# List of CFR Parts Affected

The following numerical guide is a list of the parts of each title of the Code of Federal Regulations affected by documents published in today's issue. A cumulative list of parts affected, covering the current month to date, appears following the Notices section of each issue beginning with the second issue of the month. In the last issue of the month the cumulative list will appear at the end of the issue.

A cumulative guide is published separately at the end of each month. The guide lists the parts and sections affected by documents published since January 1, 1973, and specifies how they are affected.

## Title 7—Agriculture

### CHAPTER IX—AGRICULTURAL MARKETING SERVICE (MARKETING AGREEMENTS AND ORDERS; FRUITS, VEGETABLES, NUTS), DEPARTMENT OF AGRICULTURE

[Valencia Orange Reg. 449, Amdt. 1]

#### PART 908—VALENCIA ORANGES GROWN IN ARIZONA AND DESIGNATED PART OF CALIFORNIA

##### Limitation of Handling

This regulation increases the quantity of California-Arizona Valencia oranges that may be shipped to fresh market during the weekly regulation period September 14-20, 1973. The quantity that may be shipped is increased due to improved market conditions for California-Arizona Valencia oranges. The regulation and this amendment are issued pursuant to the Agricultural Marketing Agreement Act of 1937, as amended, and Marketing Order No. 908.

(a) Findings. (1) Pursuant to the marketing agreement, as amended, and Order No. 908, as amended (7 CFR Part 908), regulating the handling of Valencia oranges grown in Arizona and designated part of California, effective under the

applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674) and upon the basis of the recommendation and information submitted by the Valencia Orange Administrative Committee, established under the said amended marketing agreement and order, and upon other available information, it is hereby found that the limitation of handling of such Valencia oranges, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) The need for an increase in the quantity of oranges available for handling during the current week results from changes that have taken place in the marketing situation since the issuance of Valencia Orange Regulation 449 (38 FR 25431). The marketing picture now indicates that there is a greater demand for Valencia oranges than existed when the regulation was made effective. Therefore, in order to provide an opportunity for handlers to handle a sufficient volume of Valencia oranges to fill the current demand thereby making a greater quantity of Valencia oranges available to meet such increased demand, the regulation should be amended, as hereinafter set forth.

(3) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rule-making procedure, and postpone the effective date of this amendment until 30 days after publication thereof in the FEDERAL REGISTER (5 U.S.C. 553) because the time intervening between the date when information upon which this amendment is based became available and the time when this amendment must become effective in order to effectuate the declared policy of the act is insufficient, and this amendment relieves restriction on the handling of Valencia oranges grown in Arizona and designated part of California.

(b) Order, as amended. The provisions in paragraph (b) (1) (ii) of § 908.749 (Valencia Orange Regulation 449 (38 FR 25431)) are hereby amended to read as follows:

"(ii) District 2: 625,000 cartons."

(Secs. 1-19, 48 Stat. 31, as amended (7 U.S.C. 601-674).)

Dated September 19, 1973.

CHARLES R. BRADER,  
Acting Deputy Director, Fruit  
and Vegetable Division Agri-  
cultural Marketing Service.

### CHAPTER II—CIVIL AERONAUTICS BOARD

#### SUBCHAPTER A—ECONOMIC REGULATIONS

[Reg. ER-822]

#### PART 240—INSPECTION OF ACCOUNTS AND PROPERTY

##### Amendment of Part Due to Reorganization of Board Components

Adopted by the Civil Aeronautics Board at its office in Washington, D.C. A recent reorganization within the Board has resulted in the transfer of the Board's audit functions from the Bureau of Accounts and Statistics to the Bureau of Enforcement. In order to reflect this reorganization, we are deleting the reference to "the Field Audits Division, Bureau of Accounts and Statistics" which is contained in § 240.1(b) of our Economic Regulations (14 CFR Part 240).

Since the amendment provided for herein is of a technical nature, relating to a rule of agency organization, the Board finds that notice and public procedure hereon are not necessary, and that the amendment may be made effective immediately.

Accordingly, the Civil Aeronautics Board hereby amends section 240.1 of Part 240 of its Economic Regulations (14 CFR Part 240) effective September 18, 1973, as follows:

Amend § 240.1 by revising paragraph (b), the revised section to read in part as follows:

##### § 240.1 Interpretation.

(b) The term "special agent" and "auditor" are construed to mean any employee of the Bureau of Enforcement and any other employee of the Board specifically designated by it or by the Director, Office of Facilities and Operations.

(Sec. 204(a) of the Federal Aviation Act of 1958, as amended; 72 Stat. 743 (49 U.S.C. 1324).)

By the Civil Aeronautics Board.

Effective: September 18, 1973.

Adopted: September 18, 1973.

[SEAL] EDWIN Z. HOLLAND,  
Secretary.
