INTER-AMERICAN FOUNDATION**22 CFR Part 1007****Claims Collection; Salary Offset**

AGENCY: Inter-American Foundation.

ACTION: Final rule.

SUMMARY: This final rule implements the collection procedures of the Debt Collection Act of 1982, Public Law 97-365, codified in 5 U.S.C. 5514, which authorize the federal government to collect debts owed by a federal employee to the United States through salary offset.

EFFECTIVE DATE: This final rule is effective February 24, 1992.

FOR FURTHER INFORMATION CONTACT: Adolfo A. Franco, Deputy General Counsel, 1515 Wilson Boulevard, Rosslyn, VA 22209, (703) 841-3894.

SUPPLEMENTARY INFORMATION: Under the Debt Collection Act of 1982, when the head of a federal agency determines that an employee of an agency is indebted to the United States or is notified by a head of another federal agency that an agency employee is indebted to the United States, the employee's debt may be offset against his or her salary. Certain due process rights must be afforded to an employee before salary offset deductions begin. As is required by the Debt Collection Act of 1982, this regulation is consistent with salary offset regulations issued by the Office of Personnel Management on July 3, 1984, 40 FR 27470, codified in 5 CFR part 560, subpart K.

A proposed rule was published in the August 9, 1991, *Federal Register* (56 FR 37866), allowing interested persons until September 9, 1991, to file written comments. Because no comments were received, no changes were made to the final rule.

Paperwork Reduction Act

Under section 3518 of the Paperwork Reduction Act of 1980, 5 CFR 1320.3(c), the information collection provisions contained in these regulations are not subject to review and approval by the Office of Management and Budget.

Executive Order 12291

This rule has been reviewed and determined not to be a "major rule" as defined in Executive Order 12291 dated

February 17, 1981, because it will not result in: (1) An annual effect on the economy of \$100 million or more; (2) A major increase in costs or prices for consumers, individuals, industries, federal, state, or local government agencies, or geographic regions; or (3) Significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of United States based enterprises to compete with foreign-based enterprises in domestic or export markets.

Regulatory Flexibility Act

This rule applies only to individual federal employees. It will have no "significant economic impact upon a substantial number of small entities" within the meaning of section 3(a) of the Regulatory Flexibility Act, Public Law 96-354, 5 U.S.C. 805(b). Accordingly, no regulatory flexibility analysis is required.

§ 1007.1 Purpose and scope.

(a) This regulation provides procedures for the collection by administrative offset of a federal employee's salary without his/her consent to satisfy certain debts owed to the federal government. These regulations apply to all federal employees who owe debts to the Inter-American Foundation (IAF) and to current employees of the Inter-American Foundation who owe debts to other federal agencies. This regulation does not apply when the employee consents

to recovery from his/her current pay account.

(3) The tariff laws of the United States; or

(4) Any case where a collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) This regulation does not apply to any adjustment to pay arising out of an employee's selection of coverage or a change in coverage under a federal benefits program requiring periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less.

(d) This regulation does not preclude the compromise, suspension, or termination of collection action where appropriate under the standards implementing the Federal Claims Collection Act, 31 U.S.C. 3711 *et seq.*, 4 CFR parts 101 through 105, 45 CFR part 1177.

(e) This regulation does not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774 or 32 U.S.C. 716 or in any way questioning the amount or validity of the debt by submitting a subsequent claim to the General Accounting Office. This regulation does not preclude an employee from requesting a waiver pursuant to other statutory provisions applicable to the particular debt being collected.

(f) Matters not addressed in these regulations should be reviewed in accordance with the Federal Claims Collection Standards at 4 CFR 101.1 *et seq.*

(11) A statement that knowingly false or frivolous statements, representations, or evidence may subject the employee to appropriate disciplinary procedures;

(12) A statement of other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made; and

(13) Unless there are contractual or statutory provisions to the contrary, a statement that amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee.

§ 1007.5 Hearing.

(a) **Request for hearing.** (1) An employee must file a petition for a hearing in accordance with the instructions outlined in the agency's notice to offset.

(2) A hearing may be requested by filing a written petition addressed to the President of the Inter-American Foundation stating why the employee disputes the existence or amount of the debt. The petition for a hearing must be received by the President no later than fifteen (15) calendar days after the date of the notice to offset unless the employee can show good cause for failing to meet the deadline date.

(b) **Hearing procedures.** (1) The hearing will be presided over by an impartial hearing official.

§ 1007.6 Written decision.

(a) The hearing official shall issue a written opinion no later than 60 days after the hearing.

(b) The written opinion will include: a statement of the facts presented to demonstrate the nature and origin of the alleged debt; the hearing official's analysis, findings and conclusions; the amount and validity of the debt, and the repayment schedule.

§ 1007.7 Coordinating offset with another Federal agency.

(a) *The Inter-American Foundation as the creditor agency.* (1) When the President determines that an employee of another federal agency owes a delinquent debt to the Inter-American Foundation, the President shall as appropriate:

(i) Arrange for a hearing upon the proper petitioning by the employee;

(ii) Certify to the paying agency in writing that the employee owes the debt, the amount and basis of the debt, the date on which payment is due, the date the Government's right to collect the debt accrued, and that Foundation regulations for salary offset have been approved by the Office of Personnel Management;

(iii) If collection must be made in installments, the President must advise the paying agency of the amount or percentage of disposable pay to be collected in each installment;

(iv) Advise the paying agency of the actions taken under 5 U.S.C. 5514(b) and provide the dates on which action was taken unless the employee has consented to salary offset in writing or signed a statement acknowledging receipt of procedures required by law. The written consent or acknowledgment must be sent to the paying agency;

(v) If the employee is in the process of separating, the Foundation must submit its debt claim to the paying agency as provided in this part. The paying agency must certify any amounts already collected, notify the employee, and send a copy of the certification and notice of the employee's separation to the Inter-American Foundation. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund or similar payments, it must certify to the agency responsible for making such payments the amount of the debt and that the provisions of 5 CFR 550.1108 have been followed; and

(vi) If the employee has already separated and all the payments due from the paying agency have been paid, the President may request unless otherwise prohibited, that money payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be collected by administrative offset.

(b) *The Foundation as the paying agency.* (1) Upon receipt of a properly certified debt claim from another agency, deductions will be scheduled to begin at the next established pay interval. The employee must receive written notice that the Inter-American Foundation has received a certified debt claim from the creditor agency, the amount of the debt, the date salary offset will begin, and the amount of the deduction(s). The Inter-American Foundation shall not review the merits of the creditor agency's determination of the validity or the amount of the certified claim.

(2) If the employee transfers to another agency after the creditor agency has submitted its debt claim to the Inter-American Foundation and before the debt is collected completely, the Inter-American Foundation must certify the total amount collected. One copy of the certification must be furnished to the employee. A copy must be furnished to the creditor agency with notice of the employee's transfer.

§ 1007.8 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the President's notice of intention to offset as provided in § 1007.4. Debts will be collected in one lump sum where possible. If the employee is financially unable to pay in one lump sum, collection must be made in installments.

(b) Debts will be collected by deduction at officially established pay intervals from an employee's current pay account unless alternative arrangements for repayment are made.

(c) Installment deductions will be made over a period not greater than the anticipated period of employment. The size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. The deduction for the pay interval for any period must not exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(d) Unliquidated debts may be offset against any financial payment due to a separated employee including but not limited to final salary or leave payments in accordance with 31 U.S.C. 3716.

§ 1007.9 Refunds.

(a) The Inter-American Foundation will refund promptly any amounts deducted to satisfy debts owed to the IAF when the debt is waived, found not owed to the IAF, or when directed by an administrative or judicial order.

(b) The creditor agency will promptly return any amounts deducted by IAF to satisfy debts owed to the creditor agency when the debt is waived, found not owed, or when directed by an administrative or judicial order.

(c) Unless required by law, refunds under this subsection shall not bear interest.

§ 1007.10 Statute of limitations.

If a debt has been outstanding for more than 10 years after the agency's right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the Government's right to collect were not known and could not reasonably have been known by the official or officials who were charged with the responsibility for discovery and collection of such debts.

§ 1007.11 Non-waiver of rights.

An employee's involuntary payment of all or any part of a debt collected under these regulations will not be construed as a waiver of any rights that employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutes or contract(s) to the contrary.

§ 1007.12 Interest, penalties, and administrative costs.

Charges may be assessed for interest, penalties, and administrative costs in accordance with the Federal Claims Collection Standards, 4 CFR 102.13.
