

Section HC-D Delegations of Authority. All delegations of authority to the Director, Center for Disease Control, which were in effect immediately prior to the effective date of this reorganization shall continue in effect in the Director, Centers for Disease Control, pending further redelegation. All delegations or redelegations of authority to any officers or employees of the Center for Disease Control which were in effect immediately prior to the effective date of this reorganization shall continue in effect in them or their successors, pending further redelegation.

Office of the Assistant Secretary for Health

Part H, Chapter HA (Office of the Assistant Secretary for Health) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (38 FR 18571, July 12, 1973, as amended in pertinent part at 44 FR 23125-23130, April 18, 1979) is amended to reflect the: (1) restatement of the functional statement for the Senior Advisor for Environmental Affairs; and (2) deletion of the reference to immunization from the functional statement of the Office of Disease Prevention and Health Promotion.

Under *Section HA-20 Functions*, make the following changes:

Delete the State for the *Senior Advisor for Environmental Affairs (HA3)* in its entirety and substitute the following:

Senior Advisor for Environmental Affairs (HA3). Serves as the principal advisor to and representative of ASH/SG on all aspects of environmental health and related health and scientific matters. As directed by the ASH/SG, participates in the coordination of PHS components in crosscutting environmental health efforts. Advises ASH/SG on actions which should be taken by PHS to improve its capacity to help prevent or control the major environmental causes of morbidity and mortality. Serves as the ASH/SG's personal agent in coordinating PHS participation in the Department's collaboration with other Federal Departments and agencies relative to health and environmental effects of energy technologies; and as directed by the ASH/SG, serves as Departmental liaison with the scientific community on environmental health matters.

Amend the statement for the Office of Disease Prevention and Health Promotion (HA8) by deleting ", such as immunization," under item (5); and amending item (8) to read "conducts a comprehensive national program for

promoting physical fitness and sports medicine."

Public Health Service; Food and Drug Administration; Statement of Organization, Functions, and Delegations of Authority

Part H, Chapter HF (Food and Drug Administration) of the Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services (35 FR 3685, February 25, 1970, as amended in pertinent part at 43 FR 16418, April 18, 1978 and 44 FR 73165, December 17, 1979) is amended to reflect

a realignment of functions within the Office of the Commissioner.

Subsequent to the April 1978 reorganization, an Office of Consumer Affairs was established in the Immediate Office of the Commissioner (44 FR 73165, December 17, 1979). This was in compliance with Executive Order 12160 of September 26, 1979 (44 FR 55787) and Consumer Affairs Council guidelines (44 FR 71103, December 10, 1979).

On June 9, 1980 the Department issued its Final Consumer Affairs Plan (45 FR 38977). These guidelines place renewed emphasis on improving consumer communication services including distributing information, handling consumer concerns, and coordinating intra-Department consumer activities. For this reason and for better operating efficiency in the Office of Policy Coordination, consumer communication functions related to consumer inquiries not directed to the Commissioner or field offices under the Executive Director of Regional Operations are being transferred to the Office of Consumer Affairs. As presented in this Notice, these functions will reside in the Office of Consumer Affairs. The Office is headed by an Associate Commissioner and will now be given full staff office stature.

Accordingly, revised functional statements are presented for the Offices of Policy Coordination and Consumer Affairs, Office of the Commissioner. *Section HF-B, Organization*, is amended as follows:

1. Delete in its entirety subparagraph (a-1) *Office of Consumer Affairs (HFA-C)*, which is under paragraph (a) *Office of the Commissioner (HFA)*, and substitute a new paragraph as indicated in 3. below.

2. Delete paragraph (e) *Office of Policy Coordination (HFAE)* in its entirety and substitute the following: (e) *Office of Policy Coordination (HFAE)*.

Advises and assists the Commissioner and other key officials concerning information that may affect current or proposed FDA policies.

Develops and maintains management information necessary to establish and monitor Agency priorities.

Monitors policy formulation activities of interest to the Commissioner.

Directs the resolution of policy issues involving more than one component of the Agency.

Coordinates review and analysis of policy documents directed to the Commissioner for adequacy of clearances and other elements of completed staff work.

Insures that FDA bureaus and staff offices are informed of and given opportunity to comment on proposed actions or decisions affecting their responsibilities.

Coordinates the implementation planning for new or important policies, and monitors the progress of such efforts.

Provides correspondence control for the Commissioner; provides central control for and processes all Agency public correspondence directed to the Commissioner.

3. Insert the following new paragraph (i) reading as follows:

(i) *Office of Consumer Affairs (HFAG).*

Serves as the Agency focal point for coordinating information from the Bureaus and other Agency components about significant or public interest issues; develops mechanisms to gather consumer views for use in developing Agency policy on these issues; monitors the development of Agency policy on these issues; apprises the Policy Board and Commissioner on the impact of consumer involvement in resolving these issues.

Serves as the Agency focal point for contacting and involving national consumer groups on Agency public participation programs; analyzes consumer feedback at the national level in collaboration with the Executive Director of Regional Operations (EDRO) to assess potential major health issues, to determine national trends in consumer concerns, and to compile a consumer perspective of Agency regulatory policies and activities; informs other Agency components of consumer trends.

Serves as the Agency focal point for coordinating information from bureaus and other Agency components about potential public participation opportunities and informs the consumer of these activities.

Designs and administers special community outreach projects to broaden Agency interaction with special target audiences, including the economically and educationally disadvantaged and the minorities.

Designs public participation compliance programs for implementation by field Consumer Affairs Officers (CAO's); reviews and approves CAO consumer education compliance programs developed by other Agency components to assess the public participation impact.

Administers consumer awareness and advocacy skills training programs designed to educate lay consumers and current/potential consumer representatives for advisory committees

to enhance their participation in Agency regulatory and decision making processes.

Administers the Agency selection process for consumer representatives on advisory committees and panels.

Administers the Agencywide Public Participation Reimbursement Program.

Provides a central Agency control point for consumer inquiries, except those directed to the Commissioner or field offices under the Executive Director of Regional Operations; responds to inquiries if information is available from OCA resource files; coordinates and tracks referrals.

Dated: September 11, 1980.

BILLING CODE 4110-03-M

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Housing-Federal Housing Commissioner

[Docket No. N-80-1033]

Conversion of Existing Multifamily Projects to Condominium and Cooperative Ownership

AGENCY: Department of Housing and Urban Development (HUD).

ACTION: Notice of HUD Position with Respect to Conversion of Existing Multifamily Projects to Condominium and Cooperative Housing.

SUMMARY: On July 31, 1980, the Assistant Secretary of Housing-Federal Housing Commissioner issued a notice to all HUD field offices explaining that under certain circumstances FHA mortgage insurance can be used in connection with the conversion of existing multifamily housing to condominium and cooperative ownership. The text of that notice is set forth below.

FOR FURTHER INFORMATION CONTACT: Robert W. Wilden, Director, Elderly and Condominium Health Facilities, Department of Housing and Urban Development, 451 7th Street, S.W., Washington, D.C. 20410. 202-755-6528. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: The Department has received a number of requests involving the conversion of existing rental property to condominium and cooperative ownership. Because of its concern over the seriousness of conversion and its desire to review thoroughly the results of the conversion study recently completed by the Office

of Policy Development and Research, the Department has not yet resolved what its overall policy should be.

While a comprehensive, Departmental policy may not be completed for a short time, pending requests require that the Department immediately determine under what conditions it will approve certain actions. Generally, the Department wants to avoid conversions that would involve moderate cost rental housing or a significant proportion of tenants with limited financial resources. Yet it does not want to inhibit conversions unreasonably where these concerns are not relevant.

The actions that require immediate attention and a specific statement of the Department's position regarding these actions are set forth below:

1. The conversion of a multifamily project, which is or has been insured, to a condominium under the Section 234(c) program or to a cooperative using the Section 203(n) program.

2. The conversion of a project that has been insured under Section 207 pursuant to Section 223(f).

3. A transfer of physical assets to a purchaser who intends to convert the property to homeownership.

4. The sale of a HUD-owned multifamily property on terms that permit the project to be converted.

Note

1. These actions and the following statements apply only to multifamily projects that are unsubsidized. Unsubsidized projects are those which are insured or have been insured under Sections 207, 213, 220, 221 (except 221(d)(3) BMIR), 231, 234 or 608, and which do not receive rent supplement or Section 8 assistance.

2. This notice does not affect the right of a mortgagor to pre-pay in full the mortgage on an FHA-insured, unsubsidized project.

3. This notice also does not affect the availability of FHA mortgage insurance for the construction or substantial rehabilitation of condominium and cooperative housing. Rather, it sets forth the Department's position regarding the conversion of existing projects without substantial rehabilitation.

Sections 234(c) and 203(n)

The Department will approve the conversion of a multifamily project to condominium or cooperative ownership using Section 234(c) or Section 203(n), respectively, only where (1) the project has been finally endorsed under an FHA mortgage insurance program, and (2) the project rents prior to conversion equal or exceed 125% of Section 8 Existing

Housing Fair Market Rents (FMRs) for the same location, type and size of units.

A project that has been processed but not finally endorsed under a section of the Act other than Section 234(d) must either be reprocessed under Section 234(d) or proceed to final endorsement, if it is to be converted to condominium ownership. For example, in reprocessing a Section 221(d)(4) project under Section 234(d), BSPRA would have to be deleted and the Section 234(d) processing requirements, such as per unit limits, would have to be applied. A Section 221(d)(4) project that has been initially endorsed may not skip final endorsement and go directly to insurance of individual units under Section 234(c). The project must either be finally endorsed as a Section 221(d)(4) project or be reprocessed under Section 234(d) before final endorsement. (The same principle would apply in a cooperative conversion.)

The multifamily handbook instructions for the Section 203(n) program are in preparation and will be issued shortly.

Section 223(f)

The Section 207/223(f) program is not intended to be a vehicle to obtain mortgage insurance for homeownership units. Therefore, a project which is or has been purchased or refinanced by a mortgage insured under Section 207 pursuant to Section 223(f) shall not be eligible for mortgage insurance under any other program unless at least three years have elapsed from the date of final endorsement of the Section 207/223(f) mortgage.

Transfer and Change in Use

The Department will approve a transfer of physical assets to a purchaser who plans to convert a rental property with an FHA-insured or HUD-held mortgage to condominium or cooperative ownership only where the standard transfer requirements are satisfied and the project rents prior to conversion equal or exceed 125 percent of the Section 8 Existing Housing FMRs for the same location and type and size of units. Similarly, the Department will approve a project owner's request for a conversion-related change in use only where this standard is met.

Partial Release

Partial release of security in connection with conversion may be approved by the Assistant Secretary for Housing upon the recommendation of the field office. The field office shall recommend such action only when the standards for transfer or change in use are satisfied and conversion is

particularly beneficial to the prospective purchasers or necessary to address the problems of a distressed project, or where other circumstances exist which in the opinion of the Area Office Manager justify such action. In addition, the provisions of HUD Handbook 4350.1 (insured Project Servicing Handbook) pertaining to partial release must be satisfied.

Multifamily Sales

The sale of HUD-owned formerly unsubsidized, multifamily projects is governed by 24 CFR, Part 290. In balancing the objectives set forth in Section 290.20, particular attention should be given to the need for rental housing in the market area in which the project is located. If there is a significant, unmet need for rental housing, the field office director shall provide in the disposition recommendation for the preservation of the project as rental housing.

Tenant-Sponsored Conversion

The Department will approve use of the Section 234(c) and 203(n) programs, transfer of physical assets and change in use in connection with the tenant-sponsored conversions even though the 125 percent standard is not met. Such conversions must be sponsored by residents of the project and must have the support of a majority of the residents. For this purpose, support may be shown by a signed statement. A commitment to purchase a unit or an earnest money deposit is not required.

Tenant Benefits

In order to obtain Departmental approval for conversion, the tenants of the units being converted must be provided certain protection and benefits. Specifically, the Department shall require that protection and benefits be provided in the following ways:

1. The Department shall not consider a conversion-related request until the tenants have been given individual notice of the owner's (or contract purchaser's) intention to convert. The notice, at a minimum, should provide the following information:

- a. A brief description and schedule of the proposed conversion, including a general description of any physical improvement to the property to be made in connection with the conversion and an estimate of the sales price for various size units;

- b. A summary of applicable federal, state and local laws, including the requirements imposed by HUD; and

- c. The names, addresses and telephone numbers of a representative of the owner or converter and staff of

the local HUD office who can be contacted for additional information.

2. The owner or converter must:

- a. Establish to HUD's satisfaction that he is complying with all applicable laws and requirements; and

- b. Make available to tenants information regarding suitable housing alternatives in the community so that tenants can more easily obtain other housing where they wish or need to do so.

3. A tenant for a period of 60 days shall be provided a reasonable opportunity to purchase his or her unit at the lowest sale price at which the unit is offered, before that unit is offered for sale to others. In many instances tenants are offered units at a substantially discounted price. The Department does not intend in any way to discourage this practice.

4. A tenant who does not wish to purchase shall have the right to remain in his or her unit at the same rent, for a period of six months from the notice of intent to convert or until expiration of the tenant's current lease, whichever is later.

These provisions are in addition to the requirements of federal, state or local laws governing conversion and are not intended to abrogate such requirements.

Application of the 125% Standard

1. The special exception rent levels shall be used as the base where they are in effect.

2. To determine whether or not the 125% standard is satisfied, the relationship of individual units to the applicable FMRs, expressed as a percentage, shall be averaged. This figure, the average for all units, is the determinative one.

Reporting Requirements

For each conversion approved pursuant to this notice, the Field Office shall collect and forward to Headquarters the following information:

1. A description of the property being converted, including—Address; section of the Act under which it is or was insured; number and size of units; occupancy rate; rent levels prior to conversion; the average rent expressed as a percentage of FMR; and the number of units with rent in excess of FMR.

2. A description of the conversion, including—Form of ownership, condominium or cooperative; whether or not the conversion is tenant-sponsored; sale prices of the units by size (and type, if appropriate); and amount of discount for tenants, if any Sale price of the project Financing, interim and permanent Nature and extent a

significant physical improvements, if any.

3. A summary of the concerns of the tenants and actions taken to address these concerns.

4. An explanation of any special problems or circumstances. Any other comments.

5. A copy of the notice of the intent to convert.

[Docket No. N-80-1034]

Eligibility Requirements: Mortgagee Approval—Implementation of Fee Schedule

AGENCY: Office of Assistant Secretary for Housing-Federal Housing Commissioner, Department of Housing and Urban Development.

ACTION: General Notice—Listing of Application and Annual Fees To Be Paid to HUD by Mortgagees.

SUMMARY: On July 30, 1980 the Department published in the *Federal Register* at Docket No. R-80-844 as an interim rule, amended regulations governing the eligibility requirements for HUD mortgagee approval which are set forth in 24 CFR Part 203, §§ 203.1 through 203.9. This Notice sets forth the schedule of application and annual fees to be paid to HUD by mortgagees.

FOR FURTHER INFORMATION CONTACT: Andrew Zirnekis, Office of Mortgagee Activities, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, D.C. 20410, (202) 755-7330 (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: Section 203.2(a)(11) of 24 CFR requires a mortgagee, other than a Governmental Institution or National Mortgage Association, to pay an application and annual fee to HUD, including fees for each branch office authorized to submit applications for mortgage insurance in the amounts and at such times as HUD may require. This Notice sets forth the schedule of fees to be paid by mortgagees which will take effect on October 1, 1980.

Schedule of Application Fees

Main Office—\$250.

Authorized Agent (except an agent for a Governmental Institution or National Mortgage Association)—\$250.
Branch Office Registration—\$50.

All mortgagees other than Governmental Institutions and National Mortgage Associations or their Authorized Agents applying for HUD approval must submit the nonrefundable application fee and authorized agent fee to the HUD Field Office having jurisdiction over the mortgagee's or authorized agent's main office facility for which approval is requested. The nonrefundable branch office registration fee must be submitted to the HUD Field Office having jurisdiction over the branch office facility. The fees must be submitted with the appropriate mortgagee approval application forms which may be obtained from HUD Field Offices. All applications and registrations received by the HUD Field Offices without the required fee or with payment in an incorrect amount will be returned to the applicant as unacceptable.

Schedule of Annual Fees

HUD-approved mortgagees main office—\$150.

Branch Office registered with HUD—\$50.

All mortgagees other than Governmental Institutions or National Mortgage Associations must pay an annual fee to HUD in the amounts indicated in the schedule of annual fees. Payment of the annual fee must be submitted with Form HUD 92001V, Yearly Verification Report, to the HUD Field Office having jurisdiction over the location of the mortgagee's main office facility. The failure to pay the required annual fee will be included as a grounds for withdrawal of mortgagee approval in the final rule under 24 CFR Part 25. Mortgagees which are approved as Governmental Institutions and National Mortgage Associations are not required to pay the annual fee, they must, however, submit the Form HUD 92001V.

The Form HUD 92001V is used by HUD to verify its data as to a mortgagee's status and operations. HUD will send this form to all HUD-approved mortgagees following the close of the mortgagee's fiscal year. For those approved mortgagees on which HUD does not have an established fiscal year end in its records, the Form HUD 92011V will be sent during January of each year. Where appropriate, mortgagees must correct erroneous data on this form prior to submitting the form to the HUD Field Office. If the required annual fee is not submitted with the Form HUD 92001V,

or the payment is in an incorrect amount, the form will be returned to the mortgagee.

Bureau of Land Management

Arizona—Final Wilderness Inventory Decision for Hualapai-Aquarius Planning Area

I hereby announce the final Hualapai-Aquarius special inventory decision under the authority of Sec. 603 of the Federal Land Policy and Management Act of 1976 and in accordance with the guidelines in the September 27, 1978, BLM *Wilderness Inventory Handbook* and Organic Act Directive No. 78-61, change 3.

By publication in the September 7, 1979 *Federal Register* page 52349, the BLM announced the beginning of a 60 day public review and comment period on the 17 intensive inventory units totalling approximately 483,695 acres. The public comment period ended on November 12, 1979. During the public comment period, six open houses were held at various locations throughout Arizona. All comments, whether mailed in or presented at an open house in writing or verbally, as well as late comments received in time to be reviewed before final decision was made, were all considered. They have been read, recorded, analyzed, and, where appropriate, field checked. The final intensive wilderness inventory report, including maps, is available upon request from Bureau of Land Management, Phoenix District, 2929 West Clarendon Avenue, Phoenix, Arizona 85017.

¹ Before public comment.
² After public comment.

All of the above inventory units will be subject to Interim Management Policy and Guidelines (IMP) until the decision becomes effective. The decision for each inventory unit is

considered individually and separately from the decision for every other unit. These decisions will become effective on November 14, 1980 unless timely protests are received by the Arizona State Director.

Persons wishing to protest any of the decisions announced herein must file a written protest with State Director, 2400 Valley Bank Center, Phoenix, Arizona 85073, on or before 4:15 p.m., November 14, 1980. Only those protests received in the Arizona State Office by time and date specified will be accepted.

The protest must specify the inventory unit, by number, to which it is directed. It must include a clear and concise statement of the reasons for the protest, as well as data to support the reasons stated.

At the conclusion of the protest period, the State Director will publish in the *Federal Register*, a notice of those decisions what were not protested and therefore have become final, and those decisions which are under formal protest. The notice will identify those inventory units under protest and will announce that the decision on the units will not become final pending a decision on the protest and any resulting appeal.

The State Director will issue a written decision on any protest which is filed according to the above requirements and will publish a notice in the *Federal Register* of the action taken in response to the protest.

Any person adversely affected by the State Director's decision on a written protest, may appeal such decision under the provisions of 43 Code of Federal Regulations (CFR) Part 4.

Clair M. Whitlock,
State Director.
