Notice of the proposed designation of the foregoing agencies as 706 agencies was published in the May 24, 1978

<sup>1</sup>The Lincoln (Nebraska) Commission on Human Rights has been designated as a 706 agency for all charges except (1) a charge by an "applicant for membership" alleging a violation of sec. 703(c)(2) of title VII (2) a charge by an individual alleging that a "joint labor-management committee" has violated sec. 704(a) of title VII; and (3) a charge by an individual alleging that a "joint labor-management committee" has violated sec. 704(b) of title VII.

The Commission received three comments from interested persons who raised the question of extending the time allowed for receipt of comments and other procedural issues, but nothing substantive as to finalizing 706 designation of the aforementioned agencies.

In keeping with its new 706 designation, the Florida Commission on Human Relations is no longer designated a notice agency, and that designation is therefore deleted.

In addition to the new designations, corrections are being made regarding three previously designated Agencies. The name "Maine Human Relations Commission" is corrected to read "Maine Human Rights Commission." The Montana Department of Labor and Industry was erroneously listed as a notice agency and is being deleted. Within that Department is the Montana Commission for Human Rights, which has been and is correctly listed as a 706 agency. The "Georgia Office of Human Affairs" is corrected to read "Georgia Office of Fair Employment Practices" under notice agencies.

With the addition of the above mentioned agencies and noted corrections, § 1601.74 (a) and (b) are amended to read as follows:

(3) charges alleging an "employment agency" has violated title VII; (4) charges alleging violations of title VII by agencies or instrumentalities of the Government of Puerto Rico when they are not operating as private businesses or enterprises; and (5) all charges alleging violations of sec. 704(a) of title VII.

For these types of charges it shall be deemed a "Notice Agency," pursuant to 29 CFR 1601.71(3).

<sup>3</sup>The Augusta/Richmond County (Georgia) Human Relations Commission has been designated as a 706 agency for all charges except (1) charges alleging a violation of sec. 703(c) (2) or (3) of title VII; (2) charges alleging a violation of sec. 704 (a) or (b) of title VII; and (3) charges alleging a violation of title VII by the city of Augusta, by the personnel board of the Richmond County Board of Commissioners, or by elected officials.

For these types of charges it shall be deemed a "notice agency," pursuant to 29 CFR 1601.71(3).

<sup>4</sup>The Austin (Texas) Human Relations Commission has been designated as a 706 agency for all charges except charges alleging a violation of title VII by a government, government agency, or political subdivision of the State of Texas.

## Title 32—National Defense

### Subtitle B—Other Regulations Relating to National Defense

## CHAPTER XVIII—DEFENSE CIVIL PREPAREDNESS AGENCY, DEPARTMENT OF DEFENSE

### PART 1804—CONSOLIDATED GRANTS TO INSULAR AREAS

AGENCY: Defense Civil Preparedness Agency.

ACTION: Final rule.

SUMMARY: This document promulgates regulations to provide for consolidation of certain DCPA grants to be made to insular areas. The regulations implement the provisions of Pub. L. 95-134. See supplementary information below.

EFFECTIVE DATE: October 1, 1978.

FOR FURTHER INFORMATION CONTACT:

John W. McConnell, Assistant Director for Plans and Operations, 202-697-8314.

SUPPLEMENTARY INFORMATION: The Defense Civil Preparedness Agency published its proposed regulation covering consolidated grants to insular areas in the FEDERAL REGISTER for Monday, June 19, 1978, 43 FR 26335. Comment on the regulation was invited in writing on or before July 14, 1978. In addition, DCPA mailed copies on May 4, 1978 to an appropriate official of each of the four insular areas which may qualify for grants under the Federal Civil Defense Act. On June 9, 1978, DCPA mailed a copy to the United States Department of the Interior, Office of Territorial Affairs, which forwarded copies of DCPA's letter and proposed regulations to each of the affected insular areas, reminding them of their opportunity for comment. The only responses to these requests for comments on the proposed regulations were received from three of the four affected areas. In all cases, they responded favorably to the regulations as proposed. One participant requested that DCPA grant funds not be consolidated with those of other agencies. DCPA's regulations do not propose such intermingling of

Federal funds. Another letter suggested that DCPA's consolidation of grants include joint funding with the disaster preparedness planning program of the Federal Disaster Assistance Administration, Department of Housing and Urban Development, particularly with regard to joint funding of the particular insular area's disaster control office. Inasmuch as joint funding is provided for under the provisions of OMB Circular A-111 rather than Pub. L. 95-134, DCPA is consulting with the insular areas on the matter of joint funding by Federal agencies separately from implementation of the consolidated grant criteria. Inasmuch as it is a requirement of law that DCPA assure nondiscrimination in its federally assisted programs and, regarding one of its programs (State and local management program, 50 U.S.C. App. 2286) that DCPA provide contributions on the basis of approved plans which under its regulations (32 CFR Part 1807) are required to include an administrative plan, a reference to each of these requirements has been added to the regulations proposed for this part.

Accordingly, title 32, chapter XVIII of the Code of Federal Regulations is amended by adding part 1804 to read as follows:

Sec.

1804.1 Purpose.

1804.2 Definitions.

1804.3 Conditions for a consolidated grant.

1804.4 Allocations.

1804.5 Audits and records.

**AUTHORITY:** Secs. 201(t), 205, and 401, Federal Civil Defense Act of 1950, 64 Stat. 1245-1257; E.O. 10952, 3 CFR 1959-1963 Comp. p. 479, 26 FR 6577; Order of the Secretary of Defense 37 FR 18636; Pub. L. 95-134, 91 Stat. 1159.

§ 1804.1 Purpose.

The purpose of the regulations in this part is to prescribe the basis under which the Defense Civil Preparedness Agency (DCPA) contributes Federal funds to an insular area through a consolidated grant.

§ 1804.2 Definitions.

Except as otherwise stated when used in the regulations of this part, the meaning of the listed terms are as follows:

(a) Insular areas. The Virgin Islands, Guam, American Samoa, and the Government of the Northern Mariana Islands.

(b) Consolidated grant. A grant by DCPA for any insular area through an allocation which combines funds for the State and local management program and the State and local maintenance and services program for a single Federal fiscal year.

(c) DCPA guidance material. DCPA regulations (32 CFR Chapter XVIII),

Civil Preparedness Guide (CPG) 1-3, and Civil Preparedness Circulars (CPC) as presently providing or hereafter amended or revised.

§ 1804.3 Conditions for a consolidated grant.

(a) In order to participate, an insular area must submit a (one-time) administrative plan as provided for in DCPA guidance material (to be maintained in current status) and must sign a (one-time) civil rights assurance (DCPA form 856) and a (one-time) grant agreement agreeing to comply with Federal requirements.

(b) An insular area need not submit an application for a consolidated grant, but must submit an annual program paper which meets the requirements prescribed in DCPA guidance material.

(c) Funds made available under a consolidated grant must be expended for State and local management program expenses and/or State and local maintenance and services program expenses as defined and described in DCPA guidance material. Each participating insular area will determine the proportion in which funds granted to it will be allocated between the two programs.

(d) Participating insular areas need not provide matching funds for consolidated grants.

§ 1804.4 Allocations.

For each Federal fiscal year concerned, the Director, DCPA, shall allocate to each participating insular area an amount not less than the sum of grants for the two programs which the Director, DCPA, has determined such insular area would otherwise be entitled to receive for such fiscal year.

§ 1804.5 Audits and records.

(a) Audits. DCPA will maintain adequate auditing, accounting and review procedures as outlined in DCPA guidance material and OMB Circulars No. A-73 and A-102.

(b) Records. Financial records, supporting documents, statistical records, and all other records pertinent to a consolidated grant shall be retained for a period of three years from submission of final billing and shall be available to the Director, DCPA, and the Comptroller General of the United States, all as prescribed in DCPA guidance material and in accordance with OMB Circular A-102 (42 FR 45828-45891).

Dated: August 29, 1978.

Director, Defense Civil  
Preparedness Agency.

DISCUSSION OF COMMENTS

Fourteen comments were received. Nine supported the proposal and one had no comment thereon. Four letters objected to the proposal. Three objected on the grounds that this may cause a hardship for the shrimping industry, particularly the closed periods during

the evening hours. These objections have some validity, however, with a scheduled opening during this closed period, it is felt that vessel operators can schedule their return to port to avoid conflict with the closed periods. The remaining objection was based on the premise that it would not be safe to hold up vessel traffic. However, if the pilot is reasonably prudent and handles the vessel carefully, the safety of the vessel should not be in jeopardy.

In consideration of the foregoing, Part 117 of Title 33 of the Code of Federal Regulations is amended by revising § 117.404 to read as follows:

§ 117.404 Wilmington River, AIWW, mile 579.9, Chatham County Island Expressway, S.R. 26, Causton Bluff, Ga.; Wilmington River, AIWW, mile 582.8, State of Georgia Memorial Bridge, S.R. 80, Thunderbolt, Chatham County, Ga.

(a) The draw of the Causton Bluff Bridge need not open for the passage of vessels from 7:30 a.m. to 9 a.m. and 4:30 p.m. to 6 p.m., Monday through Friday, except legal holidays. However, the draw shall open at 8:10 a.m. and 5:20 p.m., if any vessels are waiting to pass, and as outlined in paragraph (c) of this section. At all other times, the draw shall open on signal.

(b) The draw of the Memorial Bridge need not open for passage of vessels from 7:45 a.m. to 9:15 a.m. and 5 p.m. to 6:30 p.m., Monday through Friday, except legal holidays. However, the draw shall open at 8:30 a.m. and 5:45 p.m., if any vessels are waiting to pass, and as outlined in paragraph (c) of this section. At all other times the draw shall open on signal.

(c) The draw shall open at any time for the passage of public vessels of the United States, tugs with tows, cruise boats operated on a regular schedule, or vessels in distress. The opening signal from these vessels is four blasts of a whistle, or horn, or by shouting.

(d) The owner of or agency controlling the bridges shall post, on both sides of the bridges, signs that state the conditions of this regulation. These signs shall be of such size that they may be easily read from an approaching vessel at any time.

(Sec. 5, 28 Stat. 362, as amended, sec. 6(g)(2), 80 Stat. 937; 33 U.S.C. 499, 49 U.S.C. 1655(g)(2); 49 CFR 1.46(c)(5).)

NOTE.—The Coast Guard has determined that this document does not contain a major proposal requiring preparation of an economic impact statement under Executive Order 11821, as amended, and OMB Circular A-107.
