drop smuggling. They are also less congested than Lindbergh Field which makes it easier to track individual aircraft by means of radar devices. These factors will combine to make Customs enforcement activities more effective and more easily manageable in this area of the country.

Brown Field is already the preferred destination of most private aircraft arriving from foreign countries in the San Diego area. In FY 1985, there were 870 private aircraft arrivals from foreign countries at Lindbergh Field compared to 4115 such arrivals at Brown Field and 5262 such arrivals at Calexico International Airport. This revocation in no way affects Lindbergh Field's status as an international airport under § 6.13, Customs Regulations (19 CFR 6.13), and in no way prohibits private aircraft that have crossed the U.S.-Mexican border and complied with § 6.14 by landing at Brown Field or Calexico International Airport, from subsequently landing at Lindbergh Field.

Inapplicability of Public Notice and Delayed Effective Date Requirements

This amendment is being published without an opportunity for public comment or a delayed effective date under the authority of 5 U.S.C. 553(b)(B). The severity of the drug problem in the U.S. is well documented. Customs is always looking for weak links in our drug interdiction efforts and when found, seeks to correct them as expeditiously as possible. The situation surrounding Lindbergh Field is providing a loophole in our enforcement efforts that is allowing illegal drugs and contraband to enter the U.S. It must be stopped as quickly as possible. Therefore. Customs has determined that it would be contrary to the public interest to unnecessarily delay the removal of the designated airport status of Lindbergh Field.

Regulatory Flexibility Act

This document is not subject to the provisions of 5 U.S.C. 603, 604, as added by section 3 of Pub. L. 96–354, the "Regulatory Flexibility Act." That Act does not apply to any regulations such as this for which a notice of proposed rulemaking is not required by the Administrative Procedure Act (5 U.S.C. 551 *et seq.*) or any other statute.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Housing—Federal Housing Commissioner

24 CFR Parts 207 and 221

[Docket No. R-86-615; FR-2253]

Technical Corrections to Multifamily Housing Mortgage Insurance and Low Cost and Moderate Income Mortgage Insurance Regulations

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Final rule.

SUMMARY: This final rule makes technical revisions in 24 CFR Part 207, multifamily housing mortgage insurance, to correct errors in cross-references, and restores an inadvertently deleted phrase in 24 CFR Part 221, low cost and moderate income mortgage insurance.

EFFECTIVE DATE: September 26, 1986.

FOR FURTHER INFORMATION CONTACT: Mr. James Hamernick, Director, Office of Insured Multifamily Housing Development, Room 6134, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410–800. Telephone (202) 755–6500. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On February 8, 1979, the Department published an interim rule which added a new paragraph (b)(3) to 24 CFR 207.258 and redesignated the existing paragraphs (b)(3) and (b)(4) as (b)(4) and (b)(5), respectively. (See 44 FR 8195.) The rule, however, failed to revise § 207.258(b)(4)(iv) and § 207.259(b)(2)(iii) to conform existing cross-references. This final rule makes those revisions.

This rule also replaces several words which were inadvertently deleted from the 1972 codification of 24 CFR 221.761(c), and which have remained missing from the adopted rule in the intervening years. The amendment to § 221.761(c) corrects the section to reflect its content before the error, and serves to clarify the requirements set out in that section.

Notice and public procedure are considered unnecessary because this rule makes only minor technical corrections to HUD rules which do not represent any change in policy or procedure. Accordingly, this document is being published as a final rule.

This final rule is the kind of internal administrative procedure that 24 CFR 50.20 excludes from the requirements in 24 CFR Part 50, the HUD rules implementing section 102(2)(c) of the National Environmental Policy of 1969, 42 U.S.C. 4332.

This rule does not constitute a "major rule" as that term is defined in section 1(b) of Executive Order 12291 on Federal Regulations, issued by the President on February 17, 1981.

Under 5 U.S.C. 605(b) (the Regulatory Flexibility Act), the Undersigned hereby certifies that this rule would not have a significant economic impact on a substantial number of small entities. Since no person's rights or obligations are adversely affected by this rule, it would have no economic impact.

This rule was not listed in the Department's Semiannual Agenda of Regulations published on April 21, 1986 (51 FR 14036) under Executive Order 12291 and the Regulatory Flexibility Act.

List of Subjects

24 CFR Part 207

Mortgage insurance, Rental housing, Mobile home parks.

24 CFR Part 221

Condominiums, Low and moderate income housing, Mortgage insurance, Displaced families, Single family housing, Projects, Cooperatives.

Accordingly, the Department amends § 207.258(b)(4)(iv), § 207.259(b)(2)(iii) and § 221.761(c) as follows:

PART 207—MULTIFAMILY HOUSING MORTGAGE INSURANCE

(iii) The sum of the cash items retained by the mortgagee pursuant to § 207.258(b)(5), except the balance of the mortgage loan not advanced to the mortgagor.

* * * * *

PART 221—LOW COST AND MODERATE INCOME MORTGAGE INSURANCE

4. The authority citation for 24 CFR Part 221 continues to read as follows:

Authority: Sections 211 and 221 of the National Housing Act (12 U.S.C. 1715(b), 1715l); section 7(d) of the Department of Housing and Urban Development Act (42 U.S.C. 3535(d)).

5. Section 221.761(c) is revised to read as follows:

§ 221.761 Forbearance relief.

* * * * *

(c) If the mortgagor fails to meet the requirements of a forbearance agreement or to cure the default under the mortgage at the expiration of the forbearance period, and such failure continues for a period of 30 days, the mortgagee shall notify the Commissioner of such failure. Within 45 days thereafter, unless a modification or extension of the forbearance agreement has been approved by the Commissioner, the mortgagee shall notify the Commissioner of its election to file an insurance claim and of its decision to either assign the mortgage to the Commissioner or to acquire and convey title to the property to the Commissioner. If the mortgage is assigned to the Commissioner, the special insurance benefits prescribed in § 221.763 shall be applicable.

[Docket No. N-86 1626; FR-2251]

Government National Mortgage Association; List of GNMA Attorneys-In-Fact

AGENCY: Government National Mortgage Association, HUD.

ACTION: Notice announcing list of attorneys-in-fact.

SUMMARY: This document updates the current list of persons appointed attorneys-in-fact by the Government National Mortgage Association (GNMA). Attorneys-in-fact are authorized to act for GNMA by executing documents in its name in conjunction with servicing GNMA's mortagage purchase programs. These appointments assist GNMA in carrying out its responsibilities under the National Housing Act.

EFFECTIVE DATE: August 4, 1986.

FOR FURTHER INFORMATION CONTACT: John Maxim, Associate General Counsel, Insured Housing and Finance, Office of the General Counsel, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410. Telephone (202) 755–6274. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: The Government National Mortgage Association (GNMA) periodically approves staff members of the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corportation (Freddie Mac) to be delegated signatory authority to act in GNMA's behalf as attorneys-in-fact.

On August 12, 1983 (48 FR 36572), GNMA announced that it was removing the list of persons appointed to act from the CFR, changing the procedure of announcing appointments to a notice document, and publishing a complete list of persons currently appointed to act as attorneys-in-fact. The rule removing the list from the CFR was effective on October 11, 1983.

This notice today announces changes to the list of persons authorized to act as attorneys-in-fact. The changes include additions to and deletions from the Federal National Mortgage Association list. To enhace the usability of these notices, the Department has decided to republish the entire list of attorneys-in-fact each time changes are made.

Accordingly, the following lists represent all persons currently appointed as attorneys-in-fact delegated signatory authority to act in GNMA's behalf:

I. Staff members of the Federal National Mortgage Association, a government-sponsored private corporation, appointed attorneys-in-fact.

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 161

[CGD 86-049]

New Orleans Vessel Traffic Service

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: This document amends the New Orleans Vessel Traffic Service regulations to indicate the existence and operation of an informational light located on the Mississippi River at Westwego, New Orleans. This light informs downbound vessel operators whether the control light at Gretna (Gretna Light) is red or green. This information is necessary to improve safety on the waterway.

EFFECTIVE DATE: August 4, 1986.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Powers, (202) 267-0415.

SUPPLEMENTARY INFORMATION: This final rule amends the New Orleans Vessel Traffic Service (VTS) regulations by adding a note describing the existence and loation of an informational light at Westwego, approximately 101.4 miles above Head of Passes (AHP). This light has been in existence but was inadvertently left out of the final rule establishing the VTS (44 FR 47932; August 16, 1979). The note indicating the existence of the Westwego Light is for information purposes only. This light informs downbound mariners on the Mississippi River of the kind of display (red or green) indicated on the control light at Gretna (Gretna Light), approximately 96.6 miles AHP.

This final rule was not preceded by a notice of proposed rulemaking and is being made effective in less than 30 days after publication in the **Federal Register**. Adding this note to the existing rules merely informs vessel operators that there exists a means of knowing whether a downstream control light, which may be out of their line of sight, is red or green. Therefore, the Coast Guard has determined that notice and public procedure thereon are unnecessary under 5 U.S.C. 553 (b)(3)(B). Because this addition has no substantive effect, good cause exists for making it effective in less than 30 days after publication, under 5 U.S.C. 553 (d).

Drafting Information

The principal persons involved in drafting this final rule are Mr. Michael J. Powers, Project Manager, Office of Navigation, and Mr. Stephen H. Barber, Project Counsel, Office of Chief Counsel.

Regulatory Evaluation

This regulatory change is considered to be non-major under Executive Order 12291 and non-significant under the DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979). There is no economic impact by adding this note to existing rules; therefore further evaluation is unnecessary. This note merely provides information as to an additional traffic light that exists within
