

on a map which shall be available at the office of the Superintendent, or both.

(d) In recreational areas, the use of bicycles is permitted unless restricted by posted signs or by marking on a map which shall be available at the office of the Superintendent, or both.

Section 4.19 is amended to read as follows:

§ 4.19 Travel on roads and designated routes.

(a) *Natural and historical areas.* In natural and historical areas, the use of motor vehicles outside of established public roads or parking areas is prohibited.

(b) *Recreational areas.* (1) In recreational areas, the use of motor vehicles outside of established public roads or parking areas is prohibited, except in areas and on routes designated by the Superintendent by the posting of appropriate signs or by marking on a map which shall be available at the office of the Superintendent, or both. In determining whether to designate an area or route outside of established public roads or parking areas for general motor vehicle use, or for use of particular types of motor vehicles, the Superintendent shall be guided by the criteria contained in sections 3 and 4 of E.O. 11644 (37 FR 2877) and shall also consider factors such as other visitor uses, safety, wildlife management, noise, erosion, geography, whether, vegetation, resource protection, and other management considerations. Prior to making a final decision to designate an area or route for such use notice of such intention shall be published in the FEDERAL REGISTER, and the public shall be provided a period of 30 days to comment on the proposed designation.

(2) Even though an area or route outside of an established public road or parking area has been established as open for motor vehicle use in accordance with paragraph (b) (1) of this section, the Superintendent may temporarily or permanently close or restrict the use of the areas and routes designated for use of motor vehicles, or close or restrict such areas or routes to the use of particular types of motor vehicles by the posting of appropriate signs or by marking on a map which shall be available at the office of the Superintendent, or both. In determining whether to close or restrict the use of areas and routes under this paragraph, the Superintendent shall be guided by the criteria contained in sections 3 and 4 of E.O. 11644 (37 FR 2877), and shall also consider factors such as other visitor uses, safety, wildlife management, noise, erosion, geography, weather, vegetation, resource protection, and other management considerations. Prior to making a final decision on permanent closure of an area or route, notice of such intention shall be published in the FEDERAL REGISTER and the public shall be provided a period of 30 days to comment.

(c) *Vehicle suitability.* (1) Operating a motor vehicle other than a wheeled vehicle equipped with pneumatic tires is prohibited: *Provided*, That operating a

track-laying vehicle or a vehicle equipped with a similar traction device is permitted in dry sand or marsh areas on routes designated by the Superintendent for use of such vehicles pursuant to paragraph (b) (1) of this section.

(2) The operation of a motor vehicle that will damage or be likely to damage the surface of the road or route, beyond wear and tear normally caused by the pneumatic tires or track with which it is equipped, is prohibited.

(3) Paragraph (c) (1) and (2) of this section shall not be construed to prohibit the use, on established roads or parking areas, of ordinary detachable tire or skid chains, stud tires, or comparable safety devices under adverse road conditions.

(d) A Superintendent, by the posting of appropriate signs or by marking on a map which shall be available in the office of the Superintendent, may require that a motor vehicle, or a particular class of motor vehicle, operated off established roads and parking areas, shall be equipped with a spark arrestor that meets Standard 5100-1a of the Forest Service, U.S. Department of Agriculture, which standard includes the requirement that such spark arrestor shall have an efficiency to retain or destroy at least 80 percent of carbon particles for all flow rates, and which includes a requirement that such spark arrestor has been warranted by its manufacturer as meeting the above-mentioned efficiency requirement for at least 1,000 hours, subject to normal use, with maintenance and mounting in accordance with the manufacturer's recommendation.

(e) A motor vehicle operated off established roads and parking areas, from a half-hour after sunset to a half-hour before sunrise, shall be equipped with lighted headlights and taillights which comply with the laws and regulations for operation on the roads of the State within whose exterior boundaries the park area or portion thereof is located.

Section 4.21 is added to read as follows:

§ 4.21 Brakes.

A motor vehicle shall be equipped with brakes in good working order in accordance with the laws and regulations for operation on the roads of the State within whose exterior boundaries the park area or portion thereof is located.

PART 7—SPECIAL REGULATIONS, AREAS OF THE NATIONAL PARK SYSTEM

Section 7.20 (a) (1) (ii), (2) (4), and (4) (i), (iv), and (v) are amended to read as follows:

§ 7.20 Fire Island National Seashore.

(a) *Operation of motor vehicles*—(1)

Definitions. * * *

(i) Reserve. * * *

(2) Permits. * * *

(iv) No permits shall be issued for any motor vehicle not equipped in accordance with applicable regulations in §§ 4.12, 4.19, and 4.21 of this chapter.

(4) *Rules of travel.* (i) When two motor vehicles approach from opposite directions in the same track both operators shall reduce speed and the operator with the water to his left shall yield the right-of-way by turning out of the track to the right.

(iv) [Revoked]

(v) [Revoked]

Section 7.67(c) is amended to read as follows:

§ 7.67 Cape Cod National Seashore.

(c) *Private oversand vehicle operation.* (1) Operation of privately owned passenger vehicles not for hire, including the various forms of vehicles used for travel over sand, such as, but not limited to "beach buggies," on designated oversand routes or beaches in the park area without a permit, is prohibited. Such permits will be issued provided that each vehicle is equipped in accordance with applicable regulations in §§ 4.12, 4.19, and 4.21 of this chapter: *And provided*, That the vehicle contains the following equipment to be carried in the vehicle at all times while on the beaches or designated oversand routes:

(i) Shovel,

(ii) Jack,

(iii) Tow rope or chain,

(iv) Board or similar support for jack.

(v) Low pressure tire gauge.

In addition, operators must show that all applicable Federal and State regulations having to do with licensing, registering, inspecting, and insuring of such vehicles have been complied with prior to issuance of the permit. Such permits are to be affixed to the vehicles as instructed at the time of issuance.

§ 7.71 [Amended]

In section 7.71 paragraph (b) is deleted.

Dated: March 15, 1974.

CHAPTER 9—ATOMIC ENERGY COMMISSION

PART 9-5 SPECIAL AND DIRECTED SOURCES OF SUPPLY

Subpart 9-5.50 Use of Excess Materials From GSA Inventories

MISCELLANEOUS AMENDMENTS

The revision of AECPR Subpart 9-5.50, Use of Excess Materials From GSA Inventories, is being made in order to update the requirements concerning the use by Government and prime contractors of excess strategic and critical materials.

1. Subpart 9-5.50, Use of Excess Materials From GSA Inventories, is revised as follows:

§ 9-5.5001 Use of excess materials from General Services Administration inventories.

(a) It is the policy of the AEC to comply with the provisions of the Federal Property Management Regulations Part

101-14, Strategic Critical and Other Material, as supplemented from time to time by FPMR Bulletins.

(b) Section 3.0 of Defense Mobilization Order 8600.1B, dated April 11, 1973, provides that "Under such policies and procedures as the Administrator of General Services may prescribe, Government agencies which directly or indirectly use strategic and critical materials shall fulfill their requirements through the use of materials in Government inventories that are excess to the needs thereof."

(c) AEC offices shall fulfill their requirements for strategic and critical materials through use of the excess strategic and critical materials in the GSA inventories.

(d) Contracting officers shall require their cost-type contractors, which use strategic and critical materials, to fulfill their requirements through the use of the excess strategic and critical materials in the GSA inventories.

(e) General Services Administration (ANSI), Washington, D.C. 20405, should be contacted directly for any detailed information concerning specifications, prices, and method of placing the order.

(Section 161 of the Atomic Energy Act of 1954, as amended, 68 Stat. 948, 42 U.S.C. 2201; Section 205 of the Federal Property and Administrative Services Act of 1949, as amended, 63 Stat. 390, 40 U.S.C. 486.)

Effective date. This amendment is effective April 1, 1974.

For the U.S. Atomic Energy Commission.

Dated at Germantown, Maryland this 26th day of March, 1974.

CHAPTER 105—GENERAL SERVICES ADMINISTRATION

PART 105-61—PUBLIC USE OF RECORDS, DONATED HISTORICAL MATERIALS, AND FACILITIES IN THE NATIONAL ARCHIVES AND RECORDS SERVICE

Miscellaneous Amendments

This regulation amends Part 105-61 to include a definition of Federal records centers and updated addresses and to permit directors of research facilities to admit researchers under the age of 16 unaccompanied by an adult researcher. The regulations governing the reproduction of records by GSA and researchers are clarified. NARS conference rooms are included as public use facilities. The regulations governing document photographing in the National Archives Building and in Presidential libraries are revised to designate areas for photographing, light sources, and the use of facsimiles.

The table of contents for Part 105-61 is amended by deleting §§ 105-61.306-1 through 105-61.306-4 and by adding the following sections:

- 105-61.001-7 Federal records centers.
- 105-61.301 Facilities in the National Archives Building.
- 105-61.302-1 General.
- 105-61.302-2 Photographing documents in exhibit areas.
- 105-61.302-3 Artificial lighting.
- 105-61.304 The National Archives Theater and conference rooms.
- 105-61.305-5 Photographing documents.
- 105-61.306 Conference rooms in Federal records centers.
- 105-61.307 General conditions governing use of all facilities.

Section 105-61.001-7 is added as follows:

§ 105-61.001-7 Federal records centers.

"Federal records centers" includes the Washington National Records Center, National Personnel Records Center, two regional Federal records centers, and 11 Federal archives and records centers listed in § 105-61.4801 (e) through (i).

Subpart 105-61.1—Public Use of Archives and FRC Records

1. Section 105-61.101-1(d) is revised and § 105-61.101-3 is amended as follows:

§ 105-61.101-1 General.

(d) A director will require that researchers under the age of 16 years be accompanied by an adult researcher who agrees in writing to be present when the records are used and to be responsible for compliance with the research room rules set forth in § 105-61.103. The director may make exceptions to the above under certain circumstances.

§ 105-61.101-3 Application procedures.

(a) In advance of applying for the use of records, a prospective researcher is encouraged to determine from the appropriate depository whether the records are available and whether their volume is sufficient to warrant a personal visit in lieu of reproduction.

(b) Applicants shall apply in person at the depository that has custody of the records sought and shall furnish, on a form provided for the purpose, information necessary for registration and for determining which records will be made available. Applicants shall furnish proper identification, and, if applying for access to large quantities of records or to records that are specially fragile or valuable, shall upon request furnish a letter of reference or introduction.

2. Section 105-61.105 is revised as follows:

§ 105-61.105 Copying services.

The copying of records will be done by personnel of the National Archives and Records Service with equipment belonging to the Service. GSA reserves the right to make a duplicate, at GSA expense, of any material copied. Such duplicates may be used by the Service to make additional copies for other researchers.

Directors may permit individual researchers to use their own copying equipment when such use will not harm the records, will not disturb other researchers, and will not require the use of facilities or space other than that provided to all researchers.

Subpart 105-61.3—Public Use of Facilities of the National Archives and Records Service

1. Sections 105-61.301 and 105-61.302 are revised as follows:

§ 105-61.301 Facilities in the National Archives Building.

Facilities in the National Archives Building include the Exhibition Hall, library, theater, and conference rooms as further described in this subpart. Additional conditions for use of these facilities are set out in § 105-61.307.

§ 105-61.302 The National Archives Exhibition Hall.

§ 105-61.302-1 General.

Unless otherwise directed by the Archivist of the United States, visitors are admitted to the Exhibition Hall on Sundays from 1 p.m. to 10 p.m.; and from 9 a.m. to 10 p.m., Monday through Saturday and holidays except during winter months (first Monday in October through the first Sunday in March) when the Exhibition Hall is closed at 6 p.m. The building is closed on Christmas Day and New Year's Day. Visitors are admitted only through the Constitution Avenue entrance. However, the guards are authorized to admit handicapped visitors to the Exhibition Hall through the Pennsylvania Avenue entrance and the Main Floor gates.

§ 105-61.302-2 Photographing documents in exhibit areas.

Photographing documents or exhibits in the Exhibition Hall, the Pennsylvania Avenue lobby, or any other exhibit area in the National Archives Building is permitted without artificial light sources at any time. However, photographs may not be taken on the steps or landing leading to the Declaration of Independence, the Constitution, and the Bill of Rights.

§ 105-61.302-3 Artificial lighting.

Artificial light devices may be used with prior approval of the Director, Education Division (NEE), when filming documents in public areas of the National Archives Building subject to the following restrictions:

(a) Facsimiles shall be used to replace the Declaration of Independence, the Constitution, or the Bill of Rights if artificial lighting is to be used. When high intensity lighting is used, all documents that fall within the boundaries of such illumination must be covered or replaced by facsimiles.

(b) Ladders, scaffolding, and tripods may be used after normal hours, but must be kept at a distance greater than the height of the equipment.

(c) Auxiliary power units may be used. Existing lights will not be replaced by higher wattage or intensity lights. A GSA

electrician must be present at all times whenever there is a change to the normal power supply. Organizations who film after regular hours will be billed for the electrician's time.

2. Section 105-61.304 is amended as follows:

§ 105-61.304 The National Archives Theater and conference rooms.

§ 105-61.304-1 Purpose of use.

The theater in the National Archives Building was designed and will be used primarily for furnishing reference services on the motion picture holdings of the National Archives. Conference rooms in the National Archives Building will be used for conferences and official meetings. When not required for such uses, conference rooms may be assigned to other organizations. Application for use of a room will be approved only if the purpose for which it is requested is educational or is related to the programs of the National Archives and Records Service. The theater and conference rooms shall not be used to promote commercial enterprises or commodities, for political, sectarian, or similar purposes, or for meetings sponsored by profitmaking organizations. Use of the theater and conference rooms will not be authorized for any organization or group of individuals that engages in discriminatory practices proscribed in the Civil Rights Act of 1964 (42 U.S.C. 2000a, note).

§ 105-61.304-2 Application for use.

(a) Applications for use of the theater and conference rooms shall be submitted in writing by the head of the requesting organization, or his duly authorized representative, at least 1 week in advance of the requested use. Applications for use shall be addressed to General Services Administration (NA), Washington, DC 20408, and shall include the following information:

- (1) The name of the requesting organization;
- (2) The date and the hours of contemplated use;
- (3) A brief description of the programs;
- (4) The number of persons expected to attend the meeting or performance (The capacity of the theater is 216 persons; conference rooms accommodate between 35 and 70 persons.);
- (5) A statement regarding the intention to exhibit motion pictures or slides and, if so, the size (35mm or 16mm) of the film or slides, and whether the film to be shown is on nitrate or safety base; and

(e) The serving or consumption of food or beverages within the theater is prohibited. Food or beverages may be served in the conference rooms if approved in advance.

(f) Smoking within the theater is prohibited. Smoking is permitted in the conference rooms.

(i) All persons attending meetings or performances will be required to go di-

rectly to the theater, which is on the fifth floor, or to the assigned conference room. No one will be admitted to the parts of the building that are closed to the public.

3. Section 105-61.305-5 is added as follows:

§ 105-61.305-5 Photographing documents.

(a) Visitors are permitted to take photographs in Presidential libraries and adjacent buildings open to the public, subject to restrictions set forth in paragraph (c) of this section.

(b) Photographs for news, advertising, or commercial purpose may be taken only after the Presidential library director approves the request.

(c) Artificial light devices shall not be used anywhere in a Presidential library where such use may cause damage to documents. Persons desiring to use photolithening devices shall request special permission from the director of the Presidential library concerned and shall follow procedures prescribed in § 105-61.302-3(c).

4. Section 105-61.306 is revised and § 105-61.307 is added as follows:

§ 105-61.306 Conference rooms in Federal records centers.

(a) Conference rooms in Federal records centers will be used for official meetings and for conferences sponsored by the Federal records centers. When not required for such use, assignments for other purposes may be made. Application for such use will be approved only if the purpose for which it is requested is educational or is related to the programs of the National Archives and Records Service. Applications for such use shall be made to the Federal records center director.

(b) Use of the conference rooms will not be authorized for any profitmaking, political, sectarian, or similar purpose or for any organization or group that engages in discriminatory practices proscribed in the Civil Rights Act of 1964 (42 U.S.C. 2000a, note).

§ 105-61.307 General conditions governing use of all facilities.

All persons using the facilities in the National Archives Building, Presidential libraries, and Federal records centers are subject to the regulations applicable to conduct on Federal property, as specified in Subpart 101-19.3.

Subpart 105-61.48—Exhibits

Section 105-61.4801 is amended as follows:

CHAPTER XIII—OFFICE OF HUMAN DEVELOPMENT, DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE

PART 1350—JUVENILE DELINQUENCY PREVENTION PROGRAMS AND ACTIVITIES

Final Regulations

These regulations implement the Juvenile Delinquency Prevention Act, Pub-

lic Law 92-381, approved August 14, 1972, which authorizes programs and activities for the prevention of juvenile delinquency.

These regulations will replace those in Part 270 of this title established for Public Law 90-445, the Juvenile Delinquency Prevention and Control Act of 1968. Title I of Public Law 92-381 provides for grants for the establishment of coordinated youth services, systems for the prevention of delinquency. Titles II, III, and IV (Training, Technical Assistance and Information Services, Administration) are essentially the same as those in Public Law 90-445, with the exception that the entire focus of Public Law 92-381 is on prevention of delinquency rather than on rehabilitation.

On July 20, 1973 there was published in the FEDERAL REGISTER (38 FR 19406), a notice of proposed rule making which set forth the requirements for grants under this Act.

Interested persons were given the opportunity to submit within 30 days comments, suggestions or objections pertaining to the proposed regulations. The few comments received were taken into consideration, with § 1350.15(10) added, regarding standards and licensing of services and facilities.

The regulations as set forth below, therefore, are issued as originally published and without substantive change, save for changes necessitated by the provisions of 45 CFR Part 74, Administration of Grants, establishing uniform administrative requirements and cost principles to bring the regulations into conformity with Office of Management and Budget Circular No. A-102, and with Office of Management and Budget Circular No. A-95 relative to project notification and review system requirements to facilitate coordinated planning on an intergovernmental basis.

The provisions of OMB Circular No. A-95, for evaluation, review and coordination of Federal and federally assisted programs and projects shall apply to all grants under this part to State and local governments.

The provisions of 45 CFR Part 74 shall apply to all grants under this part to State and local governments as those terms are defined in subpart A of that Part 74. The relevant provisions of certain designated subparts of Part 74 shall also apply to all other grantee organizations under this part.

Effective date. Since the modifications do not involve any changes of a substantive nature from the provisions which were published in the FEDERAL REGISTER on July 20, 1973, as proposed rule making, these regulations shall become effective on April 1, 1974, except for any portions which have become effective by operation of law.

Upon the promulgation of these regulations, guidelines will be issued by the Commissioner of the Office of Youth Development. These guidelines will be designed to provide the additional guidance necessary to assure implementation of

this program in conformity with the Act and the regulations.

Federal financial assistance extended under Part 1350 is subject to the regulations in 45 CFR Part 80, issued by the Secretary of Health, Education, and Welfare, and approved by the President, to effectuate the provisions of section 601 of the Civil Rights Act of 1964 (42 U.S.C. 2000d).

Federal financial assistance provided under Part 1350 to any education program or activity is subject to the provisions of Title IX of the Education Amendments of 1972 (20 U.S.C. 1681-1683, 1685-1686), and any regulations thereunder.

Code of Federal Regulations Title 45, Chapter 2, § 204.1 will be amended at a later date by the Social and Rehabilitation Service of the Department of Health, Education, and Welfare. It is therefore not contained in these final regulations.

Dated: January 14, 1974.

STANLEY B. THOMAS, Jr.,
Assistant Secretary
for Human Development.

Approved: March 26, 1974.

CASPAR W. WEINBERGER,
Secretary.

(Catalog of Federal Domestic Assistance Program No. 13.764, Youth Development and Delinquency Prevention.)

Title 45 of the Code of Federal Regulations is amended as set forth below:

1. Part 270 of Chapter II is revoked.

2. Chapter XIII is amended by changing the heading thereof, as set forth above, and by adding a new Part 1350, as set forth below:
