[Docket No. FI-3113]

PART 1917—APPEALS FROM FLOOD ELEVATION DETERMINATIONS AND JUDICIAL REVIEW

Final Flood Elevation Determination for the City of Davenport, Scott County, Iowa

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in the City of Davenport, Scott County, Iowa.

These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for the City of Davenport, Scott County, Iowa.

ADDRESSES: Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for the City of Davenport, Scott County, Iowa are available for review at the first floor on the bulletin board, City Hall, Davenport, Iowa.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, (202-755-5581), or Toll Free Line (800-424-8872), room 5270, 451 Seventh St. SW., Washington, D.C. 20410.

SUPPLEMENTARY INFORMATION: The Federal Insurance Administrator gives notice of his final determinations of flood elevations for the City of Davenport, Scott County, Iowa.

This final rule is issued in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 24 CFR Part 1917). An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood

plain management in flood-prone areas in accordance with 24 CFR Part 1910.

The final 100-year flood elevations for selected locations are:
