PROCLAMATION 4594

**National School Lunch Week,
1978***By the President of the United States of America***A Proclamation**

Every child needs wholesome food. The National School Lunch Program was created in 1946 to help our nation achieve that goal. It now provides nutritious lunches to 26 million children every school day.

I am proud of the success of the National School Lunch Program and of the two other nutrition-related school activities that complement its success.

One is the School Breakfast Program that now serves 2.8 million children daily. It gives all children, not just the needy, the chance to eat breakfast at school if they cannot eat at home.

The other is the Nutrition Education and Training Program that will instruct children, teachers, and school food service workers on the relationship between food, nutrition, and health.

In recognition of the National School Lunch Program's contribution to America's youth, the Congress, by a joint resolution of October 9, 1962 (76 Stat. 779; 36 U.S.C. 168), has designated the week beginning the second Sunday of October of each year as National School Lunch Week, and has requested the President to issue annually a proclamation calling for its appropriate observance.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, do hereby urge the people of the United States to observe the week of October 8, 1978, as National School Lunch Week and to give special recognition to the role of good nutrition in building a stronger America through its youth.

IN WITNESS WHEREOF, I have hereunto set my hand this eighth day of September, in the year of our Lord nineteen hundred and seventy-eight, and of the Independence of the United States of America the two hundred and third.

By the President of the National School Lunch Association

A Declaration

I, the President of the National School Lunch Association, hereby declare that the National School Lunch Week is a time when we can all join together to support the National School Lunch Program. This program is one of the most important and successful in our country. It provides a nutritious meal for over 30 million children and youth each day. It also provides a valuable service to the community by reducing the burden on parents and helping to ensure that every child has access to a healthy meal. I urge all of us to join together in supporting this program and to make the most of this special week. Let us all work together to ensure that every child has access to a healthy meal and that the National School Lunch Program continues to be a success for all of us.

CHAPTER II—CIVIL AERONAUTICS BOARD

[Reg. ER-1073, Amdt. 32]

PART 241—UNIFORM SYSTEM OF ACCOUNTS AND REPORTS FOR CERTIFICATED AIR CARRIERS

Revision of Route Air Carrier Reporting Entities

AGENCY: Civil Aeronautics Board.

ACTION: Final rule.

SUMMARY: This final rule revises the listing of geographic reporting entities included in the Board's economic regulations for three route air carriers which were recently granted authority to conduct transatlantic flights.

DATES: Adopted: August 31, 1978. Effective: August 31, 1978.

FOR FURTHER INFORMATION CONTACT:

Raymond Kurlander, Director, Bureau of Accounts and Statistics, Civil Aeronautics Board, 1825 Connecticut Avenue NW., Washington, D.C. 20428, 202-673-5270.

SUPPLEMENTARY INFORMATION: Section 21 of part 241 of the Board's economic regulations lists the operating authority of each air carrier according to geographical area ("entity") for purposes of reporting financial and statistical data. On January 26, 1978, the Board granted transatlantic operating authority to Braniff Airways, Delta Air Lines, and Northwest Airlines, order 78-1-118. Section 21 of part 241 is therefore amended to reflect the addition of these routes.

Because this amendment reflects a grant of authority that has already been made, the Board finds that notice and public procedure are unnecessary and that an immediate effective date is in the public interest.

Accordingly, part 241 of the economic regulations (14 CFR Part 241) is amended as follows:

1. Amend section 21, "Introduction to System of Reports," revising the list of route air carrier reporting entities contained in paragraph (i) to read in pertinent part as follows:

§ 21 Introduction to system of reports.

Title 16—Commercial Practices

CHAPTER I—FEDERAL TRADE COMMISSION

[Docket No. 8939]

PART 13—PROHIBITED TRADE PRACTICES, AND AFFIRMATIVE CORRECTIVE ACTIONS

Rubbermaid, Inc.

AGENCY: Federal Trade Commission.

ACTION: Modification of order to cease-and-desist.

SUMMARY: This order reopens proceedings and modifies the cease and desist order issued on April 13, 1976, by replacing sections III and IV of the original order. The modification eliminates the requirement to send copies of the order to resellers of firm's products; provides a description of the required notice to be sent to resellers; and places the responsibility of sending such notice to indirect resellers on company's distributors.

DATES: Complaint issued September 5, 1973; modifying order issued August 17, 1978.¹

FOR FURTHER INFORMATION CONTACT:

Ronald A. Bloch, Bureau of Competition, Federal Trade Commission, Sixth Street and Pennsylvania Avenue NW., Washington, D.C. 20580, 202-523-3552.

SUPPLEMENTARY INFORMATION: In the matter of Rubbermaid, Inc. The prohibited trade practices and/or cor-

rective actions, as codified under 16 CFR Part 13, appears at 41 FR 20161, and remains unchanged.

The order modifying order to cease and desist, is as follows:

ORDER MODIFYING ORDER TO CEASE AND DESIST

ORDER

On August 7, 1978, respondent and complaint counsel jointly petitioned the Commission to reopen this proceeding to modify sections III and IV of the order to cease and desist which issued on April 13, 1976, and became final on August 7, 1978.²

Section III of the order requires that respondent provide its direct and indirect resellers a copy of the order and a notice describing generally respondent's policy relating to resale prices. Section III further provides that those customers terminated because they failed to comply with any refusal-to-deal provision, will be extended an offer to be reinstated. Finally, section III provides for the treatment of complaints relating to the provisions of the notice.

Section IV requires respondents, for a period of 5 years, to send a copy of the order to new resellers to whom it directly sells.

By the proposed modification the order would describe the content of the notice to be sent to resellers and would relieve respondent of the requirement that it send a copy of the order to resellers. The proposed modification would further provide that respondent's distributors, rather than

¹Petitioners also filed on Aug. 8, 1978, a joint motion for suspension of compliance. This order obviates the necessity for the requested suspension of compliance and therefore the motion is rejected.

respondent, send notices to indirect resellers.

Because of the repeal of the McGuire Act and the consequent end of State-sanctioned resale price maintenance, several of the provisions in the order and the notice to be sent resellers are no longer relevant and would likely be misunderstood by resellers of respondent's products. As a further result of the abandonment of State-sanctioned resale price maintenance, respondent no longer is required to, nor does it, retain the names of indirect purchasers. These changed conditions of fact and law warrant the modifications requested by respondent and complaint counsel.

Accordingly, *It is ordered*, That the proceeding be, and it hereby is, reopened.

It is further ordered, That the order to cease and desist be, and it hereby is, modified by substituting for sections III and IV of the order, the following:

III

It is further ordered, That respondent shall:

1. Within sixty (60) days from the date upon which this order becomes final:

(a) Mail or deliver to all resellers which purchase directly from respondent a copy of the notice attached as exhibit A, and execute an affidavit so stating; and

(b) Mail or deliver to each of respondent's wholesalers; sufficient additional copies of the notice attached hereto as exhibit A and request such wholesalers

(i) To mail or deliver these notices to each reseller of respondent's goods with whom they deal; and

(ii) To affirm to respondent in writing that they have made the distribution of these notices as requested.

2. Within sixty (60) days from the date upon which this order becomes final, mail or deliver, and obtain a signed receipt for a copy of the notice attached as exhibit A and a written offer of reinstatement, to every reseller who has been terminated by, at the request of, or with the participation of respondent since January 1, 1966, for failure to comply with any refusal to deal provision of his contract, and reinstate forthwith any such reseller who within thirty (30) days thereafter requests reinstatement.

3. Immediately upon receipt, take such action as may be proper to insure correction of any complaints concerning the unavailability of Rubbermaid products to any reseller as a result of such reseller's pricing or customer selection policies or practices and retain such complaints and records of corrective action taken thereon for a period of five (5) years from the date on which each complaint is received. Reports of said complaints and of correc-
