

DISCUSSIONS OF COMMENTS

The one favorable commenter felt that the proposed changes would benefit importers by improving management and by broadening the experience of Customs officers.

The objectors to the proposed changes argued that it will burden the Customs officers servicing the area with additional automobile travel under hazardous driving conditions and result in a loss in permitted travel allowances.

A study conducted by the District Director of Customs, St. Albans, Vermont, shows that the proposed Highgate Springs/Alburg consolidation will result in a net increase in mileage of only 4,468 miles per year or 154 miles per affected Customs officer for that period. Therefore, the effect on each Customs officer will be minimal. While the Customs Service is concerned about the safety of its employees, it does not believe that the issue of hazardous driving conditions is a major issue in the consolidation. Such conditions will always prevail on all roads in the area during inclement winter weather.

In regard to the question of travel allowances, Customs officers going to assigned duty stations within port limits are not reimbursed for that travel. Therefore, some employees will probably find themselves assigned to more distant duty posts without reimbursement for costs that were allowed when these ports were outside the narrower port limits. However, if a Customs officer is required to travel from his assigned station to another station within the new consolidated port of entry, during a period of duty, he will receive travel expenses for that additional travel. This should reduce any adverse economic impact on the Customs officer.

Special benefits can be expected from the variety of work assignments that will become available for Customs officers within the larger consolidated port. Because of rotation of assignments, all of the Customs officers will receive more diversification and training than at present. This will enhance the career opportunities of these officers.

After consideration of all comments received, it has been decided to adopt the changes as proposed. We have concluded that these changes will provide better service to the public and contribute to a more efficient management of the Customs Service.

AMENDMENTS TO THE REGULATIONS

By virtue of the authority vested in the President by section 1 of the Act of Au-

gust 1, 1914, 38 Stat. 623, as amended (19 U.S.C. 2), and delegated to the Secretary of the Treasury by Executive Order No. 10289, September 17, 1951 (3 CFR, 1949-1953 Comp. Ch. II), and pursuant to the authority provided by Treasury Department Order No. 190, Rev. 12 (41 FR 47970), the following changes in the organization of Region I are hereby adopted as set forth below:

1. A consolidated port of Highgate Springs/Alburg, Vermont, is established, with geographical limits including all points and places within the townships of Highgate, Swanton, and Alburg, and that part of the township of Franklin east of the township of Highgate which is bounded on the east by Richard Road and on the south by State Aid Road 235.

2. The township of Swanton is removed from the port limits of the port of St. Albans, Vermont, and included within the port limits of the new port of Highgate Springs/Alburg, Vermont.

3. The designation of North Troy, Vermont, as a Customs port of entry in the St. Albans, Vermont, Customs district, is revoked.

4. North Troy, Vermont, is designated as a Customs station under the supervisions of the port of Derby Line, Vermont.

5. The designation of Alburg Springs, Vermont, as a Customs station under supervision of the port of entry at Alburg, Vermont, and the designation of Morses Line, Vermont, as a Customs station under the supervision of the port of entry at Richford, Vermont, are revoked. (The Alburg Springs and Morses Line, Vermont, locations are included within the port limits of the new port of Highgate Springs/Alburg, Vermont.)

To reflect these changes, the table in § 1.2(c) of the Customs Regulations (19 CFR 1.2(c)) is hereby amended by deleting "Alburg, Vt." and "North Troy, Vt." from the column headed "Ports of Entry" in the St. Albans, Vt., district (Region I); deleting the parenthetical material immediately following "St. Albans, Vt." in the column headed "Ports of Entry" in the St. Albans, Vt., district (Region I) and substituting in its place "(including township of St. Albans) (E.O. 3925, Nov. 13, 1923; E.O. 7632, June 15, 1937; 2 FR 1042; T.D. 77-165)"; deleting "Highgate Springs, Vt." and the parenthetical material following it in the column headed "Ports of entry" in the St. Albans, Vt., district (Region I) and substituting in its place "Highgate Springs/Alburg, Vt. (including the territory described in T.D. 77-165)."

To further reflect this change, the table in § 1.3(d) of the Customs Regulations (19 CFR 1.3(d)) is hereby amended by inserting "North Troy, Vt." directly below "Newport, Vt." in the column headed "Customs stations," with "Derby Line, Vt." designated as the "Port of entry having supervision," in the St. Albans, Vt., district (Region I); and deleting "Alburg Springs, Vt." and "Morses Line, Vt." from the column headed "Customs stations" and the corresponding entries from the column headed "Port of

entry having supervision" in the St. Albans, Vt., district (Region I).

SUPPLEMENTARY INFORMATION:

BACKGROUND

On June 15, 1977, the FEDERAL REGISTER published a Treasury decision (42 FR 30496) containing Income Tax Regulations (26 CFR Part 1) under section 904(f) of the Internal Revenue Code of 1954. (The redesignation of section 904

(f) as section 904(d) by section 1031(a) of the Tax Reform Act of 1976 (90 Stat. 1525) is not reflected in the Treasury Decision.) The amendments were proposed to conform the regulations to section 502 (b) (2) of the Revenue Act of 1971 (85 Stat. 549). The regulations relate to the separate limitation on the foreign tax credit for dividends from a DISC or former DISC.

NEED FOR CORRECTION

The full text of the regulations as adopted by the Treasury decision appears at 42 FR 30497. The text contains typographical errors and misplaced cross-references that were in the notice of proposed rulemaking (40 FR 8351, amended by a correction notice published on April 2, 1975, 40 FR 14767). These errors were not corrected when the notice of proposed rulemaking as amended by the Treasury decision was published at 42 FR 30497 on June 15, 1977.

The principal author of this correction was James Edward Maule of the Legislation and Regulations Division of the Office of Chief Counsel, Internal Revenue Service.
