Aviation safety, Transition areas.

Adoption of the Amendment

Accordingly, pursuant to the authority delegated to me, part 71 of the Federal Aviation Regulations (14 CFR part 71) is amended as follows:

PART 71—DESIGNATION OF FEDERAL AIRWAYS, AREA LOW ROUTES, CONTROLLED AIRSPACE, AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 1348(a), 1354(a), 1510; Executive Order 10854; 49 U.S.C. 106(g) (Revised Pub. L. 97-449, January 12, 1983); 14 CFR 11.69.

§ 71.181 [Amended]

2. Section 71.181 is amended as follows:

That airspace extending upward from 700 feet above the surface within a 6.5-mile radius of the center (lat. 39°51'00" N. long. 76°12'55" W.) of Tanglewood Airport, Quarryville, PA, and within 4.5 miles each side of the Lancaster, PA, VORTAC 168° radial extending from the 6.5-mile radius area to the VORTAC.

Issued in Jamaica, New York, on September 25, 1989.

John D. Canoles,

Manager, Air Traffic Division.

BILLING CODE 4910-13-M

14 CFR Part 71

[Airspace Docket No. 89-AWP-18]

Amendment to San Jose, CA, Control Zone

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends the effective hours of the San Jose, California, control zone. The San Jose control zone is currently described as a full-time control zone. The control zone does not meet full-time control zone criteria; thus the need for an amendment to part-time status.

EFFECTIVE DATE: 0901 U.t.c., January 11, 1990.

FOR FURTHER INFORMATION CONTACT:

Jon L. Semanek, Airspace Specialist, System Management Branch, AWP-530, Air Traffic Division, Western-Pacific Region, Federal Aviation Administration, 15000 Aviation Boulevard, Lawndale, California 90261, telephone (213) 297-0433.

SUPPLEMENTARY INFORMATION:

History

On August 10, 1989, the FAA proposed to amend part 71 of the Federal Aviation Regulations (14 CFR part 71) to amend the effective hours of the San Jose, CA, control zone (54 FR 32827). Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments objecting to the proposal were received. Section 71.171 of Part 71 of the Federal Aviation Regulations was republished in Handbook 7400.6E dated January 3, 1989.

The Rule

This amendment to Part 71 of the Federal Aviation Regulations amends the effective hours of the San Jose, CA, control zone. The San Jose control zone is currently described in FAA Handbook 7400.6E as a full-time control zone. The control zone does not meet full-time control zone criteria; thus, there is a need for an amendment to part-time status.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a "major rule" under Executive Order 12291; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

List of Subjects in 14 CFR Part 71

Aviation safety, Control zones.

Adoption of the Amendment

Accordingly, pursuant to the authority delegated to me, part 71 of the Federal Aviation Regulations (14 CFR part 71) is amended, as follows:

PART 71—DESIGNATION OF FEDERAL AIRWAYS, AREA LOW ROUTES, CONTROLLED AIRSPACE, AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 1348(a), 1354(a), 1510; Executive Order 10854; 49 U.S.C. 106(g) (Revised Pub. L. 97-449, January 12, 1983); 14 CFR 11.69.

§ 71.171 [Amended]

2. Section 71.171 is amended as follows:

San Jose, CA [Revised]

Within a 5-mile radius of San Jose Municipal Airport (latitude 37°21'42" N/longitude 121°55'39" W), excluding the portion NW of a line from latitude 37°25'45" N/longitude 121°56'35" W; to latitude 37°19'30" N/longitude 122°00'10" W. This control zone is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will, thereafter, be continuously published in the Airport/Facility Directory.

Issued in Los Angeles, California, on October 6, 1989.

Jacqueline L. Smith,

Manager, Air Traffic Division Western-Pacific Region.

DEPARTMENT OF THE TREASURY

Customs Service

19 CFR Part 171

[T.D. 89-86]

Customs Regulations Amendments Concerning Seizure of Property for Possession of Controlled Substances; Correction

AGENCY: U.S. Customs Service, Treasury.

ACTION: Final rule; correction.

SUMMARY: In T.D. 89-86 published on September 11, 1989 (54 FR 37600), 19 CFR parts 162 and 171 were amended to provide certain expedited procedures when property is seized due to violations involving the possession of personal use quantities of controlled

substances. A typographical error appears in the document.

BILLING CODE 4820-02-M

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 180, 185, and 186

[OPP-300177A and 300178A; FRL 3661-3]

Chlordimeform; Revocation and Amendment of Tolerances and Food and Feed Additive Regulations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: This document (1) removes the tolerances listed in 40 CFR 180.285 for combined residues of the insecticide chlordimeform and its metabolites containing the 4-chloro-*o*-toluidine moiety (calculated as the insecticide) from application of the insecticide as the free base or as the hydrochloride salt in or on various raw agricultural commodities; (2) amends the tolerances for residues in or on meat, fat, and meat byproducts of cattle, goats, hogs, horses, and sheep; and (3) removes the food additive tolerances listed in 40 CFR 185.750 and 186.750 for residues in dried prunes and in the animal feed dried apple pomace, respectively, resulting from carryover and concentration of residues in these processed foods and feeds when present as a result of application of the insecticide to the growing crops plums (fresh prunes) and apples. EPA is taking this action to remove tolerances, including food and feed additive tolerances, for residues of a pesticide for which the related registered food uses were voluntarily cancelled by the registrants 5 to 10 years ago, and to amend (reduce) certain other tolerances affected by these cancellations.

EFFECTIVE DATE: October 25, 1989.

ADDRESS: Written objections, identified by the document control number [OPP-300177A and 300178A], may be submitted to the: Hearing Clerk (A-110),

Environmental Protection Agency, Room 3708, 401 M Street SW., Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT:

By mail: Patricia Critchlow, Registration Division (H7505C), Environmental Protection Agency, 401 M Street SW., Washington, DC 20460

Office location and telephone number:
Room 716, CM #2, 1921 Jefferson Davis Highway, Arlington, VA (703) 557-1806.

SUPPLEMENTARY INFORMATION: EPA issued a proposed rule published in the *Federal Register* of September 19, 1988 (OPP-300178 at 53 FR 36426), which (1) proposed the removal of the tolerances for residues of chlordimeform in or on various raw agricultural commodities, and (2) proposed the amendment of the tolerances for residues of chlordimeform in the meat, fat, and meat byproducts of cattle, goats, hogs, horses, and sheep; all the affected tolerances are listed in 40 CFR 180.285.

EPA also issued a second proposed rule published in the same issue of the *Federal Register* (OPP-300177 at 53 FR 36427), which proposed the removal of the food additive tolerances for combined residues of the insecticide chlordimeform [*N*-(4-chloro-*o*-tolyl)-*N,N*-dimethylformamidine] and its metabolites containing the 4-chloro-*o*-toluidine moiety (calculated as the insecticide) in or on dried prunes (40 CFR 185.750) and in the animal feed dried apple pomace (40 CFR 186.750), resulting from carryover and concentration of residues in these processed foods and feeds when present as a result of application of the insecticide to the growing crops plums (fresh prunes) and apples. This final rule consolidates the two proposals into one final rule document.

No public comments on either proposal or requests for referral to an advisory committee on OPP-300178 were received in response to the notices of proposed rulemaking.

Therefore, based on the information considered by the Agency and discussed in detail in the September 19, 1988 proposals and in this final rule, the Agency is hereby (1) removing the tolerances listed in 40 CFR 180.285 for combined residues of chlordimeform and its metabolites in or on the raw agricultural commodities apples, broccoli, brussels sprouts, cabbage, cauliflower, cherries, nectarines, peaches, pears, plums (fresh prunes), tomatoes, and walnuts; (2) reducing the tolerances listed in 40 CFR 180.285 for combined residues of chlordimeform and its metabolites in the meat, fat, and meat byproducts of cattle, goats, hogs,

horses, and sheep; and (3) removing the food additive tolerances for the combined residues of chlordimeform in or on dried prunes listed in 40 CFR 185.750 and in the animal feed dried apple pomace listed in 40 CFR 186.750.

Any person adversely affected by this regulation removing or amending certain tolerances and food and feed additive regulations for chlordimeform may, within 30 days after the date of publication of the regulation in the *Federal Register*, file written objections with the Hearing Clerk, at the address given above. Such objections submitted must specify the provisions of the regulation deemed objectionable and the grounds for the objections. If a hearing is requested, the objections must state the issues for the hearing. A hearing will be granted if the objections are supported by grounds legally sufficient to justify the relief sought.

This document has been reviewed by the Office of Management and Budget as required by section 3 of Executive Order 12291.

In order to satisfy requirements for analysis as specified by Executive Order 12291 and the Regulatory Flexibility Act, the Agency has analyzed the costs and benefits of the removal and amendment of tolerances and food and feed additive regulations for this chemical. This analysis is available for public inspection in Rm. 246, CM #2, 1921 Jefferson Davis Highway, Arlington, VA.

Executive Order 12291

As explained in the proposals published September 19, 1988, the Agency has determined, pursuant to the requirements of Executive Order 12291, that the removal and amendment of these tolerances will not cause adverse economic impact on significant portions of U.S. enterprises.

Regulatory Flexibility Act

This rulemaking has been reviewed under the Regulatory Flexibility Act of 1980 (Pub. L. 96-354; 94 Stat. 1164, 5 U.S.C. 601 *et seq.*), and it has been determined that it will not have a significant economic impact on a substantial number of small businesses, small governments, or small organizations. The reasons for this conclusion are discussed in the September 19, 1988 proposals.

List of Subjects in 40 CFR Parts 180, 185, and 186

Administrative practice and procedure, Agricultural commodities, Pesticides and pests, Food additives, Animal feeds, Reporting and recordkeeping requirements.

Dated: October 2, 1989.

Linda J. Fisher,

Assistant Administrator for Pesticides and Toxic Substances.

Therefore, 40 CFR parts 180, 185, and 186 are amended as follows:

PART 180—[AMENDED]

1. In part 180:

a. The authority citation for part 180 continues to read as follows:

Authority: 21 U.S.C. 346a and 371.

b. By revising § 180.285 to read as follows:

§ 180.285 Chlordimeform; tolerances for residues.

Tolerances are established for combined residues of the insecticide chlordimeform [*N*-(4-chloro-*o*-tolyl)-*N,N*-dimethyl-formamidine] and its metabolites containing the 4-chloro-*o*-toluidine moiety (calculated as the insecticide) from application of the insecticide as the free base or as the hydrochloride salt in or on the following raw agricultural commodities:

Commodities	Parts per million
Cattle, fat	0.1
Cattle, meat	0.1
Cattle, mby	0.1
Cottonseed	5
Eggs	0.05
Goats, fat	0.1
Goats, meat	0.1
Goats, mby	0.1
Hogs, fat	0.1
Hogs, meat	0.1
Hogs, mby	0.1
Horses, fat	0.1
Horses, meat	0.1
Horses, mby	0.1
Milk	0.05
Poultry, fat	0.25
Poultry, meat	0.25
Poultry, mby	0.25
Sheep, fat	0.1
Sheep, meat	0.1
Sheep, mby	0.1

PART 185—[AMENDED]

2. In part 185:

a. The authority citation for part 185 continues to read as follows:

Authority: 21 U.S.C. 348.

§ 185.750 [Removed]

b. By removing § 185.750 Chlordimeform.

PART 186—[AMENDED]

3. In part 186:

a. The authority citation for part 186 continues to read as follows:

Authority: 21 U.S.C. 348.

b. By revising § 186.750 to read as follows:

§ 186.750 Chlordimeform.

Tolerances are established for combined residues of the insecticide chlordimeform [*N*-(4-chloro-*o*-tolyl)-*N,N*-dimethyl-formamidine] and its metabolites containing the 4-chloro-*o*-toluidine moiety (calculated as the insecticide) in the following processed animal feeds, resulting from carryover and concentration after application of the pesticide to the growing crops:

Commodities	Parts per million
Cottonseed hulls	10

GENERAL SERVICES ADMINISTRATION

41 CFR Part 101-41

[FPMR Temp. Reg. G-53]

Submission of Paid Freight Bills/Invoices, Commercial Bills of Lading, Government Transportation Requests, Passenger Coupons, and Supporting Documentation Covering Transportation Services Under Cost-Reimbursement Contracts

AGENCY: Federal Supply Service, GSA.

ACTION: Temporary regulation, amendment.

SUMMARY: General Services

Administration is correcting an error in the expiration date of this regulation which revises Section 101-41.807-4 of the Federal Property Management Regulations to include the submission of U.S. Government Transportation Requests and passenger coupons to the General Services Administration for audit. The expiration date in the DATES section of the preamble and in the text of the temporary regulation, published at 54 FR 15942, April 20, 1989, should have been April 20, 1990.

DATES: Effective date: April 20, 1989.

Expiration date: April 20, 1990.

FOR FURTHER INFORMATION CONTACT:

John W. Sandfort, Collections, Accounts, and Procedures Division, Office of Transportation Audits, (commercial 202-786-3065) or (FTS 786-3065).

BILLING CODE 6820-24-M

FEDERAL EMERGENCY MANAGEMENT AGENCY

44 CFR Part 64

[Docket No. FEMA 6853]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, FEMA.

ACTION: Final rule.

SUMMARY: This rule lists communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are suspended on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If FEMA receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will be withdrawn by publication in the Federal Register.

EFFECTIVE DATE: The third date ("Susp.") listed in the third column.

FOR FURTHER INFORMATION CONTACT:

Frank H. Thomas, Assistant Administrator, Office of Loss Reduction, Federal Insurance Administration, (202) 646-2717, Federal Center Plaza, 500 C Street, Southwest, Room 417, Washington, DC 20472.

SUPPLEMENTARY INFORMATION: The National Flood Insurance Program (NFIP), enables property owners to purchase flood insurance at rates made reasonable through a Federal subsidy. In return, communities agree to adopt and
