Section 791 authorizes the Secretary to award grants to public or nonprofit private educational entities (including schools of social work but excluding schools of public health) to support accredited graduate educational programs in health administration, hospital administration, and health planning. An application may not be approved unless the program for which support is requested has been accredited by an accrediting body or bodies approved for such purpose by the Secretary of Education, (that is, the Accrediting Commission on Education for Health Services Administration).

Each application must contain assurances that at least 25 individuals will graduate from the program for which support is requested in the school year beginning in the fiscal year for which a grant is received; and that the applicant shall expend or obligate at least \$100,000 from non-Federal sources for such programs.
