

[Airspace Docket No. 74-SO-50]

Compliance required as indicated, unless already accomplished. Propellers with more than 1000 hours in service, excepting those with replacement blades having less than 1000 hours in service, as of the effective date of this Airworthiness Directive are excluded. Also, the following propellers having the serial numbers listed below are excluded:

Propeller model	Serial No.
HC-B3TN-2	AG-275 and above.
HC-B3TN-3	BU-4624 and above.
HC-B3TN-5	BV-2210, BV-2213, BV-2214, BV-2216 and above.
HC-B3TN-7	CV-7 and above.
HC-B3TF-7	EX-3 and above.
HC-B4TN-3	EA-255 and above.
HC-B4TN-5	CD-62 and above.

To detect blade cracks and prevent possible blade failures, accomplish the following:

(a) Propellers with less than 950 hours in service since new as of the effective date of this Airworthiness Directive must be inspected in accordance with paragraph (e), within the next 50 hours time in service.

(b) Propellers with 950 hours in service, but not more than 1000 hours in service as of the effective date of this Airworthiness Directive must be inspected in accordance with paragraph (e) prior to the accumulation of 1000 hours in service.

(c) Propellers whose total hours in service are unknown will be assumed to have less than 950 hours in service since new and thus must be inspected in accordance with the requirements of paragraph (a).

(d) In the event propellers with more than 1000 hours in service are equipped with replacement blades which have less than 1000 hours in service, such propeller blades must be inspected in accordance with the requirements of paragraphs (a) or (b), as applicable contingent upon the time in service of the replacement blades.

(e) Inspect blades for cracks or defects in accordance with Hartzell Bulletin No. 105 dated May 22, 1974, or later Federal Aviation Administration approved revision, or an equivalent procedure approved by the Chief, Engineering and Manufacturing Branch, Great Lakes Region. Replace any cracked or defective blades before further flight with blades to which this Airworthiness Directive does not apply, or have been inspected in accordance with this Airworthiness Directive and found satisfactory.

(f) Upon request of the operator a Federal Aviation Administration Maintenance Inspector, subject to prior approval of the Chief, Engineering and Manufacturing Branch, Federal Aviation Administration Great Lakes Region, may adjust the compliance time specified in paragraph (b), if the request contains substantiating data to justify the adjustment for that operator.

This amendment becomes effective as of July 2, 1974.

This amendment is made under the authority of sections 313(a), 601, and 603 of the Federal Aviation Act of 1958 (49 U.S.C. 1354(a), 1421, and 1423) and section 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in Des Plaines, Illinois on June 18, 1974.

PART 71—DESIGNATION OF FEDERAL AIRWAYS, AREA LOW ROUTES, CONTROLLED AIRSPACE, AND REPORTING POINTS

Alteration of VOR Federal Airway

The purpose of this amendment to Part 71 of the Federal aviation regulations is to amend the description of V-278 between Monticello, Ark., and Greenwood, Miss., to include Greenville, Miss. Since the present centerline of V-278 overlies the Greenville VOR, the realignment will be negligible.

The Federal Aviation Administration plans to initiate approach control service at the Greenville Airport in the near future and this realignment would aid traffic flow and air traffic control procedures in the Greenville terminal area.

Since this amendment makes only a slight change to the airway alignment, it is minor in nature and one upon which the public would not have particular reason to comment, and notice and public procedure thereon are unnecessary. This amendment could become effective upon publication in the Federal Register, but to provide sufficient time for the alteration to be placed on aeronautical charts, it will become effective more than 30 days after publication.

In consideration of the foregoing, Part 71 of the Federal Aviation Regulations is amended effective 0901 G.m.t., September 12, 1974, as hereinafter set forth.

§ 71.123 (39 FR 307) is amended as follows:

In V-278, "Monticello, Ark.; Greenwood, Miss.;" is deleted and "Monticello, Ark.; Greenville, Miss.; Greenwood, Miss.;" is substituted therefor.

This amendment is made under the authority of sec. 307(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1348(a)) and sec. 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in Washington, D.C., on June 20, 1974.

Acting Chief, Airspace and Air
Traffic Rules Division.

PART 73—SPECIAL USE AIRSPACE

Alteration of Restricted Areas

The purpose of this amendment to Part 73 of the Federal aviation regulations is to change the using agency for Restricted Areas R-2516 Naval Missile Facility Point Arguello, Calif., R-2517 Naval Missile Facility Point Arguello, Calif., R-2534A Point Arguello, Calif., and R-2534B Point Arguello, Calif.

These changes will update the identity of the military organization for which the restricted areas are designated.

Since designation of a different using agency is a minor amendment upon

which the public is not particularly interested, notice and public procedure thereon are unnecessary. However, as it is essential that the current using agency of the restricted areas be identified, good cause exists for making this amendment effective immediately.

In consideration of the foregoing, Part 73 of the Federal aviation regulations is amended, effective on June 26, 1974, as hereinafter set forth.

1. In § 73.25 (39 FR 653)

a. The Using agency for R-2516 Naval Missile Facility, Point Arguello, Calif., is changed to read as follows:

Using agency, HQ, Space and Missile Test Center, (SAMTEC)/ROSF, Vandenberg AFB, Calif.

b. The using agency for R-2517 Naval Missile Facility Point Arguello, Calif., is changed to read as follows:

Using agency, HQ, Space and Missile Test Center, (SAMTEC)/ROSF, Vandenberg AFB, Calif.

c. The Using agency for R-2534A Point Arguello, Calif., is changed to read as follows:

Using agency, HQ, Space and Missile Test Center, (SAMTEC)/ROSF, Vandenberg AFB, Calif.

d. The Using agency for R-2534B Point Arguello, Calif., is changed to read as follows:

Using agency, HQ, Space and Missile Test Center, (SAMTEC)/ROSF, Vandenberg AFB, Calif.

This amendment is made under the authority of sec. 307(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1348(a)) and sec. 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in Washington, D.C., on June 20, 1974.

CHARLES H. NEWPOL,
Acting Chief, Airspace and Air
Traffic Rules Division.

PART 97—STANDARD INSTRUMENT APPROACH PROCEDURES

Recent Changes and Additions

This amendment to Part 97 of the Federal aviation regulations incorporates by reference therein changes and additions to the Standard Instrument Approach Procedures (SIAPs) that were recently adopted by the Administrator to promote safety at the airports concerned.

The complete SIAPs for the changes and additions covered by this amendment are described in FAA Forms 3139, 8260-3, 8260-4, or 8260-5 and made a part of the public rule making dockets of the FAA in accordance with the procedures set forth in Amendment No. 97-696 (35 FR 5609).

SIAPs are available for examination at the Rules Docket and at the National Flight Data Center, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, D.C. 20591. Copies of SIAPs adopted in a particular region are also available for examination at the headquarters of that region. Individual copies of SIAPs may be purchased from the FAA Public Document Inspection Facility, HQ-405, 800 Independence Avenue, SW., Washington, D.C. 20591 or from the applicable FAA regional office in accordance with the fee schedule prescribed in 49 CFR 7.85. This fee is payable in advance and may be paid by check, draft or postal money order payable to the Treasurer of the United States. A weekly transmittal of all SIAP changes and additions may be obtained by subscription at an annual rate of \$150 per annum from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. Additional copies mailed to the same address may be ordered for \$30 each.

Since a situation exists that requires immediate adoption of this amendment, I find that further notice and public procedure hereon is impracticable and good cause exists for making it effective in less than 30 days.

In consideration of the foregoing, Part 97 of the Federal Aviation Regulations is amended as follows, effective on the dates specified:

Subpart D—Amount of Benefits

§ 416.401 Scope of subpart.

This Subpart D sets forth basic guidelines for establishing the amount of monthly benefits payable to an eligible individual or couple (as defined in § 416.120(c)(5)). This subpart does not contain provisions with respect to establishing the amount of State supplementary payments payable in accordance with an agreement entered into between a State and the Administration under the provisions of Subpart T of this part. Provisions with respect to determination and payment of State supplementary payments under such agreements will be administered by the Administration in accordance with the terms set forth in such agreements.

§ 416.410 Amount of benefits; eligible individual.

The benefit under this part for an eligible individual who does not have an eligible spouse, who is not in an institution (see § 416.231), who is not living in the household of another under the conditions set forth in § 416.1125(b), and who is not a qualified individual (as defined in § 416.242), shall be payable at the rate of \$1,680 per year (\$420 per quarter, \$140 per month) for the period ending June 30, 1974, and at the rate of \$1,752 per year (\$438 per quarter, \$146 per month) for the remainder of 1974 and any calendar year thereafter, reduced by the amount of such individual's income not excluded pursuant to Subpart K of this part.

§ 416.412 Amount of benefits; eligible couple.

The benefit under this part for an eligible couple neither of whom is in an institution nor is living in the household of another under the conditions set forth in § 416.1125(b), nor is a qualified individual (as defined in § 416.242), shall be payable at the rate of \$2,520 per year (\$630 per quarter, \$210 per month) for the period ending June 30, 1974, and at the rate of \$2,628 per year (\$657 per quarter, \$219 per month) for the remainder of 1974 and any calendar year thereafter, reduced by the amount of income not excluded pursuant to Subpart K of this part, of such individual and spouse. (See § 416.502.)

§ 416.413 Amount of benefits; qualified individual.

A qualified individual (as defined in § 416.242) will receive in addition to the amount specified in § 416.410 or § 416.412,

as applicable, \$70 per month for the period ending June 30, 1974, and \$73 per month thereafter, for each essential person (as defined in § 416.243) living in his household. (See §§ 416.531 and 416.532.)

§ 416.420 Determination of benefits; general.

Except as otherwise stated in this subpart, benefits shall be determined for each calendar quarter (see § 416.221). The amount of the monthly payment will be computed by dividing the applicable quarterly benefit rate (see §§ 416.231(a)(2), 416.410, 416.412, and 416.1125) reduced by the amount of income not excluded pursuant to Subpart K of this part, by the months of eligibility in the quarter.

§ 416.422 Determination of benefits; application filed in second or third month of quarter.

When the initial application is filed in the second or third month of a calendar quarter, benefits shall be determined for the month of application and the succeeding month, if any, in such quarter. In determining the payment amount in any month in such quarter, only income received in such month will be counted.

§ 416.424 Change in eligibility status within a quarter involving an individual; eligibility exists in all months of the quarter.

A redetermination of payment amount shall be made in any case where there is a basic change in eligibility status (which includes but is not limited to entering or leaving an institution or living in the household of another) without loss of eligibility within a quarter. The quarterly rate of payment shall be set to reflect the eligibility status of the recipient for each month of the quarter. In setting the rate of payment for each month, amounts consistent with §§ 416.231(a)(2), 416.410, and 416.1125, as applicable, will be used. One-third ($\frac{1}{3}$) of the total quarterly countable income shall be used to reduce the rate of payment applicable for each month of the quarter.

§ 416.426 Change in eligibility status within a quarter involving an individual; ineligibility occurs within the quarter.

When ineligibility occurs (see Subpart M of this part) in one (1) or two (2) months of a quarter, the quarterly rate of payment shall be set to reflect the status of the recipient for each month of eligibility in the quarter. In setting the rate of payment for these months, amounts consistent with §§ 416.231(a)(2), 416.410, 416.1125, as applicable, will be used. However, no amount is assigned to any month of ineligibility. The total countable income (see § 416.1115) for all months in the quarter is divided by three. One-third ($\frac{1}{3}$) of the total quarterly countable income shall be used to reduce the rate of payment applicable for each month of the quarter.

§ 416.428 Eligible individual without an eligible spouse has an essential person in his home.

When an eligible individual without an eligible spouse has an essential person (as defined in § 416.243) in his home, the amount by which his rate of payment is increased is determined in accordance with §§ 416.531 and 416.532. The essential person's income is deemed to be that of the eligible individual, and the provisions of §§ 416.401-416.426 will apply in determining the benefit of such eligible individual.

§ 416.430 Eligible individual with eligible spouse; essential person(s) present.

When an eligible individual with an eligible spouse (living together) have an essential person (§ 416.243) living in their home, or when both such persons each has an essential person, the increase in the rate of payment is determined in accordance with §§ 416.531 and 416.532. The income of the essential person(s) is included in the income of the couple and the payment due will be equally divided between each member of the eligible couple. When the eligible couple is living apart, the increase in the rate of payment attributable to the essential person(s) shall be added only to the payment of the individual with whom the essential person is living, after such payment amount is determined without regard to such essential person. Any income deemed from the essential person to such individual shall then be deducted from that increased payment amount.

§ 416.432 Change in eligibility status within a quarter involving a couple; eligibility exists in all months of the quarter.

When there is a change in status within a quarter, involving only the living arrangements (e.g., institutionalization or living in the household of another) of one or both members of an eligible couple, payments will be redetermined as in § 416.424, with payment rates and payment amounts consistent with §§ 416.231(a)(2), 416.412, and 416.1125, as applicable. Where the change of status involves the formation or dissolution of an eligible couple (e.g., marriage, divorce, living apart more than 6 months), a redetermination of payment amount shall be made for the months subsequent to the month of such formation or dissolution of the couple in accordance with the following rules:

(a) When one member of a couple lives in the household of another and receives support and maintenance from that person, and the other member of the couple is neither in the household of another receiving support and maintenance, nor in an institution and subject to payment reduction for Medicaid support (§ 416.231), the rate of payment for the couple shall be consistent with § 416.412. The payment amount to the member of the couple living in the household of another shall be one-third of the amount of the monthly payment due the couple

minus the value of support and maintenance received (see § 416.1125). The payment amount to the other member of the couple shall be two-thirds of the amount of the monthly payment due the couple.

(b) When one member of a couple is in an institution and subject to payment reduction for Medicaid (§ 416.231), the rate of payment for the couple shall be consistent with §§ 416.410 and 416.231(a)(2)(i). No more than \$25 per month shall be paid to such member of the couple so institutionalized. The difference between the rate of payment for the couple and the amount paid to the institutionalized individual will be paid to the member of the couple who is not so institutionalized.

(c) When one member of a couple is in an institution and subject to payment reduction for Medicaid (§ 416.231), and the other member of the couple is living in the household of another and receiving support and maintenance from that person, the rate of payment for such couple shall be \$1,420 per year (\$355 per quarter, \$118.34 per month) for the period ending June 30, 1974, and at the rate of \$1,468 per year (\$367 per quarter, \$122.34 per month) for the remainder of 1974 and any calendar year thereafter. These amounts are based on the sum of \$25 and the reduction of the rate of payment for an individual by one-third (1/3). This rate of payment shall then be reduced by the amount of income not excluded pursuant to Subpart K of this part, of such individual and spouse, and paid in accordance with § 416.502. As in paragraph (b) of this section, no more than \$25 shall be paid to the institutionalized member of the couple.

(d) When there is a dissolution of an eligible couple and each member of the couple becomes an eligible individual for one (1) or two (2) months of the quarter, the payment amount for each person shall be computed individually for such months. This shall be done by determining the applicable rate of payment for an eligible individual with no eligible spouse (see § 416.410) and the number of months for which this rate applies. The total countable income of the eligible individual for the month(s) after the month of dissolution of couple status is subtracted from the combined rate of payment for the month(s) involved. This countable income is determined by taking the actual income received and subtracting either one-third (if 1 month is involved) or two-thirds (if 2 months are involved) of the appropriate quarterly income exclusions. The result after subtraction is the monthly payment amount (or twice the monthly payment amount which must be divided by two where 2 months are involved).

(e) If the dissolution of the couple also includes a living arrangement change (institutionalization, household of another) which is effective in one or both months of the new computation period, the payment shall be computed in accordance with paragraph (d) of this section, taking into consideration the new

living arrangement in determining the rate of payment.

(f) When two eligible individuals become an eligible couple within a quarter, the payment for the month(s) subsequent to the change in status shall be computed under this new eligibility status in the same manner as described in paragraphs (d) and (e) of this section.

§ 416.435 Change in eligibility status within a quarter involving a couple; ineligibility occurs within the quarter.

When ineligibility occurs in one (1) or two (2) months of a quarter for both members of an eligible couple, their payment shall be redetermined as in § 416.426 with payment rates and amounts set in accordance with §§ 416.231(a)(2), 416.412, and 416.1125, as applicable. Where one member of an eligible couple becomes ineligible for one (1) or two (2) months of a quarter, the remaining member of the couple assumes the eligibility status as an eligible individual without an eligible spouse for such months: *Provided*, That such individual meets the requirements of section 1611(a)(1) of the Act with respect to income and resources; and, that individual's payments for those months shall be redetermined in accordance with either § 416.430 or § 416.432, whichever is applicable.
