FEDERAL RESERVE SYSTEM

Agency Forms Under Review

December 20, 1982.

Background

When executive departments and independent agencies propose public use forms, reporting, or recordkeeping requirements, the Office of management and Budget (OMB) reviews and acts on those requirements under the Paperwork Reduction Act [44 U.S.C. Chapter 35]. Departments and agencies use a number of techniques to consult with the public on significant reporting requirements before seeking OMB approval. OMB in carrying out its responsibilities under the act also considers comments on the forms and recordkeeping requirements that will affect the public. Reporting or recordkeeping requirements that appear to raise no significant issues are approved promptly. OMB's usual practice is not to take any action on proposed reporting requirements until at least ten working days after notice in the *Federal Register*, but occasionally the public interest requires more rapid action.

List of Forms Under Review

Immediately following the submission of a request by the Federal Reserve for OMB approval of a reporting or recordkeeping requirement, a description of the report in published is the *Federal Register*. This information contains the name and telephone number of the Federal Reserve Board clearance officer (from whom a copy of the form and supporting documents is available). The entries are grouped by

type of submission—i.e., new forms, revisions, extensions (burden change), extensions (no change), and reinstatements.

Copies of the proposed forms and supporting documents may be obtained from the Federal Reserve Board clearance officer whose name, address, and telephone number appear below. The agency clearance officer will send you a copy of the proposed form, the request for clearance (SF 83), supporting statement, instructions, transmittal letters, and other documents that are submitted to OMB for review.

Request for Deletion of an Existing
Report

1. Report title: Monthly Report of
Outstanding Commercial and
Industrial Loans to U.S. Addressees,
by Industry

Agency form number: FR 2416a

Frequency: Monthly

Reporters: Commercial banks

SIC Code: 602pt.

Small businesses are affected.

General description of report:

Respondent's obligation to respond is
voluntary [12 U.S.C. 248(a), (i) and 353
et seq.]; a pledge of confidentiality is
promised [5 U.S.C. 552(b) (4) and (b)
(8)].

The report collects data by business
of borrower. The data are used for
monitoring sources of demand for
business loans at banks and the extent
of only term lending by banks. For some
time the Federal Reserve has been able
to make only limited use of the 2416a
data. It has become increasingly difficult
to categorize loan data by type of
industry given the rise in conglomerate
activity that has occurred over recent
years. Therefore, it was decided that the
2416a should be discontinued.

System, December 21, 1982.

James McAfee,

Associate Secretary of the Board.
