Part II

**Department of
Education**

**34 CFR Parts 400 and 401
State Vocational Education Program;
Final Regulations**

DEPARTMENT OF EDUCATION**34 CFR Parts 400 and 401****State Vocational Education Program****AGENCY:** Department of Education.**ACTION:** Final regulations.

SUMMARY: The Secretary amends the regulations governing the State Vocational Education Program. These final regulations implement statutory changes in Title II, Part D of the Augustus F. Hawkins—Robert T. Stafford Elementary and Secondary School Improvement Amendments of 1988 (Pub. L. 100-297).

EFFECTIVE DATE: These regulations take effect either 45 days after publication in the **Federal Register** or later if the Congress takes certain adjournments. If you want to know the effective date of these regulations, call or write the Department of Education contact person.

FOR FURTHER INFORMATION CONTACT: Mrs. Sharon A. Jones, Chairperson, Vocational Education Regulations Taskforce, U.S. Department of Education (Mary E. Switzer Building, Room 4521), 400 Maryland Avenue, SW., Washington, DC 20202-7120. Telephone: (202) 732-2470.

SUPPLEMENTARY INFORMATION:**Background**

These final regulations implement recent changes to the Carl D. Perkins Vocational Education Act (Act), 20 U.S.C. 2301 *et seq.* (Supp. IV 1986), made by Title II, Part D of the Augustus F. Hawkins—Robert T. Stafford Elementary and Secondary School Improvement Amendments of 1988, Pub. L. 100-297.

The regulations being amended affect the State Vocational Education Program which assists States in conducting, directly or through awards to local recipients, vocational education programs. The regulations that govern the State Vocational Education Programs are in 34 CFR Parts 400 and 401, and were published in the **Federal Register** on August 16, 1985 (50 FR 33226) and July 14, 1986 (50 FR 25492).

Waiver of Proposed Rulemaking

In accordance with section 431(b)(2)(A) of the General Education Provisions Act (20 U.S.C. 1232(b)(2)(A)) and the Administrative Procedure Act (5 U.S.C. 553), it is the practice of the Department of Education to publish regulations in proposed form and to offer interested parties the opportunity to comment on the proposed regulations.

Because these regulations merely incorporate changes made by statute, however, public comment could have no effect. Therefore, publication of this document as a proposed rule for public comment has been determined to be unnecessary under 5 U.S.C. 553(b)(B).

Executive Order 12291

These regulations have been reviewed in accordance with Executive Order 12291. They are not classified as major because they do not meet the criteria for major regulations established in the order.

Regulatory Flexibility Act Certification

The Secretary certifies that these regulations would not have a significant economic impact on a substantial number of small entities. Under the State Vocational Education Program, grants are available only to States, and States and State agencies are not defined as "small entities" in the Regulatory Flexibility Act. To the extent that these regulations have an impact on small entities, they repeat statutory requirements.

Paperwork Reduction Act of 1980

These proposed regulations have been examined under the Paperwork Reduction Act of 1980 and have been found to contain no information collection requirements.

Intergovernmental Review

Programs covered by 34 CFR Parts 400 and 401 are subject to the requirements of Executive Order 12372 and the regulations in 34 CFR Part 79. The objective of the Executive Order is to foster an intergovernmental partnership and a strengthened federalism by relying on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

In accordance with the order, this document is intended to provide early notification of the Department's specific plans and actions for this program.

Assessment of Educational Impact

The Secretary has determined that the regulations in this document do not require transmission of information that is being gathered by or is available from any other agency or authority of the United States.
