**Canadian Imperial Bank of Commerce Toronto, Canada; Proposal To Underwrite and Deal in Debt and Equity Securities to a Limited Extent**

Canadian Imperial Bank of Commerce, Toronto, Canada ("CIBC"), has applied, pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) ("BHC Act") and § 225.23(a), of the Board's Regulation Y (12 CFR 225.23(a)), for permission for its indirect subsidiary, Wood Gundy Corp., New York, New York ("Company"), to underwrite and deal in all types of debt and equity securities to a limited extent.

Company is currently authorized to: (1) Provide brokerage and investment advisory services to institutional customers and Company's affiliates; (2) provide advice in connection with financial transactions; (3) provide financial advice to the Canadian federal, provincial and municipal governments and their agents, such as with respect to the issuance of their securities in the United States; (4) provide discount brokerage services; (5) provide portfolio investment advice and research and furnish general economic information and advice; and (6) underwrite and deal in securities eligible to be underwritten and dealt in by U. S. member banks, 74 Federal Reserve Bulletin 571 (1988).

Section 4(c)(8) of the BHC Act provides that a bank holding company may, with Board approval, engage in any activity "which the Board after due notice and opportunity for hearing has determined (by order or regulation) to be so closely related to banking or managing or controlling banks as to be a proper incident thereto." The Board has previously determined that underwriting and dealing in debt and equity securities that are not eligible to be underwritten and dealt in by member banks ("ineligible securities") are closely related and proper incidents to banking, subject to certain conditions. J.P. Morgan & Co. Incorporated, The Chase Manhattan Corporation, Bankers Trust New York Corporation, Citicorp and Security Pacific Corporation, 75 Federal Reserve Bulletin 192 (1989) ("Morgan Order").

CIBC has proposed to underwrite and deal in ineligible debt and equity securities under limitations that differ from those approved by the Board in its Morgan Order. Generally, CIBC

proposes that the framework of limitations established by the Board in the Morgan Order should not apply to its operations outside the United States. For example, under the terms of its proposal, CIBC, which is a foreign bank as well as a bank holding company, and its foreign offices and subsidiaries would be permitted to lend to and in support of Company. CIBC does not propose that any U.S. bank, branch or agency affiliate would lend or otherwise provide support to Company. CIBC has also made other commitments as alternatives to those approved in the Morgan Order.

CIBC has also requested additional authority for Company: (1) To underwrite and deal in ineligible debt and equity securities in amounts generating up to 10 percent of Company's gross revenues; (2) to underwrite and deal in equity securities immediately without regard to the one-year waiting period established by the Board in the Morgan Order; and (3) to underwrite and deal in securities representing interests in, or secured by, obligations originated or sponsored by its affiliates if such security is rated by a nationally-recognized rating agency or is issued or guaranteed by a U.S. government agency or a U.S. Government-sponsored agency. CIBC's commitments and application may be inspected at the offices of the Board of Governors or the Federal Reserve Bank of New York.

In publishing the proposal for comment, the Board does not take any position on issues raised by the proposal. Notice of the proposal is published solely in order to seek the views of interested persons on the issues presented by the application and does not represent a determination by the Board that the proposal meets or is likely to meet the standards of the BHC Act or the Glass-Steagall Act.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, DC 20551, not later than July 10, 1989. Any request for a hearing on this application must, as required by § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)), be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

Board of Governors of the Federal Reserve System, June 7, 1989.

Jennifer J. Johnson,

Associate Secretary of the Board.
