SUPPLEMENTARY INFORMATION:

A. Determine to Issue Interim Rule

A determination has been made under authority of the Secretary of Defense to issue the rule in Item XIV of DAC 91-3 as an interim rule. Compelling reasons exist to promulgate the rule without prior opportunity for public comment. However, pursuant to Public Law 98-577 and FAR 1.501, public comments received in response to this interim rule will be considered in formulating the final rule.

B. Background

Of the three interim rules (Items VII, XII, and XIV) included in DAC 91-3, two (Item VII, Drug-Free Work Force; and XII, Secondary Arab Boycott of Israel) have been previously published in the **Federal Register** and codified. Item VII was published July 23, 1992 (57 FR 32736). Item XII was published June 30, 1992 (57 FR 29041). Neither of these two rules is included in this rulemaking notice but both are being incorporated in the looseleaf edition of DFARS by DAC 91-3. The third interim rule in DAC 91-3 (Item XIV, Environmental Surety Bonds) is included in this rulemaking notice and comments are invited.

C. Regulatory Flexibility Act

DAC 91-3, Items I, III, IV, V, VIII, IX, X, XI, XV, XVI, XVIII, XX, XXI, XXII, XXIII, XXIV

The Regulatory Flexibility Act does not apply because these rules are not significant revisions within the meaning of Public Law 98-577. However, comments from small entities will be considered in accordance with section 610 of the Act. Such comments must be submitted separately. Please cite DFARS Case 92-610 in correspondence.

DAC 91-3, Items II, VI, XIII, XVII, XIX

DoD certifies that these rules will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act because:

Item II imposes no new procedures or requirements on contractors;

Item VI does not apply to small entities;

Item XIII imposes restrictions on acquisition of foreign products;

Item XVII only affects firms that submit requests for advance, partial, or progress payments supported by fraudulent information; and

Item XIX applies only to contracts for major automated information systems, of which only few, if any, are awarded to small entities.

DAC 91-3, Item XIV

The Regulatory Flexibility Act applies. A final regulatory flexibility analysis has been performed and is available by writing the Defense Acquisition Regulations System, ATTN: Ms. Valorie Lee, OUSD(A), 3062 Defense Pentagon, Washington, DC 20301-3062.

D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the revisions in this rulemaking notice do not contain and/or affect information collection requirements which require the approval of OMB under 44 U.S.C. 3501 et. seq.

List of Subjects in 48 CFR Parts 202, 204, 208, 210, 214, 215, 216, 219, 223, 225, 226, 227, 228, 231, 232, 236, 237, 239, 242, 245, 252 and 253

Government procurement.

Claudia L. Naugle,

Executive Editor, Defense Acquisition Regulations System.

Defense Acquisition Circular (DAC) 91-3 amends the Defense FAR Supplement (DFARS) 1991 edition, prescribes procedures to be followed, and provides informational interest items. The amendments, procedures, and information are summarized as follows:

Item I—Contracting With Universities and Other Institutions of Higher Learning

Title VIII, Section 8106, of the Fiscal Year 1992 National Defense Appropriations Act (Pub. L. 102-172) states that "None of the funds appropriated in this Act may be obligated or expended for any contract or grant with a university or other institution of higher learning unless such contract or grant is audited in accordance with the Federal Acquisition Regulation and the Department of Defense Federal Acquisition Regulation Supplement or any other applicable auditing standards and requirements and the institution receiving the contract or grant fully responds to all formal requests for financial information made by responsible Department of Defense officials: Provided, that if any institution does not provide an adequate financial response with 12 months, the Secretary of Defense shall terminate that and all other Department of Defense contracts or grants with the institution."

If a university or other institution of higher learning persists in refusing to provide an adequate response to a request for financial information, in addition to taking appropriate contractual actions within the terms of the contract, the matter should be referred through channels to the Under Secretary of Defense (Acquisition) to determine whether that contract and all other Department of Defense contracts and grants with that institution should be terminated.

Item II—Government Personnel Work Product

The interim rule published as Item III of DAC 91–2 is converted to a final rule without further change. The rule revised DFARS 204.402 and added a clause at 252.204–7003 as a result of section 808 of the Fiscal 1992 National Defense Authorization Act. The rule precludes contractors from requiring that DoD employees or military personnel release their work products to contractors.

Item III—Contractor Establishment Code

DFARS 204.7202–2 and 253.204–70 are revised to update the guidance on use of contractor establishment codes.

Item IV—Mistakes in Bids

DFARS 214.406–3 is revised to remove the Army, Navy, and Air Force lists of officials that may be delegated authority to make the mistake in bid determinations described by FAR 14.406–3(a), (b), and (d). This change is being made to facilitate exercise of the Service Secretaries' authority to make and revise the delegations within their respective departments.

Item V—Cost or Pricing Data Threshold

DFARS 215.804–3 is amended to remove language on partial or limited cost or pricing data because similar language has been added in FAR 15.804–6(a)(2) by FAC 90–10. The clause at DFARS 252.243–7000, Engineering Change Proposals, is amended by changing the threshold in paragraph (c) from $100,000 to $500,000 for consistency with the FAR increase in the cost or pricing data threshold.

Item VI—Subcontracting Credit for Blind and Other Severely Handicapped

DFARS 219.703(a) and (b) are revised to reflect Department of Defense implementation of section 8082 of the Fiscal 1992 National Defense Appropriations Act. Section 8082 authorizes credit through September 30, 1992, towards a prime contractor's small business subcontracting goal for subcontract awards to qualified nonprofit agencies for the blind and other severely handicapped. Section 8082 was implemented by departmental letter 92–003, issued February 20, 1992.

Item VII—Drug-Free Work Force

DFARS Subpart 223.5 and the clause at 252.223–7004 were amended on an interim basis by Departmental Letter 92–006, issued July 16, 1992. The Departmental replaced the final rule on Drug-Free Work Force with the interim rule which existed prior to Defense Acquisition Circular 88–19.

Item VIII—End Use Certificates

Some foreign countries require provision of an end user certificate as a prerequisite to the sale of defense items to the United States. DFARS 225.802–71 is added to reference the guidance on handling requests for end user certificates, which is in DoD Directive 2040.3, End User Certificates.

Item IX—Public Interest Exception for Qualifying Countries

DFARS 225.872–4 is amended to clarify the approval levels for public interest waivers of the Buy American Act and Balance of Payments Program in instances where the low evaluated offer is for an end product from one of the qualifying country sources listed in DFARS 225.872–1(b). A related editorial revision is made in DFARS 225.102(a)(3)(A).

Item X—Balance of Payments Program

DFARS 225.302(b)(ii) is amended to permit delegation of the authority to determine before solicitation that acquisition of domestic end products or services would be unreasonable in cost. Delegation was permitted by the 1988 edition of DFARS but was inadvertently withdrawn by the 1991 edition.

Item XI—Trade Agreements Act Threshold

The Office of the United States Trade Representative advised that, effective January 1, 1992, the threshold for determining whether purchases are subject to the Trade Agreements Act is $176,000. The application of this threshold is covered in FAR Subpart 25.4 and DFARS Subpart 225.4. Notice of this threshold increase was provided by Departmental Letter 91–025, dated December 20, 1991.

Item XII—Secondary Arab Boycott of Israel

DFARS 225.770 and the clause at 252.225–7031 are added as implementation of section 8072A of the Fiscal 1992 National Defense Appropriations Act. Section 8072A prohibits awarding a contract to a foreign person, company, or entity unless it certifies that it does not comply with the secondary Arab boycott of Israel. These revisions were effective June 24, 1992, upon issuance of Departmental Letter 92–005.

Item XIII—Carbonyl Iron Powders

This finalizes, without change, the interim rule published as Item IX of DAC 91–2. The interim rule revised the restrictions in DFARS 225.7014 and the clause at 252.225–7023 on acquisition of carbonyl iron powders.

Item XIV—Environmental Surety Bonds

DFARS 228.102–1 is amended to describe the limits of a surety's liability under construction contracts awarded under the Defense Environmental Restoration Program. The revisions are the result of Section 336 of the Fiscal 1992 National Defense Authorization Act. Section 336 applies to all Miller Act surety bonds required for Defense Environmental Restoration Program contracts executed between December 5, 1991, and December 31, 1992.

Item XV—Performance Bonds for Construction Contracts

Recently the Internal Revenue Service reported that some contracting activities had accepted performance bonds which did not contain certain language required by the Miller Act, thus jeopardizing the collection of taxes. Contracting Officers are reminded that the acceptable bond forms are specified in Federal Acquisition Regulation (FAR) 28.106–1, and that authority for any alternative must be obtained in accordance with FAR 53.103.

Item XVI—Noncommercial Cost Principles

The Office of Management and Budget (OMB) on October 1, 1991, revised its Circular No. A–21, Cost Principles for Educational Institutions, to incorporate the list of statutory cost prohibitions at 10 U.S.C. 2324(e). As a result, the inclusion of those prohibitions in subpart 231.3, Contracts with Educational Institutions, is no longer necessary. However, since the prohibitions also apply to and were referenced in subpart 231.6, Contracts with State, Local, and Federally Recognized Indian Tribes, the list of prohibitions is moved from subpart 231.3 to 231.6, pending similar revision of OMB Circular No. A–87. DFARS 231.703 also is revised to provide a cross-reference to 231.603 for contracts with nonprofit organizations, pending revision of OMB Circular No. A–122.

Item XVII—Fraud Payment Reductions

This Item converts the interim rule published as Item XII of DAC 91–2 to a final rule with minor revisions. The rule implements Section 836 of the Fiscal 1991 National Defense Authorization Act by permitting agencies to reduce or suspend further payments to a contractor when the agency head determines that the contractor's request for payment is based on fraud. This Item finalizes 232.111–70 without change and 232.173 and the clause at 252.232–7006 with minor revisions.

Item XVIII—Federal Information Processing (FIP) Acquisitions

DFARS 239.001 is revised to clarify the fact that DoD may acquire FIP resources through non-mandatory GSA schedule contracts even when the Warner Amendment exempts the FIP resources from application of the Brooks Act.

Item XIX—Major Automated Information Systems

The interim rule published as Item XVII of DAC 91–2 is converted to a final rule without further change. The rule added DFARS subpart 239.75, which prohibits use of Fiscal Year 1992 funds for acquisition of major automated information systems, unless the systems have successfully completed oversight reviews.

Item XX—Duties of Plant Clearance Officers

DFARS 245.7002 is revised to clarify the duties of plant clearance officers.

Item XXI—Coordinated Acquisition Assignments

DFARS Appendix B is amended to reflect the transfer of contracting responsibility from the Army to the General Services Administration for commercial, non-tactical, passenger carrying vehicles, buses, and trucks, over 10,000 pounds gross vehicle weight.

Item XXII—Component Breakout

DFARS appendix D, Component Breakout, is amended to add a requirement in paragraph D–105 for the records for components reviewed for breakout to contain the assessments, calculations, and analyses discussed in paragraph D–104, including the trade-off analysis between savings and increased risk to the Government because of responsibility for Government-furnished equipment.

Exemption of the Buy American Act/Balance of Payments Program

Determination and Findings

Upon the basis of the following findings and determination which I hereby make in accordance with the provisions of FAR 25.102, acquisition of (*qualifying country—identify country*) (*describe item*) may be made as provided below.

Findings

1. The (*contracting activity*) proposes to purchase under contract number, _____, mined, produced, or manufactured in (*country of origin*). The total estimated cost of this acquisition is _____.

2. The United States Government and the Government of _____ have agreed to remove barriers to procurement at the prime and subcontract level for defense equipment produced in each other's countries insofar as laws and regulations permit.

3. The agreement provides that competitive offers of (*qualifying country*) end products will be evaluated by the Department of Defense without imposing any price differential under the Buy American Act or Balance of Payments Program and without taking applicable U.S. customs and duties into consideration so that (*qualifying country*) items may better compete, for sales of defense equipment to the Department of Defense. In addition, the Agreement stipulates that acquisitions of (*qualifying country*) items must fully satisfy Department of Defense requirements for performance, quality, and delivery and shall cost the Department of Defense no more than would comparable U.S. source or other foreign source defense equipment eligible for award.

4. In order to achieve the above objectives, the solicitation contained the Buy American Act and Balance of Payments Program clause, 252.225–7001. Offers were solicited from other sources and the offer received for (*qualifying country end item*) is found to be otherwise eligible for award.

Determination

Pursuant to the Buy American Act and Balance of Payments Program, I hereby determine that it is inconsistent with the public interest to apply the restrictions of the Buy American Act or the Balance of Payments Program to the proposed offer.
