy Assistant Secretary of  
the Interior.*

SUBCHAPTER F—ENROLLMENT

PART 43h—PREPARATION OF A ROLL OF ALASKA NATIVES

Exceptions to Regulations

The general authority to issue regulations is vested in the Secretary of the Interior by 5 U.S.C. section 301, and sections 463 and 465 of the Revised Statutes (25 U.S.C. sections 2 and 9).

Under that authority the Secretary has issued 25 CFR 1.2, which permits him to waive or make exceptions to his regulations as found in Chapter I of Title 25 of the Code of Federal Regulations in all cases where permitted by law and the Secretary finds that such waiver or exception is in the best interest of the Indians. Pursuant to 25 CFR 1.2, I find it to be in the best interest of the Alaska Natives to authorize the exceptions to Part 43h which are set out in § 43h.13, which is hereby added to part 43h. These exceptions are necessary to permit the proper and timely completion of the roll of Alaska Natives. Specifically, exceptions are made in § 43h.13 to the protest provisions of § 43h.6, § 43h.7 and § 43h.8 in regard to applications processed on or after June 28, 1973, permitting regions and villages to appeal all decisions, save for those involving the applications of adopted persons, made on or after that date by the Coordinator, to enable final decisions to be made on applications within the time allowed by the Alaska Native Claims Settlement Act of December 18, 1971, 85 Stat. 688. Exceptions are also made in § 43h.13 to the notification requirements of § 43h.6(g) to preserve the confidentiality of information concerning adopted persons. Further, in view of the need to keep such information confidential, § 43h.13 also provides for an exception to the appeals permitted regions and villages in § 43h.8 with respect to decisions of the Coordinator on the applications of adopted persons, thus permitting only adopted persons to appeal from such decisions.

As the exceptions set forth in § 43h.13 are authorized under 25 CFR 1.2 and are necessary to permit the roll of Alaska Natives to be completed in accordance with the time requirements of the Alaska Native Claims Settlement Act of December 18, 1971, 85 Stat. 688, and to preserve the confidentiality of adoption records, advance notice and public procedure are deemed unnecessary and no benefits would be gained by deferring their effective date. Therefore, good cause exists and is so found that advance notice and public procedure and the 30-day deferred effective date or any other deferred effective date otherwise required by 5 U.S.C. section 553(b) and (d) should be dispensed with under the exceptions provided in subsections (b) (B) and (d) (3) of 5 U.S.C. section 553. Accordingly, § 43h.13 shall become effective July 25, 1973.

§ 43h.13 is added and it reads:

§ 43h.13 Exceptions to Regulations.

"The following exceptions, under authority of 25 CFR 1.2, are made to Part 43h.

(a) With respect to applications processed on or after June 28, 1973:

(1) The procedures respecting protests by regions and villages set out in § 43h.6, § 43h.7 and § 43h.8 will not be applied, and

(2) The requirement in § 43h.7 that a village or region must have protested in order to appeal will not apply to deci-

sions made on or after June 28, 1973, by the Coordinator, who will advise regions and villages of all such decisions and of their right to appeal therefrom;

(b) The notification provisions of 43h.6(g) of this section shall not be applied to the application of an adopted person, who is a person whose natural parents' parental rights with respect to him have been terminated by court order and given to others to exercise.

(c) Notwithstanding paragraph (a) (2) of this section, a decision of the Coordinator on the application of an adopted person, as defined in paragraph (b) of this section, will not be subject to the provisions of § 43h.8 which permit appeals by regions and villages, leaving such decision subject only to appeal by the adopted person.
