Visual Information Documentation (VIDOC) Program

AGENCY: Department of the Air Force, DOD.

ACTION: Final rule.

SUMMARY: The Department of the Air Force revised the regulation establishing policy for the management of the Air Force visual information documentation (VIDOC) program. It implements Department of Defense (DOD) Directive 5040.2, and describes how the program is accomplished. The revision updates functional address symbols and implements new terminology.

EFFECTIVE DATE: January 25, 1988.

ADDRESS: HQ USAF/SCV, Washington, DC 20330.

FOR FURTHER INFORMATION CONTACT: Major Cultice, HQ USAF/SCV, Washington, DC 20330, telephone (202) 695-9610.

SUPPLEMENTARY INFORMATION: The Department of the Air Force published a proposed rule in the **Federal Register** on October 8, 1987, establishing policy for the management of the Air Force visual information documentation program (52 FR 37636). No comments were received.

The Department of the Air Force has determined that this regulation is not a major rule as defined by Executive Order 12291, is not subject to the relevant provisions of the Regulatory Flexibility Act of 1980 (Pub. L. 96-354), and does not contain reporting or recordkeeping requirements under the criteria of the Paperwork Reduction Act of 1980 (Pub.L. 96-511).

List of Subject in 32 CFR Part 811a

Archives and records, Motion pictures.

Therefore, 32 CFR Part 811a is revised to read as follows:

32 CFR PART 811a—VISUAL INFORMATION DOCUMENTATION (VIDOC) PROGRAM

Authority: 10 U.S.C. 8013.

§ 811a.1 Purpose.

This part establishes policy for the management of the Air Force visual information documentation (VIDOC) program. It implements Department of Defense (DOD) Directive 5040.2 and describes how the program is accomplished. It applies to all Air Force personnel including United States Air Force Reserve and Air National Guard units and members. The term major command (MAJCOM), when used in this part includes separate operating agencies and direct reporting units. The Air Force VIDOC program:

(a) Records, through visual information (VI) means (still photographs, motion pictures, video, audio tape, and so forth), imagery of significant Air Force events that document the employment, growth, progress, and exercise of Air Force resources during peacetime and in combat.

(b) Collects and preserves visual imagery of significant Air Force events with known or potential historical or archival value.

(c) Ensures imagery which depicts the prime mission, support activities, and significant events of key Air Force organizations is available. VIDOC imagery or products are used for many purposes, at all levels, in the Air Force. Examples are:

(1) *Immediate use.* Documentation used to help analyze and evaluate concepts and results of deployments, contingencies, tests, exercises, and so forth, during peacetime and in combat to support Air Force, DOD, and national objectives. VIDOC provides source material for slides, motion picture clips, video tapes, multimedia products, and so forth; used for training, management, information, and briefing purposes. In wartime, products are used to support theater commanders psychological operations objectives, operational briefings, status reports, public affairs requirements, collateral intelligence, and the historical record.

(2) *Future use.* VIDOC materials with long-term or permanent value are retained in DOD central record centers, the National Air and Space Museum, and the National Archives. These make up the pictorial records of development, growth, and progress of air power and provide a continued resource for VI productions and other media presentations.

§ 811a.2 Material sources for the VIDOC program.

(a) The primary sources of VI documentation materials are:

(1) Aerospace Audiovisual Service (AAVS) documentation crews, both ground and aerial, whose primary mission is to acquire Air Force imagery in peacetime and in combat.

(2) Base VI support centers (VISC).

(3) Optical instrumentation and engineering imagery of Air Force research, development, test, and evaluation (RDT&E) projects, including that material originated by defense and aerospace contractors.

(4) Armament delivery recording (ADR) imagery.

(b) Although the imagery may not originate from a documentation requirement, when properly processed, indexed, and stored, it serves as a valuable source of VI documentation.

§ 811a.3 Disposition of VI documentation materials.

(a) VI materials generated or acquired by Air Force members, employees, or contractors in conducting official duties are the property of the United States Air Force. Personal use of VI material for sale or any other reason not directly related to an official Air Force activity is prohibited. Any deviation from this policy must be approved by HQ USAF/SCV. This policy also applies when Air Force members or employees, by choice or agreement, occasionally use personally owned equipment or supplies in conducting official duties.

(b) Photographs, motion picture films, transparencies, video tapes, audio recordings, and other VI products are subject to safeguards and release requirements when released outside the Department of Defense (see Part 806 and Part 837 of this chapter).

VETERANS ADMINISTRATION

38 CFR Part 8a

Veterans Mortgage Life Insurance

AGENCY: Veterans Administration.

ACTION: Final regulatory amendments.

SUMMARY: The Veterans Administration (VA) is amending its Veterans Mortgage Life Insurance (VMLI) regulations to provide that where an eligible veteran ceases to own the housing unit purchased in part with a grant, or a subsequently acquired housing unit which was subject to a mortgage loan that resulted in his or her life being insured under Veterans Mortgage Life Insurance, he or she will again be eligible for full Veterans Mortgage Life Insurance coverage up to the statutory maximum. Eligibility for maximum coverage will not be reinstated where a housing unit is being remortgaged or refinanced.

EFFECTIVE DATE: December 24, 1987.

FOR FURTHER INFORMATION CONTACT: Paul F. Koons, Assistant Director for Insurance, Veterans Administration Regional Office and Insurance Center, P.O. Box 8079, Philadelphia, PA 19101 (215) 951-5360.

SUPPLEMENTARY INFORMATION: On pages 26356 nd 26357 of the Federal Register of July 14, 1987, proposed regulatory amendments were published providing that eligibility for maximum VMLI coverage may be reinstated under certain circumstances. Interested parties were given 30 days within which to submit written comments, suggestions, or objections regarding the proposed regulatory amendments. No written objections were received and the proposed regulations are hereby adopted without change and are set forth below.

The Administrator hereby certifies that these final regulatory amendments will not have a significant impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (RFA), 5 U.S.C. 601-612. Pursuant to 5 U.S.C. 605(b) these final regulatory amendments are, therefore, exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604. The reason for this certification is that these final regulatory amendments will affect only certain VMLI policyholders. They will, therefore, have no significant direct impact on small entities in terms of compliance costs, paperwork requirements or effects on competition.

The VA has also determined that these final regulatory amendments are nonmajor in accordance with Executive Order 12291, Federal Regulation. These final regulatory amendments will not have a large effect on the economy, will not cause an increase of costs or prices, and will not otherwise have any significant adverse economic effects.

PART 8a—VETERANS MORTGAGE LIFE INSURANCE

38 CFR Part 8a—Veterans Mortgage Life Insurance is amended as follows:

1. Section 8a.2 is revised to read as follows:

§ 8a.2 Maximum amount of insurance

(a) Each eligible veteran is authorized up to a maximum of $40,000 in Veterans Mortgage Life Insurance (VMLI) to insure his or her life during periods he or she is obligated under a mortgage loan, except that, as to an individual housing unit, whenever there is a reduction in the actual amount of insurance in force as provided for in § 8a.4(b) of this title, the amount of Veterans Mortgage Life Insurance thereafter available to insure the life of the same veteran on the same housing unit is permanently reduced by a like amount.

(b) The maximum amount of insurance in force on any one life at one time shall not exceed the lesser of the following amounts:

(1) $40,000.

(2) For insurance issued prior to December 24, 1987, the reduced maximum amount of insurance then available to an eligible veteran.

(3) The amount of the unpaid principal of the mortgage loan outstanding on the date of approval of the grant on a housing unit then owned and occupied by the eligible veteran, or on a housing unit being or to be constructed or remodeled for the eligible veteran, and such initial amount of insurance may be adjusted upward, subject to the maximum insurance available to the eligible veteran, or downward, depending upon the amount of the mortgage loans outstanding on the date of full disbursement of the grant, or on the date of final settlement of the purchase, construction, or remodeling agreement, whichever date is the later date.

(4) Where an eligible veteran ceases to own the housing unit purchased or adapted in part with a grant, or subsequently acquired housing unit which was subject to a mortgage loan that resulted in his or her life being insured under Veterans Mortgage Life Insurance, and becomes obligated under a mortgate loan on another housing unit occupied or to be occupied by the eligible veteran, the amount of the unpaid principal outstanding on the mortgage loan on the newly acquired housing unit on the date insurance hereunder is placed in effect.

(5) Where an eligible veteran incurs or refinances a mortgage loan, subject to the provisions of paragraph (a) of this section, the amount of the incurred or refinanced mortgage loan.

(6) Where the title to a housing unit is or will be vested in an eligible veteran and his or her spouse, the amount of insurance shall not exceed the principal amount of the outstanding mortgage loans. If title to an undivided interest in a housing unit is or will be vested in a person other than the spouse of an eligible veteran, the amount of Veterans Mortgage Life Insurance or his or her life shall be computed to be such part of the total of the unpaid principal of the loan outstanding on the housing unit as is proportionate to the undivided interest of the veteran in the entire property.

(7) All claims, arising out of the deaths of insured veterans occurring prior to October 1, 1976, shall be subject to the $30,000 lifetime maximum amount of insurance then in effect.

(8) All claims, arising out of the deaths of insured veterans occurring prior to (date of final publication), shall be subject to the provisions of paragraph (a) of this section then in effect which limited the amount of Veterans Mortgage Life Insurance coverage to a lifetime maximum per eligible veteran.

(c) Any eligible veteran who prior to October 1, 1976, was covered by $30,000 Veterans Mortgage Life Insurance and who on that date became eligible to have his or her coverage increased may elect to retain the lesser amount of coverage he or she had in effect prior to that date.

(Authority: 38 U.S.C. 210, 806)

2. In § 8a.4, paragraph (b) and the first sentence of paragraph (d) are revised and an authority citation is added at the end of the section to read as follows:

§ 8a.4 Coverage.

* * * * *

(b) The amount of Veterans Mortgage Life Insurance in force on his or her life at any one time shall be reduced simultaneously (1) with the reduction in the principal of the mortgage loan, whether or not the mortgage loan is amortized, and (2) in addition, if the mortgage loan is amortized, according to the schedule for the reduction of the principal of the mortgage loan whether or not the schedule payments are timely made.

* * * * *

(d) Subject to the $40,000 maximum amount of insurance, and to the reduced maximum amount of insurance available to the eligible veteran, he or she is entitled to be insured under Veterans Mortgage Life Insurance or to apply for such insurance as often as he or she becomes obligated under a mortgage loan or a refinanced mortgage loan on a housing unit or a successor housing unit owned and occupied by the eligible veteran.* * *

POSTAL SERVICE

39 CFR Part 111

Domestic Mail Manual; Forwarding of Fourth-Class Mail

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: This rulemaking modifies the process by which the Postal Service forwards fourth-class mail. Under the modified procedure, the Postal Service will attempt to forward all fourth-class mail unless the sender specifically endorses the package to the contrary. Under the former procedures, forwarding to a different post office depended upon a prior agreement by the addressee to pay forwarding postage.

EFFECTIVE DATES: This rule is effective December 24, 1987, except that grace periods are allowed for the phase-out of several endorsements as explained below.

FOR FURTHER INFORMATION CONTACT: John Sadler, (202) 268–3523.

SUPPLEMENTARY INFORMATION: On July 27, 1987, the Postal Service published a proposed rule to modify the process of forwarding fourth-class mail, 52 FR 28021. The Postal Service received eight written comments to the proposed rule.

All eight comments favored the proposed rule change because it was preferable to the current process which they believe is not well understood by individuals. Specifically, the commenters indicated that they believe that most individuals do not adequately understand what is included in fourth-class mail and, as a result, do not understand the Postal Service's request to indicate whether they will guarantee payment of fourth-class forwarding postage when they fill out a change of address card. The commenters concluded that the proposed rule, which would provide that all fourth-class mail is forwarded to the addressee who will be allowed at the point of delivery to either accept or refuse delivery and payment of postage, will result in more pieces being accepted with fewer returns because recipients will be refusing only those packages which they truly do not want.

Several commenters also indicated that they felt that the endorsements "Address Correction Requested" and "Forwarding and Return Postage Guaranteed, Address Correction Requested" were redundant. Most of these commenters urged elimination of the "Address Correction Requested" endorsement since it does not provide our delivery personnel with sufficiently explicit instructions as to the service desired by the mailer. We agree with this argument and, at the end of a one-year grace period (December 24, 1988), we will eliminate "Address Correction Requested" as an officially recognized endorsement.

Several commenters also argued that the "Do Not Forward" endorsement was not sufficiently specific as to mailer intent and the resultant Postal Service action. We agree and are changing the "Do Not Forward" endorsement to "Do Not Forward, Do Not Return". Mailers may, however, continue to use the endorsement "Do Not Forward" during a one-year grace period, until December 24, 1988.

Although two commenters argued for elimination of the disposal of the mail option there were other commenters who agreed with the option and clearly desired it. Based on these comments and our own views, the Postal Service will retain this option which allows a mailer to elect to have the Postal Service dispose of an undeliverable piece instead of returning it to the sender. We have also added a new endorsement based on several comments which requested an "off piece" address correction and the disposal of the mail piece. The endorsement will be "Do Not Forward, Do Not Return, Address Correction Requested."

Ordinarily the Postal Service delays the effective date of a final rule until thirty days after the date of publication. In this case, we believe an exception is warranted, and accordingly we are making the rule effective upon publication in the Federal Register. Our reasons for doing so are the following. Those affected by the rule will be permitted, if they wish, to continue following the former procedure during a one year grace period. Secondly, because the new rule requires the Postal Service to print and distribute several new forms, the sooner we can begin that rather lengthy process the sooner the service can be offered to mailers who uniformly want and need it.

Based on our proposed rule and the comments received thereto, the Postal Service hereby amends the Domestic Mail Manual, which is incorporated by reference in the Code of Federal Regulations (see 39 CFR 111.1.), as follows:

PART 111—[AMENDED]

1. The authority citation for Part 111 continues to read as follows:

Authority: 5 U.S.C. 552(a); 39 U.S.C. 101, 401, 403, 404, 3001–3011, 3201–3219, 3403, 3621, 5001.

PART 159—UNDELIVERABLE MAIL

2. In 159, revise Exhibit 159.151f to read as follows:

Exhibit 159.151f—Treatment of Undeliverable Fourth-Class Mail Including Parcel Post (Forwarded up to 12 months)

Mailer endorsement	USPS action
No Endorsement	Forward locally at no charge, forward out of town postage due. If undeliverable or addressee refuses to pay postage, return mail pieces with new address or reason for nondelivery; charge both forwarding (where attempted) and return postage.
Do Not Forward, Do Not Return [1]	No forwarding or return service is provided, mail pieces is disposed of by the Postal Service.
Forwarding and Return Postage Guaranteed	Same as no endorsement.
Forwarding and Return Postage, Guaranteed, Address Correction Requested [2].	Forward locally at no charge; forward out of town postage due. If forwarded, provide a separate address correction notice; charge address correction fee. If mail piece is undeliverable, or addressee refuses to pay postage, return mail piece with new address or reason for nondelivery; charge both forwarding (where attempted) and return postage at the appropriate single-piece fourth-class rate.
Do Not Forward, Do Not Return, Address Correction Requested.	No forwarding or return service is provided; provide a separate address correction notice; charge address correction fee; mail piece is disposed of by Postal Service.

Mailer endorsement	USPS action
Do Not Forward, Address Correction Requested, Return Postage Guaranteed [3].	No forwarding service is provided; return mail piece with new address or reason for nondelivery; charge return postage at the appropriate single piece fourth-class rate.

[1] Mailers may continue to use the endorsements "Do Not Forward" which has been changed to "Do not Forward, Do not Return" and the "Address Correction Requested" endorsement which will be eliminated after a period of one year. This grace period expires on December 24, 1988.

[2] The authorized abbreviation for this endorsement is FWD & RET Postage Guaranteed—ACR.

[3] The authorized abbreviation for this endorsement is Do Not Forward-ACR-RPG or DNF-ACR-Return Postage Guaranteed.

NOTE.—These regulations apply to mail associated with a customer change of address. Do not provide temporary change of address information at any time.

3. In 159.2, revise .212 and .24d to read as follows:

159.2 Forwarding.

* * * * *

.212 Unless endorsed *Do Not Forward, Do Not Return,* fourth-class mail is forwarded locally for 1 year free of charge. The addressee is charged forwarding postage for pieces forwarded non-locally. However, the addressee is not required to accept each article; it is the addressee's option to refuse any piece of fourth-class mail. Such refusal does not revoke the right to have other fourth-class mail forwarded. If the addressee intends to refuse to pay forwarding postage on all fourth-class mail and desires that the Postal Service not forward such mail, the addressee must request the postmaster to send Form 3546, *Notice to Change Forwarding Order,* to the postmaster at the old address, requesting that the forwarding of fourth-class mail be discontinued.

* * * * *

.24 Postage for Forwarding.

* * * * *

d. Fourth-class mail is subject to the collection of additional postage for nonlocal forwarding at the appropriate single-piece rate. Unless endorsed *Do Not Forward, Do Not Return,* all fourth-class will be delivered as directed when the old and new addresses are served by the same single-ZIP Coded or multi-ZIP Coded post office. Additional postage is not charged.

PART 790—ANCILLARY SERVICES (FOURTH-CLASS MAIL)

4. In 790, revise 791, 792 and 793 to read as follows:

790 Ancillary Services.

791 Forwarding and Return.

Unless endorsed *Do Not Forward, Do Not Return,* fourth-class mail will be forwarded locally for 1 year at no charge. (For forwarding purposes, local is defined as the same single-ZIP Coded or multi-ZIP Coded post office.) Unless specifically endorsed *Do Not Forward, Do Not Return* or unless the customer has filed a Form 3546, *Notice to Change Forwarding Order,* non-local forwarding for 1 year will be provided at an additional charge. Undeliverable fourth-class mail bearing no endorsement or the endorsement *Forwarding and Return Postage Guaranteed, Address Correction Requested* or *Forwarding and Return Postage Guaranteed* is forwarded, when the new address is known. Forwarding postage will be collected from the addressee if the mail piece is accepted. The recipient may refuse to pay the forwarding postage on any piece of fourth-class mail (and have the piece returned) and still continue to have other fourth-class mail forwarded. Form 3546 will be used only if the addressee intends to refuse to pay for forwarding on all fourth-class mail and requests the postmaster of the new address to notify the postmaster of the old address that forwarding service on fourth-class mail is not desired. The appropriate single-piece rates and conditions are applicable to forwarding and return of fourth-class items mailed at single piece, presort, and bulk rates. If the piece cannot be forwarded because the new address is not known, it will be given return service (see 792), unless endorsed *Do Not Forward, Do Not Return.* During months 13 through 18 mail pieces will be returned with the correct new (forwarding) address or the reason for nondelivery attached unless endorsed *Do Not Forward, Do Not Return.*

792 Return.

792.1 Endorsed and Unendorsed Pieces. Unless endorsed *Do Not Forward, Do Not Return,* all undeliverable fourth-class mail (after forwarding has been attempted) will be returned postage due to the sender (or the person designated by the sender) with the reason for nondelivery attached. No address correction fee is charged.

792.2 Pieces Bearing a Meter Stamp. When fourth-class mail bearing a postage meter stamp of a private mailer is received unaddressed and without return address, and delivery cannot be made, the piece must be returned to the post office of mailing. The reason for nondelivery will be attached without charging the address correction fee. The office of mailing will deliver the piece to the meter licensee on payment of the return postage.

793 Address Correction.

The addressee's new (forwarding) address, or the reason for nondelivery if the new address is not known, may be obtained by the sender either independently of or in combination with the return and forwarding services provided by 791 and 792. To obtain this service, the mailing piece must bear the endorsement: *Forwarding and Return Postage Guaranteed, Address Correction Requested;* or *Do Not Forward, Do Not Return, Address Correction Requested;* or *Do Not Forward, Address Correction Requested, Return Postage Guaranteed* according to the service desired. See Exhibit 159.151f for details. Temporary changes of address are not provided. The following conditions govern these services:

a. When a piece bears the endorsement *Do Not Forward, Do Not Return, Address Correction Requested:* Form 3579, *Undeliverable 2d, 3d, 4th Class Matter,* or a markup label is used to notify the sender. The address-correction fee is charged (See 712.2). Form 3579 or a markup label utilizing the customer's old address will be prepared for mailing to the sender in an envelope in the same manner that address correction notices are prepared for mailing to second-class publishers. *Exception:* When address labels are affixed to plastic wrappers, or a window-address format is used on a mail piece, making compliance with the foregoing instructions difficult, Form 3547, *Notice to Mailer of Correction in Address,* will be substituted to provide the requested information.

b. If a piece bearing the endorsement *Forwarding and Return Postage Guaranteed, Address Correction Requested* must be returned to the sender by the post office of original address because the piece cannot be forwarded, Form 3579 or a markup label is affixed to the piece, and it is returned to the sender at the applicable single-piece fourth-class postage for the piece. No address correction fee is charged.

c. If a piece bearing the endorsement *Fowarding and Return Postage Guaranteed, Address Correction Requested* is forwarded to the addressee, then Form 3547 is used by the post office of original address to furnish the sender with the new address. The address correction fee is charged (see 712.2).

d. Forwarding address information will not be provided for mail bearing an exceptional address format (see 122.422).

A transmittal letter making these changes in the pages of the Domestic Mail Manual will be published and will be transmitted to subscribers automatically. Notice of issuance of the transmittal letter will be published in the Federal Register as provided by 39 CFR, 111.3.

SUPPLEMENTARY INFORMATION: The National Flood Insurance Program (NFIP), enables property owners to purchase flood insurance at rates made reasonable through a Federal subsidy. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4022), prohibits flood insurance coverage as authorized under the National Flood Insurance Program (42 U.S.C. 4001-4128) unless an appropriate public body shall have adopted adequate floodplain management measures with effective enforcement measures. The communities listed in this notice no longer meet that statutory requirement for compliance with program regulations (44 CFR Part 59 *et seq.*). Accordingly, the communities will be suspended on the effective date in the fourth column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the Federal Register. In the interim, if you wish to determine if a particular community was suspended on the suspension date, contact the appropriate FEMA Regional Office or the NFIP servicing contractor.
