[Docket No. N-94-1917; FR-3778-N-16]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

ADDRESSES: For further information, contact William Molster, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to William Molster at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the data of publication in the *Federal Register*, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: U.S. Army: Elaine Sims, CECPW-FP, U.S. Army Center for Public Works, 7701 Telegraph Road, Alexandria, VA 22310-3862; (703) 355-3475; Department of Interior: Lola D. Knight, Property Management

Specialist, Dept. of Interior, 1849 C St. NW, Mailstop 5512-MIB, Washington, DC 20240; (202) 208-4080; U.S. Navy: John J. Kane, Deputy Division Director, Dept. of Navy, Real Estate Operations, Naval Facilities Engineering Command, 200 Stovall Street, Alexandria, VA 22332-2300; (703) 325-0474; Dept. of Transportation: Ronald D. awards.

SUMMARY: In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding award decisions made by the Department as a result of competitions for funding under the following two notices of funding availability: Supportive Housing for the Elderly and Supportive Housing for Persons with Disabilities. This announcement contains the names and addresses of the award winners and the amount of the award.

FOR FURTHER INFORMATION CONTACT: Margaret Milner, Acting Director, Office of Elderly and Assisted Housing, Department of Housing and Urban Development, room 6130, 451 Seventh Street SW, Washington, DC 20410-0500; telephone (202) 708-4542 or (202) 708-4594 (TDD). (These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: Section 801 of the Cranston-Gonzalez National Affordable Housing Act (NAHA) amended section 202 of the Housing Act of 1959. Section 202 was also amended by the Housing and Community Development Act of 1992 (HCD Act of 1992). The Secretary is authorized to provide assistance to private nonprofit organizations and nonprofit consumer cooperatives to expand the supply of supportive housing for the elderly. The assistance is provided as capital advances and contracts for project rental assistance in accordance with 24 CFR part 889. This assistance may be used to finance the construction or rehabilitation of a structure, or acquisition of a structure from the Resolution Trust Corporation (RTC), to

be used as supportive housing for the elderly in accordance with part 889.

For supportive housing for the elderly, the Department of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act of 1994 (Pub. L. 103-124, enacted October 28, 1993 (Fiscal Year 1994 Appropriations Act)) provides for capital advances, including amendments to capital advance contracts (not procurement contracts), for housing for the elderly as authorized by section 202 of the Housing Act of 1959 (as amended by the NAHA and HCD Act of 1992), and for project rental assistance, and amendments to contracts for project rental assistance, for supportive housing for the elderly under section 202(c)(2) of the Housing Act of 1959, as amended.

Section 811 of the Cranston-Gonzalez National Affordable Housing Act (and as amended by the Housing and Community Development Act of 1992), authorized a new supportive housing program for persons with disabilities and replaced assistance for persons with disabilities previously covered by section 202 of the Housing Act of 1959 (section 202 continues, as amended by section 801 of the NAHA, and HCD Act of 1992, to authorize supportive housing for the elderly). The assistance is provided as capital advances and contracts for project rental assistance in accordance with 24 CFR part 890. Capital advances may be used to finance the construction, rehabilitation, or acquisition with or without rehabilitation, including acquisition from the Resolution Trust Corporation, of structures to be developed into a variety of housing options ranging from group homes and independent living facilities, to dwelling units in multifamily housing developments, condominium housing and cooperative housing. Acquisition without rehabilitation is permitted only for group homes or properties acquired from the RTC. This assistance may also cover the cost of real property acquisition, site improvement, conversion, demolition, relocation, and other expenses that the Secretary determines are necessary to expand the supply of supportive housing for persons with disabilities.

For supportive housing for persons with disabilities, the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1994 (Pub. L. 103-124, enacted October 28, 1993, (Fiscal Year 1994 Appropriations Act)) provides for capital advances for supportive housing for persons with disabilities, as authorized by section 811 of the NAHA, and for project rental assistance, and amendments to contracts for project rental assistance, for supportive housing for persons with disabilities as authorized by section 811 of the NAHA. Any unreserved balances provided in prior years for such purposes are to be merged with amounts provided in the Fiscal Year 1994 Appropriations Act. It should be noted that although section 623 of the HCD Act of 1992 authorizes tenant-based assistance for persons with disabilities, appropriations have not been provided.

The purposes of the competitions were to (1) provide assistance to private nonprofit organizations and nonprofit consumer cooperatives to expand supportive services to the elderly; and (2) provide assistance to nonprofit organizations to expand the supply of supportive housing for persons with disabilities.

The 1994 awards announced in this Notice were selected for funding in competitions announced in the **Federal Register** notices published on February 2, 1994 (59 5036 and 5048). A total of \$518,197,100 of capital advances, with \$26,267,000 in project rental assistance was awarded to Supportive Housing for the Elderly. A total of \$172,570,500 of capital advances, with \$9,633,600 in project rental assistance was awarded to Supportive Housing for Persons with Disabilities.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, the Department is publishing the names, addresses, and the amount of those awards, as set out at the end of this Notice.

Dated: December 14, 1994.

Nicolas P. Retsinas,

*Assistant Secretary for Housing-Federal
Housing Commissioner.*
