[Airspace Docket No. 86-ASO-22]

Alteration of Control Zone, Atlanta, GA

AGENCY: Federal Aviation Administration (FAA), DOT.**ACTION:** Final rule; request for comments.

SUMMARY: This amendment updates the geographical coordinates, runway numbers and navigational aids upon which the Atlanta, Georgia, control zone is predicated. No significant change in airspace designation will result from this action.

DATES: Effective date: 0901 UTC, October 23, 1986. Comments must be received on or before August 28, 1986.

ADDRESSES: Send comments on the rule in triplicate to:

Federal Aviation Administration, ASO-530, Manager, Airspace and Procedures Branch, Docket No. 86-ASO-22, Air Traffic Division, P.O. Box 20636, Atlanta, Georgia 30320.

The official docket may be examined in the Office of the Regional Counsel, Room 652, 3400 Norman Berry Drive, East Point, Georgia 30344, telephone: (404) 763-7646.

FOR FURTHER INFORMATION CONTACT: Donald Ross, Supervisor, Airspace Section, Airspace and Procedures Branch, Air Traffic Division, Federal Aviation Administration, P.O. Box 20636, Atlanta, Georgia 30320; telephone: (404) 763-7646.

SUPPLEMENTARY INFORMATION:**Request for Comments on the Rule**

Although this action is in the form of a final rule, which involves editorial corrections to the Atlanta, Georgia, control zone, and was not preceded by notice and public procedure, comments are invited on the rule. When the comment period ends, the FAA will use the comments submitted, together with other available information, to review the regulation. After the review, if the FAA finds that changes are appropriate, it will initiate rulemaking proceedings to amend the regulation. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in evaluating the effects of the rule and determining whether additional rulemaking is needed. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy aspects of the rule that might suggest the need to modify the rule.

The Rule

The purpose of this amendment to § 71.171 of Part 71 of the Federal Aviation Regulations (14 CFR Part 71) is to correctly list the geographical coordinates, runway numbers and type of navigational aids upon which the Atlanta, Georgia, control zone is predicated. Section 71.171 of Part 71 of the Federal Aviation Regulations was republished in FAA Order 7400.6B dated January 2, 1986.

Under the circumstances presented, the FAA concludes that there is a need to alter the description of the Atlanta, Georgia, control zone to properly reflect the data upon which airspace is designated. The changes are so minor and nonsubstantive, I find that notice or public procedure under 5 U.S.C. 553(b) is unnecessary.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "major rule" under Executive Order 12291; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Waivers to the CFT requirement may be granted by the Air Force Academy Director of Athletics if a candidate's participation in high school athletics conflicts with test administration dates and the candidate clearly demonstrates an acceptable level of physical fitness.

Subpart B—Nomination Procedures and Requirements

§ 901.7 Precandidate evaluation.

The Air Force Academy conducts a precandidate evaluation program as an initial step in the admissions process and as an aid to Members of Congress in screening their applicants for nomination.

(a) Applicants normally are sent a precandidate packet, including USAFA Form 149, Precandidate Questionnaire, with a request for the applicant to provide academic, athletic, leadership, and medical information.

(b) The Academy evaluates the precandidate information and provides an analysis to appropriate congressional offices. Such information gives the nominating authorities an indication of the applicant's potential to qualify for admission and the applicant's self-reported medical status; it does not, however, reflect the applicant's final admission status. It is intended only to aid in selecting the best-qualified applicants for nomination.

(c) Applicants whose evaluation indicates they are fully qualified will be notified and advised to seek a nomination. Individuals whose evaluations reflect areas needing improvement are informed and encouraged to submit additional test scores or information in an effort to meet the qualifying levels.

§ 901.8 Congressional and U.S. Possessions categories.

Individuals who meet the basic eligibility requirements of § 901.4 may apply for a nomination according to their domicile (permanent legal residence).

(a) U.S. Senators, U.S. Representatives, the District of Columbia Delegate to the House of Representatives, and the Resident

Commissioner of Puerto Rico are each authorized a quota of five cadets attending the Academy at any one time. If a vacancy occurs in their quota, each may nominate ten candidates to fill each vacancy.

(b) Delegates in Congress from Guam and from the Virgin Islands are each authorized a quota of two cadets attending the Academy at any one time. If a vacancy occurs in their quota, each may make ten nominations. Eligible residents may apply for a nomination directly to their Delegate.

(c) The Governor of Puerto Rico, the Delegate from American Samoa, and the Panama Canal Commission Administrator may each have one cadet attending the Academy and each may nominate ten candidates to fill their vacancy.

(1) Applicants domiciled in and natives of Puerto Rico may apply to the Governor of Puerto Rico in addition to the Resident Commissioner.

(2) Applicants domiciled in American Samoa may apply to their Delegate.

(3) Children of civilian personnel of the U.S. Government residing in the Republic of Panama who are citizens of the United States may apply to the Panama Canal Commission Administrator.

(d) Nominating authorities in these categories normally submit their nominations by January 31 for the class entering the following summer.

(1) These nominating authorities may nominate only if a vacancy occurs from their authorized quota of cadets attending the Academy. Vacancies normally occur from graduation or separation of cadets from the Academy. Failure of a member of a graduating class to complete the Academy program with his class does not delay the admission of his or her successor. HQ USAF/DPPA maintains the master records of cadets nominated and appointed, determines vacancies in each nominating authority's quota, and validates nominations submitted by each nominating authority.

(2) These nominating authorities forward their nominations on DD Form 1870, Nomination for Appointment to the U.S. Military Academy, Naval Academy, or Air Force Academy, for each Air Force Academy nominee through HQ USAF/DPPA, Washington, DC 20330-5060, to USAFA/RRS, USAF Academy, Colorado Springs, CO 80840-5651.

§ 901.9 Vice-Presidential category.

The Vice President of the United States nominates from the United States at large, and is authorized a quota of five cadets attending the Academy at

any one time. For each vacancy occurring in the quota, ten individuals may be nominated to fill the vacancy. Requests for a nomination are submitted directly to the Vice President no later than October 31. Any individual who meets the basic eligibility requirements of § 901.4 may apply to the Vice President for a nomination. The Vice President forwards nominations on DD Form 1870 for each Air Force Academy nominee through HQ USAF/DPPA, Washington, DC 20330-5060, to USAFA/RRS, USAF Academy, Colorado Springs, CO 80840-5651.

§ 901.10 Presidential category.

Appointments to fill vacancies from this category are made from candidates in order of merit. One hundred appointments are authorized each year.

(a) The child of a Regular or Reserve member of the Armed Forces of the United States is eligible for nomination if:

(2) The parent was retired with pay or was granted retired or retainer pay (children of reservists retired and receiving pay pursuant to 10 U.S.C., Chapter 67, are ineligible); or

(3) The parent died after retiring with pay or died after being granted retired or retainer pay (children of such reservists who were retired and receiving pay pursuant to 10 U.S.C., Chapter 67, are ineligible); and

(4) The applicant does not meet the eligibility requirements for the Children of Deceased or Disabled Veterans (CODDV) nomination category. (By law, a person eligible for appointment consideration under the DOCCV category is not a candidate in the Presidential category.)

Note.—For the purpose of this category, children are defined as the natural children of a parent and adopted children whose adoption proceedings were initiated before their 15th birthday.

(b) *The principal competitive-alternate method.* The nominating authority designates his or her principal nominee and names up to nine other nominees who are evaluated by the Academy and ranked behind the principal nominee in order of merit. If the principal nominee is fully qualified, that individual is offered the appointment; otherwise, the fully qualified nominee ranked the highest by the Academy is offered the appointment.

(c) *The competitive method.* At the request of the nominating authority, the Academy evaluates the records of all the nominees and ranks them in order of merit. The fully qualified nominee ranked the highest by the Academy is offered the appointment.

§ 901.19 Qualified alternate selection.

Fully qualified candidates not offered appointments in their nominating category are placed in a nationwide pool of qualified alternates. To bring the

Cadet Wing up to full strength, additional appointments are selected from this pool in order of merit. The first 150 additional appointments are of individuals having nominations from Members of Congress. § 901.21 Notification of selection or nonselection.

(a) Notification of candidates selected for appointment are furnished by USAFA/RRS to HQ USAF/DPPA. HQ USAF/DPPA notifies Members of Congress and the Vice President of offers of appointment. After HQ USAF/DPPA notifies the nominating sources and advises USAFA/RRS that notification has been completed, USAFA/RRS notifies each appointee (civilian, Regular or Reserve service member) by letter, enclosing an acceptance or declination statement form. On receipt of an acceptance statement for each unconditional offer of appointment, USAFA/RRS forwards the completed candidate file to Cadet Examinations and Records (USAFA/RR). Conditional offers of appointment that have been accepted are held by USAFA/RRS until the conditional factor is resolved—medical status cleared, satisfactory preparatory school or college transcript received, proof of citizenship provided, etc. HQ USAF/DPPA is notified of removal of conditional status from offer of appointment in order to notify nominating sources as stated above. USAFA/RR completes admissions in-processing by:

- (1) Forwarding an appointment kit which includes detailed reporting instructions to each appointee.
- (2) Issuing invitation to travel orders.
- (3) Notifying the Directorate of Cadet Personnel (USAFA/DPYC) of Regular airmen appointees. Regular airmen in technical school completes all phases of training, if time permits, before reporting to the Academy. On graduation, the airmen remain at the technical school in casual status (unless otherwise directed by HQ AFMPC/MPCRAC1) until earliest reporting date for the Academy.
- (b) The Department of Defense Medical Examination Review Board (DODMERB) notifies applicants of their medical status. USAFA/RRS informs HQ USAF/DPPA of changes in medical status of candidates offered conditional appointments.
- (c) USAFA/RRS notifies each unsuccessful candidate by May 1. For active duty Air Force personnel, the servicing CBPO also is notified and cancels the airman's Assignment Availability Code 05.

§ 901.22 Notification of change of address or station assignment.

The applicant or nominee is personally responsible for notifying USAFA/RRS, USAF Academy, Colorado Springs, CO 80840-5651, of every change of address or station assignment. Notifications from military personnel must include complete name, grade, SSN, and new organization or unit to which assigned.

§ 901.23 Filling Presidential and airmen nominating categories.

If any of the annual quotas of cadets authorized in the Regular airman, Reserve airman, or Presidential nomination categories are not filled, then candidates from the other two categories may fill the vacancies on a best-qualified basis.

§ 901.24 Supply of forms.

USAFA Forms 146, 147, 148 and 149 are stocked and issued by USAFA/RRS, USAF Academy, Colorado Springs, CO 80840-5651. DD Form 1870 is stocked and issued by the Air Force Academy Activities Group, HQ USAF/DPPA, Washington, DC 20330-5060.

§ 901.25 Obligation of cadet appointment.

- (a) A cadet who enters the Air Force Academy directly from civilian status and takes an oath of allegiance as a cadet normally assumes a military service obligation of not less than 6 years nor more than 8 years under 10 U.S.C. 651.
- (b) A cadet who enters the Air Force Academy from the Regular or Reserve

component of the Air Force and fails to complete the Academy course of instruction reverts to enlisted status to complete any prior service obligation under 10 U.S.C. 516.

(c) If they are minors, cadets are required to sign an agreement with the parent's or guardian's consent that they will fulfill the following obligations:

- (1) Complete the Academy course of instruction unless disenrolled from the Academy by competent authority.
- (2) Accept an appointment and on graduation serve as a commissioned officer in a Regular component of one of the armed services for 5 years.
- (3) Serve as a commissioned officer in the Reserve component until the 8th anniversary if authorized to resign from the Regular component before the 8th anniversary of their graduation.
- (4) Be subject to the separation policies in AFR 53-3 and, perhaps, be required to serve on active duty in enlisted status if disenrolled from the Academy before graduation.
- (5) Reimburse the U.S. Air Force under regulations prescribed by the Secretary of the Air Force for the costs of Academy education if the recipient, voluntarily or because of misconduct, fails to complete the period of active duty incurred.

§ 901.26 Cadet's oath of allegiance.

On admission, each appointee (except foreign cadets) will be required to take the following oath of allegiance:

"I (name), having been appointed an Air Force cadet in the United States Air Force, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office of which I am about to enter. So Help Me God."

If an appointee refuses to take and subscribe to the oath, the appointment is terminated.

§ 901.27 Charging of appointees.

Appointment of candidates is according to § 901.18. Selecting of the charged cadets from the nominees for each vacancy is accomplished as follows:

- (a) *Principal nominee, numbered-alternate method.* Principal, if meeting the admission criteria, is appointed and charged. Otherwise the 1st alternate, if meeting the admission criteria, is appointed and charged or the next succeeding numbered alternate who

meets the admission criteria is appointed and charged. In instances where a candidate received two principal nominations from two Congressional sources, the principal normally is charged to the Member of Congress submitting the principal nomination first.

(b) *Principal nominee, competitive-alternate method.* Principal, if meeting the admission criteria, is appointed and charged. All alternates are ranked according to merit. If the principal does not meet admission criteria, the highest ranking alternate is appointed and charged.

(c) *Competitive nominee method.* The group of competitive nominees are evaluated, ranked according to merit, and the highest-ranked nominee, if meeting the admission criteria, is appointed and charged.

(d) *Multiple Congressional nominations.* For candidates receiving numerous nominations, normally the candidate is charged to the congressional source. If the candidate is nominated by several congressional sources, the candidate normally is charged to the slate of the congressional member where the candidate ranks the highest, unless the candidate is the principal nominee or a numbered alternate.

(e) *Other sources of nomination.* All other candidates not nominated by congressional, Vice-Presidential, or U.S. Possessions who are appointed are charged to that nominating source (Presidential, AFJROTC, AFROTC, CODDV, Medal of Honor, etc.).

(f) *Qualified alternates.* To bring the Cadet Wing up to strength, the qualified alternate appointed according to § 901.19 is charged to the Secretary of the Air Force as a qualified alternate. Those candidates having congressional, Vice-Presidential, or U.S. Possessions nominations appear as a qualified alternate for that nominating source.

(g) *Multiple congressional and other sources of nominations.* For appointees who have multiple nominations, USAFA/RRS determines the appointment category to which they are assigned. Normally a cadet with both congressional and non-congressional nominations is assigned to a congressional authority. Designation of "charged" cadets (those filling a Vice-Presidential, congressional, or U.S. Possessions quota) also is accomplished by USAFA/RRS according to § 901.18. USAFA/RRS notifies HQ USAF/DPPA of these assignments which are audited and verified by HQ USAF/DPPA. The Vice Presidential and nominating authorities in Congress and U.S. Possessions are notified of their charged

appointees and other nominees who win appointments by HQ USAF/DPPA.

§ 901.28 OMB approval of information collection requirements.

The information collection requirements in this Part 901 have been approved by the Office of Management and Budget under Control numbers 0701-0026, 0701-0063, 0701-0064, 0701-0066 and 0701-0087.

Coast Guard

33 CFR Part 165

[CGD8-86-03]

Safety Zone; Mississippi River Along the Right Descending Bank at Mile 145.9 Above Head of Passes

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing a safety zone in the Mississippi River along the right descending bank at Mile 145.9, above Head of Passes, in the area of the Gramercy-Wallace bridge construction site. This safety zone is needed to protect persons from possible injury and to safeguard the bridge construction site from damage. Entry into this zone is prohibited unless authorized by the Captain of the Port.

DATES: This regulation becomes effective on June 15, 1986 and will terminate when the construction of the Gramercy-Wallace bridge is complete. Comments on this regulation must be received on or before August 1, 1986.

ADDRESS: Comments should be mailed to Captain of the Port, 4640 Urquhart Street, New Orleans, LA. The comments will be available for inspection and copying at 4640 Urquhart Street, Room A-303, New Orleans, LA. Normal office hours are between 7:00 a.m. and 3:30 p.m., Monday through Friday, except holidays.

FOR FURTHER INFORMATION CONTACT: LCDR Larry L. Hereth or LT Scott A. Newsham at (504) 589-7117.

SUPPLEMENTARY INFORMATION: In accordance with 5 U.S.C. 553, a Notice of Proposed Rulemaking was not published for this regulation and good cause exists for making it effective in less than 30 days from the date of publication. Following normal

rulemaking procedures would have been contrary to the public interest since immediate action is needed to prevent injury to anyone in the area or damage to the construction site.

Although this regulation is published as a final rule without prior notice, an opportunity for public comment is nevertheless desirable to ensure that the regulation is both reasonable and workable. Accordingly, persons wishing to comment may do so by submitting written comments to the office listed under "ADDRESS" in this preamble. Commenters should include their names and addresses, identify the docket number for the regulations, and give reasons for their comments. Based upon comments received, the regulation may be changed.

Drafting Information

The drafters of this regulation are LCDR Larry L. Hereth, Port Safety Officer, and LT Scott A. Newsham, Project Officer for the Captain of the Port, and LCDR James J. Vallone, Project Attorney, Eighth Coast Guard District Legal Office.

Discussion of Regulation

This is a revision to 33 CFR 165.T849. This revision is necessary to protect persons and equipment associated with the construction of the Gramercy-Wallace bridge at Mile 145.9 above the head of passes on the Mississippi River. The area between pier two and the right descending bank will be used as a staging area and a site for falsework which is necessary to erect the bridge. Therefore, it will be closed to all river traffic.

BILLING CODE 4910-14-M

VETERANS ADMINISTRATION

38 CFR Parts 2 and 14

Delegations of Authority; General Counsel et al.

AGENCY: Veterans Administration.

ACTION: Final regulation amendments.

SUMMARY: The VA (Veterans Administration) is amending its regulations to delegate to the VA General Counsel and designees the authority to compromise, settle, or waive a claim to recover the costs of health care from a third party. This authority was granted to the Administrator in an amendment to 38 U.S.C. 629 contained in Pub. L. 99-272, the Veterans' Health Care Amendments of 1986.

DATES: The amendments will be effective June 19, 1986.

FOR FURTHER INFORMATION CONTACT: E. Douglas Bradshaw, Jr., Deputy Assistant General Counsel, Veterans Administration, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 389-2252.

SUPPLEMENTARY INFORMATION:

Section 19013 of Pub. L. 99-272 amended 38 U.S.C. 629 which concerns VA recovery of costs of health care from third parties. Section 629, as amended, authorizes the Administrator to compromise, settle, or waive any VA claim for reimbursement of the cost of health care.

This amendment to 38 CFR 2.6(e)(5) delegates to the General Counsel, Deputy General Counsel, Assistant General Counsel (Professional Staff Group I), Deputy Assistant General Counsel of said staff group, and District Counsels, or those authorized to act for them, authority to collect in full, compromise, settle, or waive any claim and execute the release thereof. The District Counsel's authority is limited to claims not exceeding \$40,000.

This amendment to 38 CFR 14.619(c) will, in a case where the District Counsel determines that a claim is appropriate under the provisions of 38 CFR 17.48(g) or 38 U.S.C. 629 for the cost of medical, hospital, or surgical care, authorize the District Counsel to assert a claim and collect payment in full. The District Counsel will have authority to compromise, settle, waive, suspend or terminate collection activity on any claim not exceeding \$40,000. Claims in excess of \$40,000 could only be compromised, settled, or waived with the approval of the General Counsel. Any such claim not compromised, settled, or waived or where collection action was not suspended or terminated would be referred to the appropriate United States Attorney with sufficient data to enable that office to protect the interest of the Government. A copy of all materials referred to the United States Attorney will be furnished to the General Counsel.

Under 38 CFR 1.12 prior publication of these delegations of authority for public comment is unnecessary since they concern only internal VA management. Because a prior notice of proposed rule making is not required and will not be published, these changes do not come within the term "rule" as defined in and made subject to the requirements of the Regulatory Flexibility Act, 5 U.S.C. 601(2).

In any case, these amendments will not have a significant economic impact on a substantial number of small entities as they are defined in that Act. No regulatory or administrative burdens are imposed upon small entities. Also, since these regulation amendments are related solely to internal agency management, they do not come within the term "rule" as defined in section 1.(a)(3) of Executive Order 12291 entitled Federal Regulation; consequently they are not subject to requirements of that Order.

There are no Catalog of Federal Domestic Assistance numbers associated with these amendments.

Administrator.

PART 2—DELEGATIONS OF AUTHORITY

1. In § 2.6(e), new paragraph (e)(10) is added to read as follows:

(38 U.S.C. 629(c)(1))

PART 14—LEGAL SERVICES, GENERAL COUNSEL

2. In § 14.619, paragraph (c) is revised to read as follows:

§ 14.619 Collection action.

(c) In a case where the District Counsel determines that a claim is appropriate under the provisions of § 17.48(g) of this chapter or 38 U.S.C. 629, for the cost of medical, hospital, or surgical care, the District Counsel may assert the claim and collect payment in full. The District Counsel may compromise, settle, waive, suspend or terminate collection activity on any claim not exceeding \$40,000. Claims in excess of \$40,000 may only be compromised, settled, or waived with the approval of the General Counsel. Any such claim not compromised, settled, or waived or where collection action is not suspended or terminated will be referred to the appropriate United States Attorney with sufficient data to enable that office to protect the interest of the Government. ENVIRONMENTAL PROTECTION AGENCY**40 CFR Part 52**

[A-10-FRL-3037-1]

Approval and Promulgation of Implementation Plans; Washington**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Final rule.

SUMMARY: In this action EPA is promulgating federal regulations for visibility new source review (NSR) for the State of Washington. The regulations were proposed for 34 States, including Washington, at 49 FR 42670 on October 23, 1984. Washington subsequently submitted state implementation plan (SIP) revisions for visibility which included visibility NSR provisions. However, EPA has determined that the visibility NSR provisions are inadequate and has proposed disapproval in a separate notice (51 FR 17208, May 9, 1986). Under the terms of a settlement agreement between EPA and the Environmental Defense Fund (EDF), EPA is therefore promulgating federal visibility NSR regulations for Washington.

EFFECTIVE DATE: This action will be effective on July 28, 1986.

SUPPLEMENTARY INFORMATION:**I. Background**

Section 169A of the Clean Air Act (Act), 42 U.S.C. 7491, requires visibility protection for mandatory Class I federal areas where EPA has determined visibility is an important value.

"Mandatory Class I federal areas" are certain national parks, wilderness areas, and international parks as described in section 162(a) of the Act, 42 U.S.C. 7472(a). The mandatory Class I federal areas where visibility is an important value are identified in EPA regulations at 40 CFR 81.400-437. Section 169A specifically requires EPA to promulgate regulations requiring certain States to amend their SIP's to provide visibility protection. On December 2, 1980, EPA promulgated the required visibility regulations at 45 FR 80084, codified at 40 CFR 51.300 et seq. In December 1982, the Environmental Defense Fund (EDF) filed a citizen suit alleging that EPA failed to perform a nondiscretionary duty under section 110(e) of the Act to promulgate visibility SIP's for States that had failed to submit such SIP revisions to EPA. The EPA and EDF negotiated a settlement agreement for deficient States which the court approved on April 20, 1984.

The settlement agreement requires EPA to promulgate visibility SIP's on a specified schedule for those States that have not submitted visibility SIP revisions to EPA and for those States which EPA determines that submitted SIP revisions are not adequate. (For more information on the settlement agreement, see 49 FR 20647 on May 16, 1984.) The EPA proposed SIP revisions for 34 States including Washington on October 23, 1984 at 49 FR 42670. The settlement agreement requires EPA to approve the State submittal or to promulgate federal programs.

II. Summary of Action

On September 6, 1983, January 5, 1984, and April 15, 1985, Washington submitted final SIP revisions to EPA. Washington's submittals included revisions to its attainment area and nonattainment area NSR programs designed to meet the federal visibility NSR requirements of § 51.307. EPA found the revisions to Washington's NSR program inadequate to meet the requirements of § 51.307 and has proposed to disapprove them in a separate notice (51 FR 17208, May 9, 1986). EPA has already promulgated the federal visibility provisions for attainment areas (40 CFR 52.21, promulgated July 12, 1985, at 50 FR 28544) for Washington codified at 40 CFR 52.2497. EPA is today, therefore, promulgating the federal visibility NSR program for nonattainment areas for Washington.

III. Comments

The EPA took comment on the proposed disapprovals and federal programs in the fall of 1984. These comments can be obtained through Docket A-84-32 at the Public Information Reference Unit address given in the beginning of this notice. All major issues raised during the comment period with regard to the federal programs were addressed in the promulgation notice of July 12, 1985, at 50 FR 28544. No comments were submitted that were specific to Washington.

Administrative Review

The rules have been submitted to the Office of Management and Budget (OMB) for review under Executive Order 12291.

Under 5 U.S.C. 605(b), I certify that this promulgation will not have a significant economic impact on a substantial number of small entities.

The rules promulgated today do not contain any information collection requirements subject to OMB review under the Paperwork Reduction Act of 1980, U.S.C. 3501 et seq.

Under section 307(b)(1) of the Act, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by August 25, 1986. This action may not be challenged later in proceedings to enforce its requirements (see 307(b)(2)).

GENERAL SERVICES ADMINISTRATION

41 CFR Part 105-53

Statement of Organization and Functions

AGENCY: General Services
Administration.

ACTION: Final rule.

SUMMARY: The General Services Administration (GSA) is revising its statement of organization and functions to reflect its current organizational structure. This revision reflects the abolishment of the Office of Program Control and the Office of Policy and Management Systems; establishment of the Office of Congressional Affairs, the Office of Policy Analysis, and the Office of Public Affairs; retitling of the Office of the Associate Administrator for Administration as the Office of Administration, the Office of Federal Supply and Services as the Federal Supply Service, and the Office of Information Resources Management as the Information Resources Management Service; and adds responsibility for operating the Federal Computer Performance Evaluation and Simulation Center (FEDSIM). This regulation is informational in nature and is published in accordance with the Freedom of Information Act.

EFFECTIVE DATE: June 26, 1986.

FOR FURTHER INFORMATION CONTACT: Sylvester H. Kish, Director, Organization and Staff Utilization Division (202-566-0086).

SUPPLEMENTARY INFORMATION: The General Services Administration (GSA) has determined that this rule is not a major rule for the purposes of E.O. 12291 of February 17, 1981, because it is not likely to result in an annual effect on the economy of \$100 million or more; a major increase in costs to consumers or others; or significant adverse effects. Therefore, a Regulatory Impact Analysis has not been prepared. GSA has based all administrative decisions underlying this rule on adequate information concerning the need for, and the

consequence of, this rule; has determined that the potential benefits to society from this rule outweigh the potential costs and has maximized the net benefits; and has chosen the alternative approach involving the least net cost to society.
