PART 1917—APPEALS FROM FLOOD ELEVATION DETERMINATION AND JUDICIAL REVIEW

Final Flood Elevation for City of Wahoo, Nebr.

The Federal Insurance Administrator, in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-2128, and 24 CFR Part 1917), hereby gives notice of the final determinations of flood elevations for the City of Wahoo, Nebraska.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in flood-prone areas. In order to continue participation in the National Flood Insurance Program, the community must adopt flood plain man-

agement measures that are consistent with these criteria and reflect the base flood elevations determined by the Secretary in accordance with 24 CFR Part 1910.

In accordance with Part 1917, an opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

Final flood elevations (100-year flood) are listed below for selected locations. Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations are available for review at City Hall, 605 North Broadway, Wahoo, Nebraska 68066.

Accordingly, the Administrator has determined the 100-year (i.e., flood with one percent chance of annual occurrence) flood elevations for the selected locations set forth below:

Source of flooding	Location	Elevation in feet above mean sea level	Width from shoreline or bank of stream (facing downstream) to 100-yr flood boundary (feet)
