OFFICE OF MANAGEMENT AND BUDGET**Governmentwide Implementation of the Drug-Free Workplace Act of 1988**

AGENCY: Office of Management and Budget.

ACTION: Notice.

SUMMARY: This Notice provides information, in the form of nonbinding questions and answers, to assist the public in meeting the requirements of the Drug-Free Workplace Act of 1988. The Office of Management and Budget (OMB) coordinated regulatory development with over 30 Federal agencies to ensure uniform, governmentwide implementation of this Act. As a consequence, OMB is offering this governmentwide non-regulatory guidance.

Part of the omnibus drug legislation enacted November 18, 1988 is the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, title V, subtitle D). This statute requires contractors and grantees of Federal agencies to certify that they will provide drug-free workplaces. Making the required certification is a precondition of receiving a contract or grant from a Federal agency after March 18, 1989.

Regulatory requirements pertaining to contractors are detailed in a final rule appearing in today's *Federal Register*. This rule amends the Federal Acquisition Regulation (FAR). Regulatory requirements pertaining to grantees are detailed in a final common rule also appearing in today's *Federal Register*. The preamble to the grantee common rule answers questions pertaining to grants or to contracts-and-grants, but does not address questions pertaining only to contracts.

FOR FURTHER INFORMATION CONTACT: For grants, contact Barbara F. Kahlow, Financial Management Division, OMB, (telephone 202-395-3053). For contracts, contact Robert Neal, Office of Federal Procurement Policy, OMB, (telephone 202-395-6810).

SUPPLEMENTARY INFORMATION:**Response to Questions**

See the common preamble to the grantee final common rule for detailed response to most questions on requirements on contractors and grantees.

1. Question—What is a minimum set of components for an employer program to meet the requirements of the Drug-Free Workplace Act?

Answer—Each employer must meet the specific requirements of the Act with a good faith effort, including having a

policy statement and a drug awareness program. Neither the law nor the final rules require employers to establish an Employee Assistance Program (EAP), to conduct any drug testing, or to incorporate any particular component in an employer's program.

2. Question—What are examples of other possible components of an employer drug-free workplace program for contractors and grantees?

Answer—Here is a partial list of other possible components of an employer program. The list is provided for information only; there is no intention for the Federal Government to require any particular component.

Employee Education

- Conduct education/outreach of employees/families via:
 - Discussion groups on drug abuse/company policy
 - Videotapes/pamphlets on drugs in workplace
 - Brown bag lunch discussions
 - Communication of available employee assistance
 - Communication of available health benefits for drug/alcohol treatment

Employee Assistance

- Establish an EAP
- Identify treatment resources
- Assemble resource file on providers of assistance
 - Provide problem assessments
 - Provide confidential counselling
 - Provide referral to counselling and/or treatment
 - Provide crisis intervention
 - Establish hot-line
 - Provide family support services
 - Conduct followup during and after treatment
 - Conduct evaluation of job performance pre- and post-program contact
 - Review insurance coverage (to include outpatient as well as inpatient treatment)
 - Institute mechanism to review employee complaints

Supervisory Training

- Conduct management/supervisory/union training on:
 - Drug Abuse education
 - Signs and symptoms of drug use
 - Company policy on drug use
 - Employee assistance resources
 - How to deal with an employee suspected of drug use
 - How and when to take disciplinary action

Drug Detection

- Institute a program of drug testing of:

- All employees—testing of applicants or pre-employment; testing of employees based on reasonable suspicion, post accident, during and after counselling and/or rehabilitation
- Employees in health and safety or national security sensitive positions—random unannounced testing
 - Increase security

3. Question—What are examples of some model drug-free workplace programs?

Answer—Both the Department of Health and Human Services' National Institute on Drug Abuse (NIDA) and the U.S. Chamber of Commerce have identified several model programs. For further information on these or other models or on programs to combat drug abuse in the workplace, call the NIDA toll-free employer help-line on: 800-843-4971. NIDA also has a clearinghouse for general information on controlling alcohol and drug abuse. That number is 301-468-2600. The address of the National Clearinghouse for Alcohol and Drug Information is Box 2345, Rockville, MD 20852. Currently, the Federal Government does not have an example of a model program for a small employer.

Examples include the following:

A large chemical company—EAP contracted out, including: seminars, assessment, short-term counselling and referral, supervisory training, and followup monitoring; some local sites have drug testing for cause, post accident, and for safety-critical jobs.

A large automotive manufacturing company—EAP contracted out, including: crisis intervention and treatment for employees and immediate family, counselling, referral to counselors/therapists or inpatient/outpatient treatment; hotline; considering drug testing.

A major contractor—EAP for employees and their dependents, including: education, counselling, assessment, referral; hotline; management/supervisory training; alcohol/drug testing of applicants; alcohol/drug testing of employees based on reasonable suspicion or for cause; preventive alcohol/drug testing of corporate officers, employees in safety-sensitive or security-sensitive positions; inspections; trained dogs.

A mid-sized electrical company—EAP including counselling and management/supervisory training, drug testing of applicants and of employees for cause.

4. Question—Is the retail purchase of utility services by the Federal Government covered by the FAR and, therefore, subject to the Act?

Answer—Yes. Federal purchases of utility services are covered under subpart 8.3 of the FAR.

5. Question—Is an order issued pursuant to a basic ordering agreement covered by the FAR and, therefore, subject to the Act?

Answer—Yes. Basic ordering agreements are covered under subpart 16.7 of the FAR. Orders exceeding \$25,000 issued under basic ordering agreements are subject to the Act.

6. Question—What are examples of Federal contracts that are not "procurement contracts"?

Answer—Contracts not covered by the FAR, e.g., any other acquisition contract for real or personal property or services not subject to the FAR. An example is contracts for obtaining goods and services for post exchanges on military bases.

7. Question—Are oil and gas leases with the Federal Government covered by the FAR?

Answer—No. These types of contracts are not covered under the FAR.

8. Question—Are contracts to buy timber from the Federal Government covered by the FAR?

Answer—No. These types of contracts are not covered by the FAR.

9. Question—Are FSLIC and FDIC contracts for deposit insurance covered by the FAR?

Answer—No. These types of contracts are not covered by the FAR.

10. Question—Does selling U.S. savings bonds or acting as a depository for the Department of the Treasury constitute a procurement contract?

Answer—No.

11. Question—Is the receipt of funds by an individual pursuant to an imprest fund transaction covered by the FAR?

Answer—Yes; however, the Act is not applicable because imprest fund transactions do not exceed the \$25,000 threshold.

12. Question—Is an order issued against a requirements contract or an indefinite quantity contract covered by the Drug-Free Workplace Act when the order is reasonably expected to exceed \$25,000?

Answer—Yes.

13. Question—If a single firm has several contracts that when added together total \$25,000 or more, is the firm subject to the Act?

Answer—No. A firm would be subject to the Act only if the value of a single contract is \$25,000 or more.

14. Question—Does the FAR, which is issued jointly by three agencies (the Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration), apply to contract awards by other executive agencies?

Answer—Yes.

15. Question—Do Drug-Free Workplace Act requirements apply to subcontracts?

Answer—No.

16. Question—Under the Act, can an agency impose any additional requirements, beyond those in the common rule, on grantees?

Answer—No. Both the January 31, 1989, grantee interim final common rule and the grantee final common rule indicate that the grantee common rule is the sole authority for implementing the Act and that no separate agency guidance is authorized under the Act.

17. Question—What is section 5301 of the omnibus drug legislation and how will it be implemented?

Answer—Section 5301 of the Anti-Drug Abuse Act of 1988, Pub. L. 100-690, 102 Stat. 4310 (codified at 21 U.S.C. section 853a) is another, separate part of the omnibus drug legislation that included the Drug-Free Workplace Act of 1988. Section 5301 deals with denial of certain Federal benefits for persons convicted of drug offenses. Denial decisions are made by Federal and State judges. The Department of Justice will be directing implementation. Questions should be addressed to: Director, Drug Offense/Denial of Federal Benefits Project, Office of Justice Programs, Department of Justice, 633 Indiana Avenue, NW., Washington, DC 20531; telephone: 202-307-0630.

18. Question—How will the Drug-Free Workplace Act be enforced?

Answer—Under the Act, certifications are required from contractors and grantees. Also, as part of normal Federal contract and grant administration, compliance will be checked. Additionally, as part of normal Federal auditing, compliance will be checked. And, lastly, as part of grantees' Single Audits, compliance checking will be required. OMB's compliance supplements for State and local governments and for other entities will include a requirement for such compliance checking.
