Title 3—The President

PROCLAMATION 4325

General Pulaski's Memorial Day, 1974

By the President of the United States of America

A Proclamation

On October 11, 1974, we will honor the 195th anniversary of the death of Casimir Pulaski, the selfless patriot who fought courageously for the cause of freedom both in Poland and in America. It was on October 11, 1779, that Pulaski gave his life for our young Republic, fatally wounded while leading a cavalry charge in the battle of Savannah.

Today, we pay grateful tribute to the heroic sacrifice of Casimir Pulaski. And as we do so, we also pay tribute to all Americans of Polish ancestry whose talents, energies, and devotion to freedom have contributed greatly to the growth of this Nation since the earliest days.

NOW, THEREFORE, I, GERALD R. FORD, President of the United States of America, do hereby designate Friday, October 11, 1974, as General Pulaski's Memorial Day and I direct the appropriate Government officials to display the flag of the United States on all Government buildings on that day.

I also invite the people of the United States to observe the day with appropriate ceremonies in honor of the memory of General Pulaski and his dedication to the defense of liberty.

IN WITNESS WHEREOF, I have hereunto set my hand this tenth day of October, in the year of our Lord nineteen hundred seventy-four, and of the Independence of the United States of America the one hundred ninety-ninth.

rules and regulations

This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents. Prices of new books are listed in the first FEDERAL REGISTER issue of each month.

Title 7—Agriculture

CHAPTER I—AGRICULTURAL MARKETING SERVICE (STANDARDS, INSPECTIONS, MARKETING PRACTICES), DEPARTMENT OF AGRICULTURE

SUBCHAPTER C—REGULATIONS AND STANDARDS UNDER THE AGRICULTURAL MARKETING ACT OF 1946

PART 53—LIVESTOCK, MEATS, PREPARED MEATS, AND MEAT PRODUCTS (GRADING, CERTIFICATION, AND STANDARDS)

Subpart A—Regulations

FEES FOR GRADING SERVICE

This document updates the regulations under which voluntary meat grading and related services are provided by increasing the hourly fees charged to users of this self-supporting service.

The Agricultural Marketing Act of 1946 provides for the collection of fees approximately equal to the cost of Federal meat grading services rendered under its provisions. Salaries paid to Federal employees have been increased under the provisions of Pub. L. 92-210. Additionally, a change in Government policy requires that Federal agencies be charged directly for federally-owned office space which had previously been provided without charge. Therefore, it has been determined that in order to cover the increased cost of Federal meat grading services resulting from increases in salaries paid to Federal employees and increases in rent and operating costs, the hourly fee must be increased as provided herein.

§ 53.29 [Amended]

The provisions of 7 CFR 53.29(a) prescribing fees in connection with the performance of Federal meat grading services are hereby amended by changing the phrases "\$13.80 per hour," "\$16.00 per hour," and "\$27.60 per hour" to "\$14.60 per hour," "\$17.60 per hour," and "\$29.20 per hour," respectively.

The need for the increase and the amount thereby are dependent upon facts within the knowledge of the Agricultural Marketing Service. Therefore, under the provisions of 5 U.S.C. 553, it is found that notice and other public procedures with respect to this amendment are impractical and unnecessary and good cause is found to make the amendment effective less than 30 days after publication in the FEDERAL REGISTER.

This amendment shall become effective November 3, 1974, with respect to all Federal meat grading services rendered on and after that date, including service under commitment agreement whether heretofore or hereafter made.

Unauthorized distribution of materials such as pamphlets, handbills, and flyers is prohibited.

Nothing contained in these rules and regulations shall be construed to abrogate any other Federal laws or regulations, or any State and local laws and regulations, applicable to the PIADC.

Effective date. This part shall become effective on October 11, 1974.

It does not appear that public participation in this rulemaking proceeding would make additional relevant information available to this department. (36 FR 13804)

The urgency of the need for adequate security at the Plum Island Animal Disease Center is such that these regulations should be made effective as soon as possible. Accordingly, under administrative procedure provisions in 5 U.S.C. 553, it is found upon good cause that notice and other public procedure with respect to these regulations are impracticable and unnecessary, and good cause is found for making them effective less than 30 days after publication in the *FEDERAL REGISTER*.

CHAPTER VII—AGRICULTURAL STABILIZATION AND CONSERVATION SERVICE (AGRICULTURAL ADJUSTMENT), DEPARTMENT OF AGRICULTURE

SUBCHAPTER B—FARM MARKETING QUOTAS AND ACREAGE ALLOTMENTS

[Amdt. 4]

PART 729—PEANUTS

Subpart—Regulations for Determination of Acreage Allotments and Marketing Quotas for 1972 and Subsequent Crops of Peanuts

This amendment of the allotment and marketing quota regulations for peanuts of the 1972 and subsequent crops is issued pursuant to the Agricultural Adjustment Act of 1938, as amended (7 U.S.C. 1281 et seq.).

(1) Section 729.12 is amended to provide that a preliminary peanut allotment shall not be established for a farm if the county committee determines that the cropland on the farm has been retired from agricultural production.

(2) Section 729.19(b) (2) is revised to provide that the farm operator shall not

be eligible for a new grower allotment if he has any ownership interest in any other farm.

(3) Section 729.22(g) is added to provide that when the farm's basic allotment is reduced to zero for a violation of the peanut marketing quota regulations, no allotment may be reapportioned to such farm for the current year.

(4) Section 729.26(d) is revoked to remove the provision that the actual or facsimile signature of the county committee be affixed on notices of acreage allotment.

(5) Section 729.32(a) is amended to provide that peanuts marketed from a within quota marketing card are ineligible for price support if such card is marked "Ineligible for Price Support", and (c) is added to provide that when an operator is in violation of § 1446.13 of Part 1446 of the regulations, the county committee shall notify the operator to return all his marketing cards to the county office to be stamped "Ineligible for Price Support", and any peanuts marketed from a farm represented by such card shall be ineligible for price support.

(6) Section 729.43(b) (3) is amended to establish the basic penalty rate for the 1974 crop of peanuts.

(7) Section 729.58(a) is amended to exclude the notation on the peanut marketing card by the buyer or the Federal State Inspector.

(8) Section 729.65 is amended by changing the reference "Office of Inspector General" to "Office of Investigation".

(9) Section 729.69(a) (1) is amended to provide that the witnessing of signatures for transfers is not required if the producers may be unduly inconvenienced, (e) (2) is revised to make clear that the irrigation adjustment is applicable if any part of the peanut acreage on the receiving farm is irrigated, and (v) is added to provide that when a farm's basic peanut allotment is reduced to zero for a violation of the peanut marketing quota regulations, no allotment may be transferred to the farm for the current year.

The marketing of peanuts of the 1974 crop is underway and it is essential that producers and buyers know the provisions of this amendment as soon as possible. Accordingly, it is hereby determined that compliance with the notice, public procedure, and effective date provisions of 5 U.S.C. 553 is unnecessary, impracticable, and contrary to the public interest, and this document shall become effective upon the date of publication in the *FEDERAL REGISTER*.

The regulations for determination of acreage allotments and marketing quotas for 1972 and subsequent crops of peanuts (37 FR 2645, 3629, 23413, 28124, 39 FR 10883) are amended as follows:

1. The first paragraph of § 729.12 is amended to read as follows:

§ 729.12 Determination of preliminary allotment.

For each old farm the county committee shall determine a preliminary allotment for the current year: *Provided*, That no preliminary allotment will be established for a farm when the county
