##### Gattefosse, S.A.; Filing of Petition for Affirmation of Gras Status

**AGENCY:** Food and Drug Administration.  
**ACTION:** Notice.

**SUMMARY:** The Food and Drug Administration (FDA) is announcing that a petition (GRASP 8G0344) has been filed on behalf of Gattefosse, S.A., proposing to affirm that glyceryl palmitostearate be affirmed as generally recognized as safe (GRAS) as a direct human food ingredient.

**SUPPLEMENTARY INFORMATION:** Under the Federal Food, Drug, and Cosmetic Act (sec. 409(b)(5), 72 Stat. 1786 (21 U.S.C. 348(b)(5))) and the regulations for affirmation of GRAS status in § 170.35 (21 CFR 170.35), notice is given that a petition (GRASP 8G0344) has been filed on behalf of Gattefosse, S.A., Saint-Priest, France, proposing that glyceryl palmitostearate be affirmed as GRAS for use as a direct human food ingredient.

The petition has been placed on display at the Dockets Management Branch (address above).

Thus, the filing of a petition for GRAS affirmation should not be interpreted as a preliminary indication of suitability for GRAS affirmation.

The potential environmental impact of this action is being reviewed. If the agency finds that an environmental impact statement is not required and this petition results in a regulation, the notice of availability of the agency's finding of no significant impact and the evidence supporting that finding will be published with the regulation in the **Federal Register** in accordance with 21 CFR 25.40(c).

**Health Care Financing Administration**

[OACT-020-N]

**Medicare Program; SNF Coinsurance Amount for 1989**

**AGENCY:** Health Care Financing Administration (HCFA), HHS.

**ACTION:** Notice.

**SUMMARY:** This notice announces that the skilled nursing facility coinsurance amount for calendar year 1989 for the 1st through 8th days of extended care services in a skilled nursing facility under Medicare's hospital insurance program (Part A) is \$25.50. The Medicare statute specifies the method to be used to determine this amount.

**EFFECTIVE DATE:** January 1, 1989.

**FOR FURTHER INFORMATION CONTACT:** Barbara S. Klees, (301) 966-6388.

**SUPPLEMENTARY INFORMATION:****I. Background**

Section 1813(a)(3) of the Act requires, until January 1, 1989, that the amount payable for extended care services in a skilled nursing facility during a spell of illness is to be reduced by an amount equal to one-eighth of the hospital deductible, per day, for the 21st through 100th day of covered extended care services.

Section 102 of Pub. L. 100-360 amended section 1813(a) and repealed section 1813(b)(3) of the Act to change the method of determining coinsurance for skilled nursing facility (SNF) care and to change the days subject to coinsurance. Beginning January 1, 1989, beneficiaries are liable for coinsurance for days one through eight of covered days spent in a SNF in a calendar year rather than days 21 through 100 in a spell of illness. Notice of the coinsurance amount applicable to extended care services in the succeeding year must be published in September.

**II. Skilled Nursing Facility Coinsurance Amount for 1989**

The coinsurance is 20 percent of the national average per diem cost estimated for a year by HCFA before September 1 of the previous year. The amount is rounded to the nearest multiple of \$.50. (If it is a multiple of \$.25 but not of \$.50, the amount is rounded to the next highest multiple of \$.50.)

The SNF coinsurance amount for calendar year 1989 is \$25.50.

**III. Statement of Actuarial Assumptions and Bases Employed in Determining the SNF Coinsurance Rate**

As discussed in Section II of this notice, the SNF coinsurance rate for 1989 is equal to 20 percent of the

national average per diem cost for Medicare extended care services for 1989. The national average per diem cost is determined on a reasonable cost basis and includes any cost sharing costs paid by the beneficiary.

The principal steps involved in projecting the future cost per day of skilled nursing care are: (a) Determining the present cost per day to serve as a projection base, using 100 percent sample of SNF bills, actual beneficiary billing experience (to identify coinsurance), and a review of SNF cost reports; and (b) projecting increases in cost per day amounts.

We have completed the above steps, basing our projections for 1989 on (a) current historical data from 1987 and (b) projection assumptions from the 1988 Annual Report of the Board of Trustees Alternative II-B (Intermediate) assumptions. It is estimated that in calendar year 1989 the national average per diem cost for Medicare extended care services is \$127.43. Thus, 20 percent of this cost is \$25.49, and the coinsurance rate is \$25.50.

**IV. Costs to Beneficiaries**

The coinsurance amount for 1989 represents a \$42 decrease from coinsurance for 1988. In addition, the coinsurance amount applies to the first eight days only in 1989. That is, we estimate that in 1989 there will be 2.3 million days subject to coinsurance at \$25.50 per day versus 3.7 million days subject to coinsurance at \$67.50 per day in 1988. The total savings to beneficiaries is about \$190 million.

**V. Regulatory Impact Statement**

This notice merely announces an amount required by legislation. This notice is not a proposed rule or a final rule issued after a proposal, and does not alter any regulation or policy. Therefore, we have determined, and the Secretary certifies, that no analyses are required under Executive Order 12291, the Regulatory Flexibility Act (5 U.S.C. 601 through 612) or section 1102(b) of the Act.

(Section 1813(a)(3)(C) of the Social Security Act (42 U.S.C. 1395a(a)(3)(C)).

**Public Health Service****Privacy Act of 1974; Alteration of System of Records**

**AGENCY:** Public Health Service, HHS.

**ACTION:** Notification of altered system of records.

**SUMMARY:** In accordance with the requirements of the Privacy Act, the Public Health Service (PHS) is publishing a notice of a major alteration to system of records 09-15-0045, "Health Resources and Services Administration Loan Repayment/Debt Management Records Systems, HHS/HRSA/OA." System of records 09-15-0045 is being altered to include debt management data from the Alcohol, Drug Abuse, and Mental Health Administration (ADAMHA) system of records 09-30-0027, "Grants and Cooperative Agreements: Research, Research Training, Research Scientist Development, Education, Demonstration, Prevention, Fellowship Clinical Training, Community Programs, HHS/ADAMHA/OA;" the National Institutes of Health (NIH) system of records 09-25-0112, "Extramural Awards: Research, Research Training, Fellowship and Construction Applications and Awards, HHS/NIH/OD;" and the Indian Health Service (IHS) system of records 09-17-0002, "Indian Health Service Scholarship Program, HHS/HRSA/IHS."

**DATE:** PHS invites interested parties to submit comments on the proposed alteration on or before November 21, 1988. PHS has sent a report of the Altered System to Congress and to the Office of Management and Budget (OMB) on October 12, 1988. The alteration of this system of records will be effective 60 days from the date of its submission to OMB, and the proposed routine uses will be effective 30 days from this publication, unless PHS receives comments which would result in a contrary determination.

**ADDRESS:** Please address comments to the HRSA Privacy Act Coordinator, Department of Health and Human Services, Room 14A-20, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857, telephone (301) 443-3780. This is not a toll-free number. We will make comments received available for public inspection at the above address during normal business hours, 8:30 a.m.-5 p.m.

**FOR FURTHER INFORMATION CONTACT:** James C. Hargrave, Chief, Debt Management Branch, Health Resources and Services Administration, Department of Health and Human Services, Room 16A-09, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857, telephone (301) 443-6344. This is not a toll-free number.

**SUPPLEMENTARY INFORMATION:** HRSA maintains System of Records 09-15-0045

to reduce the amount of outstanding debts owed to the Federal Government. The system of records covers individuals who have received student loans, scholarships, traineeships, or grant funds under Titles III, VII, and VIII of the Public Health Service Act as amended and who are delinquent in repaying either loans or funds owed in lieu of a service obligation under such programs.

To improve and expand the PHS debt collection effort, HRSA is altering this system of records to include delinquent debtor records from ADAMHA system of records 09-30-0027, NIH system of records 09-25-0112, and IHS system of records 09-17-0002 of individuals receiving Federal salaries or other benefit payments and who are indebted to the U.S. Government. The inclusion of this data in this system of records will allow PHS agencies to locate and initiate prompt collection action by contacting the debtors for voluntary repayment or by pursuing involuntary offset procedures against the debtors' wages.

The 09-15-0045 system notice was last published in the *Federal Register* on November 24, 1986 (51 FR 42519-42521) and routine uses were added on December 28, 1987 (52 FR 48880) and March 3, 1988 (53 FR 6874-6875). This proposed notice is written in the present, rather than future tense, in order to avoid the unnecessary expenditure of public funds to republish the notice after the changes have become effective.

The records may also be used by other components within the Department of Health and Human Services to facilitate loan or debt management activities. This system is maintained to reduce the amount of outstanding debts owed to the Federal Government.

**ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSE OF SUCH USES:**

1. Records may be disclosed to a congressional office from the record of an individual in response to a verified inquiry from the congressional office made at the written request of that individual.

2. Records may be disclosed to authorized persons employed at educational institutions where the recipient received a loan, scholarship, or grant. The purpose of this disclosure is to assist institutions in identifying delinquent borrowers and to enforce the conditions and terms of such loans, scholarships and grants.

3. HRSA will disclose from this system of records a delinquent debtor's name, address, Social Security number, and other information necessary to identify him/her; the amount, status, and history of the claim; and the agency or program under which the claim arose, as follows:

a. To another Federal agency so that agency can effect a salary offset for debts owed by Federal employees; if the claim arose under the Social Security Act, the employee must have agreed in writing to the salary offset.

b. To another Federal agency so that agency can effect an authorized administrative offset; i.e., withhold money payable to or held on behalf of debtors other than Federal employees.

c. To the Department of Treasury, Internal Revenue Service (IRS), to request a debtor's current mailing address to locate him/her for purposes of either collecting or compromising a debt, or to have a commercial credit report prepared.

4. In the event that a system of records maintained by this agency to carry out its functions indicates a violation or potential violation of law, whether civil, criminal or regulatory in nature, and whether arising by general statute or particular program statute, or by regulation, rule or order issued pursuant thereto, the relevant records in

the system of records may be referred to the appropriate agency, whether Federal, State or local, charged with enforcing or implementing the statute, rule, regulation, or order.

5. The Department may disclose information from this system of records to the Department of Justice, or to a court or other tribunal, when

(a) HHS, or any component thereof; or  
(b) Any HHS employee in his or her official capacity; or

(c) Any HHS employee in his or her individual capacity where the Department of Justice (or HHS, where it is authorized to do so) has agreed to represent the employee; or

(d) The United States or any agency thereof where HHS determines that the litigation is likely to affect HHS or any of its components, is a party of litigation or has an interest in such litigation, and HHS determines that the use of such records by the Department of Justice, the court or other tribunal is relevant and necessary to the litigation and would help in the effective representation of the governmental party, provided, however, that in each case, HHS determine that such disclosure is compatible with the purpose for which the records were collected.

6. Records may be disclosed to the General Accounting Office and to the Office of Management and Budget for auditing financial obligations to determine compliance with programmatic, statutory, and regulatory provisions.

7. HRSA may disclose information from this system of records to another agency that has asked the Department to effect an administrative or salary offset to help collect a debt owed to the United States. Disclosure is limited to the individual's name, address, Social Security number, and other information necessary to identify the individual; information about the money payable to or held for the individual, and other information concerning the administrative or salary offset.
