

(12) Extent to which the program will serve homeless persons who are seriously mentally ill, have chronic alcohol and/or drug abuse problems, or have AIDS and related diseases.

(Approved by the Office of Management and Budget under control number 2506-0118)

§§ 582.205, 582.210, 582.215, 582.220, and 582.225 [Removed]

4. Sections 582.205, 582.210, 582.215, 582.220, and 582.225 are removed.

PART 583—SUPPORTIVE HOUSING PROGRAM

5. The authority citation for part 583 continues to read as follows:

Authority: 42 U.S.C. 11389; 42 U.S.C. 3535(d).

6. Section 583.155 is amended by revising paragraphs (a), (b), and (d) to read as follows:

§ 583.155 Comprehensive housing affordability strategy (CHAS).

(a) *Applicants that are States or units of general local government.* The applicant must have a HUD-approved complete or abbreviated CHAS pursuant to the requirements of the CHAS regulations (24 CFR part 91), and must submit a certification that the application for funding is consistent with the HUD-approved CHAS. Funded applicants must certify in a grant agreement that they are following the HUD-approved CHAS.

(b) *Applicants that are not States or units of general local government.* The applicant must submit a certification by the jurisdiction in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved CHAS. The certification must be made by the unit of general local government or the State, pursuant to the CHAS regulations at 24 CFR 91.1(b)(1)(ii).

(d) *Timing of CHAS certification submissions.* Unless otherwise set forth in the NOFA, the required certification that the application for funding is consistent with the HUD-approved CHAS must be submitted by the funding application submission deadline announced in the NOFA.

7. Section 583.200 is revised to read as follows:

§ 583.200 Application and grant award.

(a) *Review.* When funds are made available for assistance, HUD will publish a notice of fund availability in the *Federal Register* in accordance with

the requirements of 24 CFR part 12. Applications will be reviewed and screened in accordance with the guidelines, rating criteria and procedures published in the notice.

(b) *Rating criteria.* HUD will award funds based on the following criteria:

(1) The ability of the applicant to develop and operate a project;

(2) The innovative quality of the proposal in providing a project;

(3) The need for the type of project proposed by the applicant in the area to be served;

(4) The extent to which the amount of assistance to be provided under this part will be supplemented with resources from other public and private sources;

(5) The cost effectiveness of the proposed project;

(6) The extent to which the applicant has demonstrated coordination with other Federal, state, local, private and other entities serving homeless persons in the planning and operation of the project, to the extent practicable; and

(7) Such other factors as the Secretary determines to be appropriate to carry out this part in an effective and efficient manner.

(Approved by the Office of Management and Budget under control number 2506-0112)

§§ 583.205, 583.210, 583.215, 583.220, and 583.225 [Removed]

8. Sections 583.205, 583.210, 583.215, 583.220, and 583.225 are removed.

PART 882—SECTION 8 HOUSING ASSISTANCE PAYMENTS PROGRAM—EXISTING HOUSING

9. The authority citation for part 882 is revised to read as follows:

Authority: 42 U.S.C. 1437a, 1437c, 1437f, and 3535(d). In addition, subpart H is issued under the authority of 42 U.S.C. 11401.

10. Section 882.805 is amended by revising paragraphs (a), (b), (c), (d), and (f)(10) to read as follows:

§ 882.805 Application and grant award.

(a) *Review.* When funds are made available for assistance, HUD will publish a notice of fund availability in the *Federal Register* in accordance with the requirements of 24 CFR part 12. Applications will be reviewed and screened in accordance with the guidelines, rating criteria and procedures published in the notice.

(b) *Rating criteria.* HUD will award funds based on the following criteria:

(1) Ability of the applicant to develop and operate a project;

(2) Need for assistance; and

(3) Other criteria as determined appropriate by the Secretary.

(c) *Comprehensive housing affordability strategy (CHAS)*—

(1) *Certifications of consistency.* Except as provided in paragraph (c)(2) of this section, the applicant must submit a certification by the jurisdiction in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved CHAS. The certification must be made by the unit of general local government or the State, pursuant to the CHAS regulations at 24 CFR 91.1(b)(1)(ii).

(2) *Exception.* The CHAS certification is not required where the proposed project will be located on a reservation of an Indian tribe or the Insular Area of Guam, the U.S. Virgin Islands, American Samoa or the Northern Mariana Islands.

(3) *Timing of CHAS certification submissions.* Unless otherwise set forth in the NOFA, the required certification that the application for funding is consistent with the HUD-approved CHAS must be submitted by the funding application submission deadline announced in the NOFA.

(d) *Receipt of information for environmental review.* Information must be submitted to allow completion of environmental reviews required under 24 CFR Part 50. HUD may eliminate an application from consideration where the application would require an Environmental Impact Statement.

* * * * *

(f) * * *

(10) In the event that the PHA determines that any structure proposed in its application is infeasible, or the PHA proposes to select a different structure for any other reason, the PHA must submit information for the proposed alternative structure to HUD for review and approval. HUD will rate the proposed structure in accordance with procedures in the applicable notice of fund availability. The PHA may not proceed with processing for the proposed structure or execute an Agreement until HUD notifies the PHA that HUD has approved the proposed alternative structure and that all requirements have been met.

Dated: May 5, 1994.

Henry G. Cisneros,

Secretary.

[FR Doc. 94-11213 Filed 5-5-94; 4:16 pm]

BILLING CODE 4210-32-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Community Planning and Development

[Docket No. N-94-3750; FR-3700-N-01]

Notice of Funding Availability for Homeless Assistance

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding availability (NOFA).

SUMMARY: This Notice announces the availability of approximately \$545 million for applications for assistance designed to help communities move toward continuum of care systems to assist homeless persons. These funds are available under three programs to fill gaps within the context of developing seamless systems for combating homelessness. The three

programs are: (1) Supportive Housing; (2) Shelter Plus Care; and (3) Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings for Homeless Individuals. Funds will be awarded competitively. This notice of funding availability (NOFA) contains information concerning the continuum of care approach, eligible applicants, eligible activities, application requirements, and application processing.

DATES: An original completed application for the applicable program must be received by 6 p.m. Eastern Time on the applicable date shown in the chart below, following **ADDRESSES.** The application must be received in the Office of Special Needs Assistance Programs in Washington. Applications may not be sent by facsimile (FAX). These deadlines are firm as to date and hour. In the interest of fairness to all competing applicants, the Department will treat as ineligible for consideration any application that is received after the applicable deadline.

ADDRESSES: For a copy of application packages contact: Please contact a HUD Field Office listed in the appendix to this NOFA.

An original completed application must be submitted to the following address: Department of Housing and Urban Development, Office of Special Needs Assistance Programs, 451 Seventh Street, SW., room 7262, Washington, DC 20410, Attention: Homeless Assistance Funding. Two copies of the application, as indicated in the chart below, must also be sent to the HUD Field Office serving the area in which the applicant's project is located. A list of Field Offices appears in the appendix to this NOFA. Field Office copies must be received by the application deadline as well, but a determination that an application was received on time will be made solely on receipt of the application at the Office of Special Needs Assistance Programs in Washington.

SCHEDULE OF COMPETITIONS FOR FISCAL YEAR 1994

Element	Shelter plus care	Section 8 SRO	Supportive housing
Approximate funding for FY 1994 .	\$115 million	\$140 million	\$290 million.
Applications due to HUD headquarters in Washington.	July 5, 1994, 6:00 pm eastern time.	July 5, 1994, 6:00 pm eastern time.	August 5, 1994, 6:00 pm eastern time.
Applications to be sent to	Original copy to headquarters in Washington, two copies to local field office.	Original copy to headquarters in Washington, two copies to local field office.	Original copy to headquarters in Washington, two copies to local field office.

FOR FURTHER INFORMATION CONTACT:

Please contact the HUD Field Office for the area in which the proposed project is located for additional information. Telephone numbers are included in the list of Field Offices set forth in the appendix to this NOFA.

SUPPLEMENTARY INFORMATION:**Paperwork Reduction Act Statement**

The information collection requirements contained in this notice have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1980, and assigned OMB approval numbers 2506-0131, 2506-0112, and 2506-0118.

I. Substantive Description**(a) Authority**

The Supportive Housing program is authorized by title IV, subtitle C, of the Stewart B. McKinney Homeless Assistance Act (McKinney Act), as amended, 42 U.S.C. 11381. Regulations for this program are contained in 24 CFR part 583, as amended by an interim rule published elsewhere in today's

Federal Register. Funds made available under this NOFA for the Supportive Housing program are subject to the requirements of the amended regulations.

The Shelter Plus Care program is authorized by title IV, subtitle F, of the McKinney Act, as amended, 42 U.S.C. 11403. Regulations for this program are contained in 24 CFR part 582, as amended by an interim rule published elsewhere in today's **Federal Register**. Funds made available under this NOFA for the Shelter Plus Care program are subject to the requirements of the amended regulations.

The Section 8 Moderate Rehabilitation Program for Single Room Occupancy (SRO) Dwellings for Homeless Individuals is authorized by section 441 of the McKinney Act, as amended, 42 U.S.C. 11401. Regulations for this program are contained in 24 CFR part 882, subpart H, as amended by an interim rule published elsewhere in today's **Federal Register**. Funds made available under this NOFA for the Section 8 Moderate Rehabilitation Program for Single Room Occupancy

Dwellings for Homeless Individuals are subject to the requirements of the amended regulations.

(b) Funding Availability

Approximately \$545 million is available under this NOFA. This amount consists of \$290 million appropriated for the Supportive Housing program, \$115 million appropriated for the Shelter Plus Care program, and \$140 million appropriated for the Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals. All of these funds were appropriated by the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1994 (approved October 28, 1993, Public Law 103-124) (94 App. Act). Any unobligated funds from previous competitions or additional funds that may become available as a result of deobligations or recaptures from previous awards may also be used to fund applications for the same program submitted in response to this NOFA.

HUD reserves the right to fund less than the full amount requested in any application.

(c) Purpose

The purpose of this NOFA is to fund projects and activities which will fill gaps within the context of moving toward seamless continuum of care systems to assist homeless persons and prevent homelessness. A continuum of care system consists of three fundamental components:

(1) First, there must be an outreach/emergency shelter/assessment effort which provides immediate shelter and can identify an individual's or family's needs.

(2) The second component offers transitional housing and necessary social services. Such services include substance abuse treatment, short-term mental health services, independent living skills, day care, job training, etc. for those who need them to transition from homelessness to the highest level of independent living that the individual or family is capable of achieving.

(3) The third and final component, and one which every homeless individual and family needs, is permanent housing or permanent supportive housing arrangements.

While not all homeless individuals and families in a community will need to access all three components, unless all three components are coordinated within a community, none will be successful. A strong homeless prevention strategy is also key to the success of the continuum of care.

(d) Background

The Department recognizes that the separate appropriations and differing statutory requirements of the three programs covered by this NOFA are barriers to creating continuum of care systems that are truly responsive to community needs. The Department is pursuing legislative changes necessary to provide localities and providers with the flexibility they need to create comprehensive systems that completely address the many dimensions of the problem in a coordinated fashion. And, under this NOFA, the Department will move in that direction by using its funding resources to help increase the level of coordination among nonprofit organizations, government agencies and

other entities that is necessary to develop systematic approaches for successfully addressing homelessness.

To further the purpose of this NOFA, heavy emphasis is placed upon coordination in the application selection criteria. In preparing its application, the applicant should, to the extent possible, coordinate its efforts with other providers of services and housing to homeless persons, such as nonprofit organizations, government agencies, and housing developers, and consult with homeless or formerly homeless persons. At a minimum, applicants need to be familiar with currently available services and housing for homeless families and individuals in their communities, including services and housing available under mainstream programs such as those providing mental health services and substance abuse treatment. This knowledge will allow the applicant to identify the gaps in currently available services and housing, and develop its application to fill one or more of the gaps.

Ideally, this process should involve organizations working together to: create, maintain and build upon a community-wide inventory of current services and housing for homeless families and individuals; identify the full spectrum of needs of homeless families and individuals; and coordinate efforts to obtain resources to fill gaps between the current inventory and needs.

(e) Use of NOFA Funds and Matching Funds To Fill Gaps

Funds available under this NOFA and matching funds may be used in the following ways to fill gaps within the context of moving toward continuum of care systems:

(1) *Emergency Shelter/Assessment.* The Supportive Housing program may provide funding for outreach to homeless persons and assessment of their needs. The Shelter Plus Care program requires a supportive services match; outreach and assessment activities count toward that match. The SRO program applicants receive rating points for the extent to which supportive services, including outreach and assessment, are provided.

(2) *Transitional housing and necessary social services.* The Supportive Housing program may be

used to provide transitional housing with services, including both facility-based transitional housing and scattered-site transitional services. The Supportive Housing program may also be used to provide a safe haven, as described in section I.(g) of this NOFA.

(3) *Permanent housing or permanent supportive housing.* The Supportive Housing program may be used to provide permanent supportive housing for persons with disabilities, including both facility-based and scattered-site permanent supportive housing. The Shelter Plus Care program may be used to provide permanent supportive housing for persons with disabilities in a variety of housing rental situations. This program requires a supportive services match; all supportive service activities count toward that match. The SRO program provides permanent housing for homeless individuals with incomes that do not exceed the low-income standard of the Section 8 housing program. The SRO program applicants receive rating points for the extent to which supportive services are provided. Providing permanent housing for homeless families is not available under the SRO program or the SRO component of the Shelter Plus Care (S+C) program because an SRO unit is designed for a single individual. Permanent housing for homeless families is only eligible under the other components of the S+C program and under the Supportive Housing program if an adult member has a disability.

(4) *Homeless prevention.* The Supportive Housing program under the Rural Homelessness Initiative component may be for homeless prevention activities in rural areas, as described in section I.(g) of this NOFA.

(f) Program Summaries

The chart below summarizes key aspects of the Supportive Housing Program, the Shelter Plus Care Program, and the Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals. Descriptions are contained in the applicable program regulations. Descriptions of Rural Homelessness Initiative projects and Safe Havens projects, which may be carried out under the Supportive Housing program, are included in section I.(g) of this NOFA.

Element	Supportive housing	Shelter plus care	Section 8 SRO
Authorizing legislation	Subtitle C of title IV of the Stewart B. McKinney Homeless Assistance Act, as amended.	Subtitle F of title IV of the Stewart B. McKinney Homeless Assistance Act, as amended.	Section 441 of the Stewart B. McKinney Homeless Assistance Act, as amended.

Element	Supportive housing	Shelter plus care	Section 8 SRO
Implementing regulations	24 CFR part 583, as amended May 10, 1994.	24 CFR part 582, as amended May 10, 1994.	24 CFR part 882, subpart H, as amended May 10, 1994.
Eligible applicant(s)	• States • Units of general local government. • Public housing agencies (PHAs) • Tribes • Private nonprofit organizations ... • CMHCs that are public nonprofit organizations.	• States • Units of general local government. • Tribes • PHAs	• PHAs. • Private nonprofit organizations.
Components	• Transitional housing • Permanent housing for disabled persons. • Innovative supportive housing • Supportive services not in conjunction with supportive housing. • Rural Homelessness Initiatives • Safe Havens	• Tenant-based • Sponsor-based • Project-based • SRO-based	• SRO housing.
Eligible activities*	• Acquisition • Rehabilitation • New construction • Leasing • Operating costs • Supportive services • Homeless persons	• Rental assistance	• Rental assistance.
Eligible populations*	• Homeless persons with disabilities. • Homeless families with children	• Homeless disabled individuals ... • Homeless disabled individuals and their families. • Homeless persons who: • are seriously mentally ill • have chronic problems with alcohol and/or drugs. • have AIDS and related diseases.	• Homeless individuals. • Section 8 eligible current occupants.
Populations given special consideration.	• Homeless persons with disabilities. • Homeless families with children	• are seriously mentally ill • have chronic problems with alcohol and/or drugs. • have AIDS and related diseases.	N/A.
Initial term of assistance	3 years	5 years: TRA, SRA, and PRA if no rehab 10 years: SRO and PRA if rehab.	10 years.

*Additional activities and persons are eligible under the Rural Homelessness Initiatives projects, as described in section I.(g) below.

(g) Program Allocations

(1) *Supportive Housing Program Allocations.* A total of \$334 million was appropriated for Fiscal Year 1994 for the Supportive Housing Program. However, approximately \$44 million is expected to be awarded to those current grantees who have been notified that they qualify for renewal grants in 1994. The balance of approximately \$290 million is available for competitive grants under this NOFA, and the Department expects to award SHP grants generally ranging in size up to \$2,000,000, with the average grant amount for supportive services being approximately \$1,000,000. Rural homelessness initiative projects, safe havens, and minimum percentage allocations for SHP funds are described below.

Rural homelessness initiative projects. In accordance with the 94 App. Act, \$20 million of the Supportive Housing Program appropriation is available for rural homelessness initiative projects. Applications for grants for such projects will compete against each other rather than against all other SHP applications. If there is an insufficient number of approvable applications for this rural initiatives competition, the unused

balance will be added to the amount available for other SHP grants.

Eligible applicants under the Supportive Housing Program may carry out rural homelessness initiative projects in non-urbanized areas. Such areas include all counties located outside of Metropolitan Statistical Areas (MSAs) and nonurbanized areas inside of MSAs. Applicants will be required to provide evidence in their applications that the area to be served is non-urbanized.

A rural homelessness initiative project may include any activity that is eligible under the Supportive Housing Program. In addition, such projects may include homeless prevention activities and capacity building activities, as prescribed by the 94 App. Act, which cross-references the eligible activities described in subtitle G of the McKinney Act. Accordingly, the following homeless prevention activities may be carried out in rural areas as part of a rural homelessness initiative project:

—Rent, mortgage, or utility assistance after 2 months of nonpayment in order to prevent eviction, foreclosure, or loss of utility service;

—Security deposits, rent for the first month of residence at a new location, and relocation assistance;

—Short-term emergency lodging in motels or shelters, either directly or through vouchers;

—Rehabilitation and repairs to prevent homelessness, such as insulation, window repair, door repair, roof repair, and repairs that are necessary to make premises habitable;

—Development of comprehensive and coordinated support services to prevent homelessness that use and supplement, as needed, community networks of services, including outreach services to reach eligible individuals and families; case management; housing counseling; budgeting; job training and placement; primary health care; mental health services; substance abuse treatment; child care; transportation; emergency food and clothing; family violence services; education services; moving services; entitlement assistance; and referrals to veterans services and legal services.

Activities designed to build the capacity of organizations to address homelessness in the community,

including payment of operating costs and staff, may also be carried out as part of a rural homelessness initiative project, provided that no more than 20 percent of the amount awarded for any rural homelessness initiative project may be used for such capacity building activities.

All rules applicable to the Supportive Housing Program, as described at 24 CFR part 583, apply to rural homelessness initiative projects, except the eligible activity provisions in subpart B of part 583 are expanded for these projects to include the listed homeless prevention activities and capacity building activities.

Applicants for rural projects proposing to carry out homeless prevention activities or capacity building activities must apply under the category of rural homelessness initiative projects. In total, no more than \$20 million will be awarded for such projects. Applicants for rural projects proposing only activities that are normally eligible under the Supportive Housing Program may either apply for assistance under the \$20 million rural homelessness initiatives category or compete with all other SHP applicants for the balance of the available SHP funds (approximately \$270 million).

Safe havens. In accordance with the 94 App. Act, up to \$50 million of the Supportive Housing Program appropriation is available for safe havens projects. Although safe havens projects would have been eligible in the past for Supportive Housing Program grants, these projects would not have been competitive under the "Quality of Project Plan" rating criteria. It has become clear that safe havens can play an important role in a continuum of care system, particularly with respect to the hard-to-serve homeless population. To ensure that safe havens projects are competitive this year, application selection criteria have been modified to reflect the special characteristics of safe havens.

Safe havens, as that term is used in this NOFA, is a form of supportive housing designed specifically to provide a safe residence for homeless persons with serious mental illness who are currently residing primarily in public or private places not designed for, or ordinarily used as, a regular sleeping accommodation for human beings, and who have been unwilling or unable to participate in mental health or substance abuse treatment programs or to receive other supportive services.

For many persons with mental illness who have been living on the street, the transition to permanent housing is best made in stages, starting with a small,

highly supportive environment where an individual can feel at ease, out of danger, and subject to relatively few immediate service demands. Traditional supportive housing settings often assume a readiness by the clientele to accept a degree of structure and service participation that would overwhelm and defeat a person with mental illness who has come fresh from the street.

Safe havens are designed to provide persons with serious mental illness who have been living on the streets with a secure, non-threatening, non-institutional, supportive environment. These facilities can serve as a "portal of entry" to the service system and provide access to basic services such as food, clothing, bathing facilities, telephones, storage space, and a mailing address.

Safe havens do not require participation in services and referrals as a condition of occupancy. Rather, it is hoped that after a period of stabilization in a safe haven, residents will be more willing to participate in services and referrals, and will eventually be ready to move to a more traditional form of housing.

Specifically, the term "safe haven" means a structure or a clearly identifiable portion of a structure: (1) That proposes to serve hard-to-reach homeless persons with severe mental illness; (2) that provides 24-hour residence for eligible persons who may reside for an unspecified duration; (3) that provides private or semi-private accommodations; (4) that may provide for the common use of kitchen facilities, dining rooms, and bathrooms; and, (5) in which overnight occupancy is limited to no more than 25 persons. A "safe haven" may also provide supportive services to eligible persons who are not residents on a drop-in basis. To be considered for funding under the Safe Havens component of the Supportive Housing Program, a proposed project must be consistent with the five features listed above.

All rules applicable to the Supportive Housing Program, as described at 24 CFR part 583, apply to safe havens.

Minimum percentages. In accordance with section 429 of the McKinney Act, as amended, HUD will allocate not less than 25 percent of the total available funds to projects that primarily serve homeless families with children, not less than 25 percent to projects that primarily serve homeless persons with disabilities and not less than 10 percent for supportive services not provided in conjunction with supportive housing. After applications are rated and ranked, based on the criteria described below, HUD will determine if the conditionally selected projects achieve these

minimum percentages. If not, HUD will skip higher-ranked applications in a category for which the minimum percent has been achieved in order to achieve the minimum percent for another category. If there is an insufficient number of conditionally selected applications in a category to achieve its minimum percent, the unused balance will be used for the next highest-ranked approvable application in the competition.

(2) **Shelter Plus Care Program Allocations.** Approximately \$115 million is available for assistance under the Shelter Plus Care program. In accordance with section 463(a) of the McKinney Act, as amended by the 1992 Act, HUD will allocate at least 10 percent of the available funds for each of the four components of the program: Tenant-based Rental Assistance; Sponsor-based Rental Assistance; Project-based Rental Assistance; and Section 8 Moderate Rehabilitation of Single Room Occupancy Dwellings for Homeless Individuals.

After applications are rated and ranked, based on the criteria described below, HUD will determine if the conditionally selected projects achieve these minimum percentages. If necessary, HUD will skip higher-ranked applications for a component for which the minimum percent has been achieved in order to achieve the minimum percent for another component. If there is an insufficient number of approvable applications in a component to achieve its minimum percent, the unused balance will be used for the next highest-ranked approvable application in the competition.

No Shelter Plus Care application may be approved for more than \$3 million. Any applicant that is a unit of general local government, a local public housing authority, or an Indian tribe may submit only one Shelter Plus Care application. Any applicant that is a State or a State public housing authority may submit applications for more than one jurisdiction but must submit a separate application for each and may only submit one application for each jurisdiction.

With regard to the Shelter Plus Care/Section 8 SRO component, applicant States, units of general local government and Indian tribes must subcontract with a Public Housing Authority to administer the Shelter Plus Care assistance. Also with regard to this component, no single project may contain more than 100 units.

(3) **Allocations for Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals.** Approximately \$140

million is available for assistance under the Section 8 SRO program. HUD estimates that this \$140 million will assist approximately 4,000 units over the 10-year funding period. Applicants need to be aware of the following limitations on the allocation of Section 8 SRO funds:

- A separate application must be submitted for each site for which assistance is requested and, under section 8(e)(2) of the United States Housing Act of 1937, no single project may contain more than 100 units;
- Under section 441(c) of the McKinney Act, no city or urban county may have projects receiving a total of more than 10 percent of the assistance to be provided under this program;
- Applicants that are private nonprofit organizations must subcontract with a Public Housing Authority to administer the SRO assistance; and
- Under section 441(e) of the McKinney Act and 24 CFR 882.805(g)(1), HUD publishes the SRO per unit rehabilitation cost limit each year to take into account changes in construction costs. For purposes of Fiscal Year 1994 funding, the cost limitation is raised from \$15,700 to \$15,900 per unit to take into account increases in construction costs during the past 12-month period.

II. Application Requirements

An application for Supportive Housing, Shelter Plus Care, or Section 8 SRO assistance consists of narrative, numerical, and financial information. The application requires a description of: The need for assistance; coordination by the applicant in planning the proposed project, including how the proposed project will help the community move toward a continuum of care system by filling a gap in the community's response to homelessness; the proposed project, including the plan for housing and services to be provided to participants; resources expected for the project and the amount of assistance requested; the experience of all organizations who will be involved in the project; and the sources and number of proposed participants. An application also contains certifications that the applicant will comply with fair housing and civil rights requirements, program regulations, and other Federal requirements, and (in most cases) that the proposed activities are consistent with the HUD-approved Comprehensive Housing Affordability Strategy of the applicable State or unit of general local government.

The specific application requirements will be specified in the application

package for each program. This package includes all required forms and certifications, and may be obtained from a HUD Field Office listed in the appendix to this NOFA.

Care should be taken in the selection of projects and in the preparation of applications to ensure that environmental and historic preservation impediments do not cause an application to be denied or approval severely delayed. In general, any application HUD receives from a state or local government will require that the environmental assessment be prepared by the local or state government before the grant application can be approved. The environmental assessments for non-governmental applicants will be conducted by HUD. Questions about which environmental and historic preservation laws may apply should be addressed to the HUD Field Office.

III. Application Selection Process

The Department will use the following review, rating, and conditional selection process for each of the four competitions (S+C, SRO, SHP, and SHP Rural Initiative) to be conducted under this NOFA:

(a) Review.

Applications will be reviewed to ensure that they meet the following requirements:

(1) *Applicant eligibility.* The applicant and project sponsor, if relevant, must be eligible to apply for the specific program.

(2) *Eligible population to be served.* The population to be served must meet the eligibility requirements of the specific program.

(3) *Eligible activities.* The activities for which assistance is requested must be eligible under the specific program.

(4) *Fair housing and equal opportunity.* Organizations that receive assistance through the application must be in compliance with applicable civil rights laws and Executive Orders.

(5) *Vacancy rate.* For the Section 8 SRO program, at least 25 percent of the units to be assisted at any one site must be vacant at the time of application.

(b) Rating and Conditional Selection.

Applications for each competition (S+C, SRO, SHP, SHP Rural Initiative) will be rated in two steps based on the criteria listed below, with a maximum of 75 points awarded at the first step and a maximum of 50 points awarded at the second step. To rate applications, the Department may establish a panel including persons not currently employed by HUD to obtain outside points of view, including views from other Federal agencies.

After points have been awarded during the first step, applications will be ranked from highest point score to lowest. A line will then be drawn at that point in the ranking at which program funds would be exhausted plus an additional percentage. Applications above the line will then move to the second step of the selection process, except that HUD reserves the right to include other applications in the second step review if necessary to help achieve geographic diversity or to meet the minimum percentages required by statute.

After points have been awarded during the second step, the points from each step will be added together. A bonus of 5 points will be added in determining the final score of any SHP applicant that agrees to enter into a partnership agreement with a potential AmeriCorps program sponsor, as described in section V of this NOFA. Using the final scores, the applications will again be placed in rank order. Whether an application is conditionally selected will depend on its overall ranking compared to other applications, except that HUD reserves the right to select lower rated applications if necessary to achieve geographic diversity or to meet the minimum percentages required by statute.

For all programs, in the event of a tie between applicants, the applicant with the highest total points for the coordination criterion will be selected. In the event of a procedural error that, when corrected, would result in selection of an otherwise eligible applicant during the funding round under this NOFA, HUD may select that applicant when sufficient funds become available.

For Shelter Plus Care and Supportive Housing, in cases where the applicant requests assistance for more than one of the components of the program within one application, the components will not be rated separately. Rather, the application will be rated as a whole. (For Section 8 SRO, only one project is allowed per application.)

(c) Core Selection Criteria.

The following five core selection criteria apply to each of the programs covered by this NOFA and account for 65 of the 75 points available for award at the first step of the process.

(1) *Need.* HUD will award up to 20 points based on the jurisdiction's need for homeless assistance. HUD will calculate need from generally available data.

(2) *Capacity.* HUD will award up to 15 points based on extent to which all the organizations involved in the project demonstrate:

- Timeliness in the speed with which the project will become operational, taking into account differences in the types of projects proposed for funding.

- Experience in carrying out similar activities to those proposed either as an ongoing provider of housing and/or services to homeless people, or as an ongoing provider of housing and/or services who is in some way tangibly connected to an ongoing homeless delivery system.

- As applicable, the rating under this criterion will also consider prior performance with any HUD McKinney Act grants or other HUD-administered programs, including any serious, outstanding audit or monitoring findings that directly affect the proposed project.

(3) *Quality of project.* HUD will award up to 15 points based on the extent to which the applicant demonstrates:

- Homeless individuals and/or families will obtain and/or remain in permanent housing.

- Homeless individuals and/or families will increase skills and/or income.

- Homeless individuals and/or families will achieve greater self-determination including being involved in project decision-making and operation.

- The appropriateness of the proposed housing and supportive services given the needs of the population proposed to be served.

- For the permanent housing projects, integration of homeless individuals and/or families into the surrounding community.

- For transitional housing projects, how persons completing a transitional housing program will be assisted in locating and remaining in permanent affordable housing and how the applicant will assure that necessary follow-up services will be provided to such persons.

- For projects serving families, the project serves the family together, and works to strengthen the family structure. Projects that mix families with singles populations in the same structure will be viewed unfavorably.

- For Safe Haven projects, in place of the above factors, up to 15 points will be awarded based on the extent to which the applicant demonstrates how the project will link persons to other housing and supportive services after stabilization in a safe haven, the availability of basic services in the safe haven, and how the security of participants will be assured by the applicant.

(4) *Targeting.* HUD will award up to 10 points based on the percentage of

persons to be served by the project who are sleeping in emergency shelters (including hotels or motels used as shelter for homeless families), other facilities for homeless persons, or places not meant for human habitation, such as cars, parks, sidewalks, or abandoned buildings. This includes persons who ordinarily live in such places but are in a hospital or other institution on a short-term basis (short-term is considered to be 30 consecutive days or less). The applicant's description of its strategy for reaching these populations will be a factor in rating this criterion.

(5) *Leveraging.* HUD will award up to 5 points based on the extent to which the amount of assistance to be provided under this grant is supplemented with properly documented cash or in-kind resources from public and private sources that will be used for the project. For S+C and SRO applications, leveraging will be based on properly documented resources for supportive services. For SHP applications, leveraging will be based on properly documented resources for any project activity.

(d) *Supportive Housing additional selection criteria.*

The following two selection criteria account for the remaining 10 points available for award at the first step of selection process for SHP grants.

(1) *Cost effectiveness.* HUD will award up to 5 points based on the extent to which supportive services are provided from resources other than the Supportive Housing Program grant.

(2) *Innovation.* HUD will award up to 5 points if the proposed project represents an innovative approach when viewed nationally, and that promises to be successful and replicable. Applications submitted under the "innovative supportive housing" component of the Supportive Housing Program must achieve points under this "Innovation" criterion.

(e) *Shelter Plus Care additional selection criterion.*

The following selection criterion accounts for the remaining 10 points available for award at the first step of the selection process for S+C grants.

(1) *Serving targeted disabilities.* Within the eligible population to be served, HUD will award up to 10 points based on the number of individuals to be served who experience serious mental illness, have chronic alcohol and/or drug abuse problems, or have AIDS and related diseases in relation to the total number of people proposed to be served. In awarding these points, HUD will also consider the availability of case management in determining the likely effectiveness of the expenditures

for housing and services to be provided to the targeted population.

(f) *Section 8 SRO additional selection criterion.*

The following selection criterion accounts for the remaining 10 points available for award at the first step of the selection process for Section 8 SRO grants.

(1) *Availability of vacant units.* HUD will award up to 10 points based on the percentage of units (beyond the required 25 percent) proposed for assistance which are vacant at the time of application.

(g) *Final selection criterion: Coordination and Planning.*

For each application that reaches the second step of the selection process, up to 50 points will be awarded based on the extent to which the application demonstrates:

- Need for the type of project proposed in the area to be served, and that the proposed project will be coordinated with other service and housing providers in the community, and will effectively and appropriately fill a gap in the community's response to homelessness.

- Participation in a community process which is moving toward a continuum of care strategy, which could include nonprofit organizations, State and local governmental agencies, other homeless providers, housing developers and service providers, private foundations, local businesses and the investment banking community, neighborhood groups, and homeless or formerly homeless persons.

- Coordination with other applicants, if any, applying for assistance under this NOFA for projects in the same local jurisdiction. (If more than one organization within a local jurisdiction is submitting an application under this NOFA, the same description of the coordination process may be submitted by these organizations. HUD is encouraging coordination and expects such collaboration among providers.)

- Quality of planning, including how the project uses or will use mainstream services, such as income supports, mental health services, and substance abuse treatment, and how the project uses or will use mainstream housing programs, such as Section 8 rental assistance, HOME, and State programs, and other permanent housing resources to complete the continuum of care. The scale of the project will also be considered, with plans to concentrate large numbers of homeless persons at one location viewed unfavorably.

(h) *Clarification of application information.*

In accordance with the provisions of 24 CFR part 4, subpart B, HUD may contact an applicant to seek clarification of an item in the application, or to request additional or missing information, but the clarification or the request for additional or missing information shall not relate to items that would improve the substantive quality of the application pertinent to the funding decision.

(i) *Technical Assistance.*

Prior to the application deadline, HUD field office staff will be available to provide advice and guidance to potential applicants on application requirements and program policies. Following conditional selection, HUD field office staff will be available to assist in clarifying or confirming information that is a prerequisite to the offer of a grant agreement by HUD. However, between the application deadline and the announcement of conditional selections, HUD will accept no information that would improve the substantive quality of the application pertinent to the funding decision.

IV. *Grant Award Process*

HUD will notify conditionally selected applicants in writing. As necessary, HUD will subsequently request them to submit additional project information, which may include documentation to show the project is feasible; documentation of firm commitments for cash match; documentation showing site control; information necessary for HUD to perform an environmental review, where applicable; and such other documentation as specified by HUD in writing to the applicant, that confirms or clarifies information provided in the application. Applicants will also be notified of the date of the two month deadline for submission of such information. If an applicant is unable to meet any conditions for grant award within the specified timeframe, HUD reserves the right not to award funds and to use the funds available in the next competition for the applicable program.

V. *Linking Supportive Housing Programs and AmeriCorps*

On September 21, 1993, President Clinton signed national service legislation into law, creating the Corporation for National and Community Service. Through the new Corporation, Americans of all ages and backgrounds will work to meet urgent challenges in their communities in the areas of education, public safety, human needs and the environment. Helping people who are homeless is a key

objective under the Corporation's human needs priority.

AmeriCorps's Fiscal Year 1994 budget will support up to 20,000 full-time equivalent positions for service participants. Full-time service participants (those working 1700 hours over a 9 to 12 month period) are eligible to receive approximately \$7600 as a living allowance and a post-service award of \$4725 to be used for past or present educational expenses. AmeriCorps will be able to support a greater number of service participants if other organizations can pay the living allowances and related costs, with AmeriCorps providing the post-service educational awards.

Accordingly, \$3,400,000 of Supportive Housing Program funds is being set-aside under the 1994 SHP competition as a special fund to pay costs incurred by SHP grantees to procure the services of AmeriCorps service participants for SHP projects, where SHP grantees enter into partnerships with local AmeriCorps program sponsors. The local AmeriCorps program sponsor will be responsible for recruiting, selecting, and training the service participants, who will then join the staff of the SHP project.

After a partnership agreement with the local AmeriCorps program sponsor is executed, bonus SHP funds from the \$3,400,000 set-aside would be added to the regular SHP grant. The bonus may include payment for living allowances or stipends, benefit packages and the reasonable overhead costs of the AmeriCorps program sponsor, but may not exceed the cost which would be paid by the SHP grantee for the same services when procured from a contractor. Also, if the service participants are employed in operating the project, the SHP AmeriCorps bonus is subject to the SHP requirement that operating costs be shared. Examples of employment often covered in the operating budget include maintenance, security, and facility management. Supportive services are not subject to local cost-sharing, so if service participants are employed in delivering supportive services, such as substance abuse counseling, case management, or recreational programs, no local share is required.

Supportive Housing Program applicants that wish to be considered for a bonus award under this set-aside will need to complete a special exhibit in the SHP application. Five points will be added to the rating score for any application containing this special exhibit, provided it is properly completed. More information about

linking Supportive Housing programs with AmeriCorps will be provided in the instructions to this special exhibit.

VI. *Special Incentive for Purchase of HUD Properties Under the Single Family Property Disposition Initiative*

Supportive Housing funds may be used to purchase HUD properties under the Single Family Property Disposition (SFPD) Initiative for use by homeless persons. This includes both the acquisition of SFPD properties in the HUD inventory and SFPD properties currently being leased from HUD.

Current lessees of HUD-owned single-family properties and others interested in purchasing such properties for use by homeless persons now have an opportunity to purchase the properties at a 30 percent discount off the sale price. The Department is offering a special incentive for the purchase of HUD properties located in zip code areas designated by HUD as "revitalization" areas. There are 70 such zip code areas and more than 1800 HUD-owned properties are currently leased in such areas. HUD Field Offices can assist in identifying these zip code areas.

Properties located outside these areas can be sold at the standard 10 percent discount generally offered to nonprofit organizations and government agencies. However, if five or more properties located outside of revitalization areas are purchased at the same time, a 15 percent discount will be applied. The sales price, to which any discount would be applied, is the current fair market value or the value established at the time of the lease, whichever is less, provided that the lessee agrees to use the property either to house homeless persons for 10 years or to resell only to a lower income buyer.

The incentives described above should be especially attractive for organizations currently operating transitional housing for homeless persons in leased HUD-owned properties. They will have the opportunity to purchase at a discount up to 30 percent, properties for which they had a maximum five-year lease, thus sparing the necessity to either move their projects or close down completely. Current lessees who have been operating satisfactory transitional housing and who purchase properties will also have a competitive advantage under the rating criterion, "Capacity", since they may claim previous experience with HUD homeless programs.

VII. Employment Opportunities for Homeless Persons

A key goal of the continuum of care approach is to assist homeless persons to achieve independent living whenever possible. Each of the three programs under this NOFA has as a goal increasing the skill level and/or income of program participants. Employment opportunities not only help achieve these goals but are also important in rebuilding self-esteem.

The McKinney Act recognizes the importance of employment opportunities in requiring that, to the maximum extent practicable, recipients involve homeless persons through employment, volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating the project and in providing supportive services. Under the Supportive Housing Program, employment assistance activities are eligible, and grant recipients can use these funds for such activities as job training, wages, and educational awards for homeless persons. While Shelter Plus Care Program and SRO Program funds may only be used for rental assistance, employment assistance activities paid from other sources count towards the match requirement of the Shelter Plus Care Program and can also count for purposes of the "leveraging" rating criterion.

Inclusion in the application of employment assistance activities for homeless persons may improve the rating score under the "Quality of Project" criterion, making the application more competitive.

VIII. Other Matters

Prohibition Against Lobbying Activities

The use of funds awarded under this NOFA is subject to the disclosure requirements and prohibitions of Section 319 of the Department of Interior and Related Agencies Appropriations Act for Fiscal Year 1990 (31 U.S.C. 1352) (the "Byrd Amendment") and the implementing regulations at 24 CFR part 87. These authorities prohibit recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the Executive or Legislative branches of the Federal government in connection with a specific contract, grant, or loan. The prohibition also covers the awarding of contracts, grants, cooperative agreements, or loans unless the recipient has made an acceptable certification regarding lobbying. Under 24 CFR part 87, applicants, recipients and sub-recipients of assistance exceeding \$100,000 must certify that no

Federal funds have been or will be spent on lobbying activities in connection with the assistance.

Environmental Impact

A Finding of No Significant Impact with respect to the environment has been made in accordance with the Department's regulations at 24 CFR part 50 which implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection between 7:30 a.m. and 5:30 p.m. weekdays at the Office of the Rules Docket Clerk, Room 10276, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410.

Executive Order 12606, The Family

The General Counsel, as the Designated Official under Executive Order 12606, The Family, has determined that the policies announced in this Notice would have a significant impact on the formation, maintenance, and general well-being of families, but since this impact would be beneficial, no further analysis under the Order is necessary.

Executive Order 12612, Federalism

The General Counsel has determined, as the Designated Official for HUD under section 6(a) of Executive Order 12612, Federalism, that the policies contained in this Notice will not have federalism implications and, thus, are not subject to review under the Order. The promotion of activities and policies to end homelessness is a recognized goal of general benefit without direct implications on the relationship between the national government and the states or on the distribution of power and responsibilities among various levels of government.

Drug-Free Workplace Certification

The Drug-Free Workplace Act of 1988 requires grantees of Federal agencies to certify that they will provide drug-free workplaces. Thus, each applicant must certify that it will comply with drug-free workplace requirements in accordance with 24 CFR part 24, subpart F.

Accountability in the Provision of HUD Assistance

HUD has promulgated a final rule to implement section 102 of the Department of Housing and Urban Development Reform Act of 1989 (HUD Reform Act). The final rule is codified at 24 CFR part 12. Section 102 contains a number of provisions that are designed to ensure greater accountability and integrity in the

provision of certain types of assistance administered by HUD. On January 14, 1992, HUD published at 57 FR 1942 additional information that gave the public (including applicants for, and recipients of, HUD assistance) further information on the implementation of section 102. The documentation, public access, and disclosure requirements of section 102 are applicable to assistance awarded under this NOFA as follows:

Documentation and Public Access Requirements

HUD will ensure that documentation and other information regarding each application submitted pursuant to this NOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a five-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. In addition, HUD will include the recipients of assistance pursuant to this NOFA in its quarterly **Federal Register** notice of all recipients of HUD assistance awarded on a competitive basis. (See 24 CFR 12.14(a) and 12.16(b), and the notice published in the **Federal Register** on January 16, 1992 (57 FR 1942); for further information on these documentation and public access requirements.)

Disclosures—HUD will make available to the public for five years all applicant disclosure reports (HUD Form 2880) submitted in connection with this NOFA. Update reports (also Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period less than three years. All reports—both applicant disclosures and updates—will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. (See 24 CFR subpart C, and the notice published in the **Federal Register** on January 16, 1992 (57 FR 1942), for further information on these disclosure requirements.)

Section 103 HUD Reform Act

HUD's regulation implementing section 103 of the Department of Housing and Urban Development Reform Act of 1989 was published May 13, 1991 (56 FR 22088) and became effective on June 12, 1991. That regulation, codified as 24 CFR part 4, applies to the funding competition announced today. The requirements of the rule continue to apply until the

announcement of the selection of successful applicants. HUD employees involved in the review of applications and in the making of funding decisions are limited by part 4 from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants who have questions should contact the HUD Office of Ethics (202) 708-3815 (TDD/Voice). (This is not a toll-free number.) The Office of Ethics can provide information of a general nature to HUD employees, as well. However, a HUD employee who has specific program questions, such as whether particular subject matter can be discussed with persons outside the Department, should contact his or her Regional or Field Office Counsel, or Headquarters counsel for the program to which the question pertains.

Section 112 HUD Reform Act

Section 13 of the Department of Housing and Urban Development Act contains two provisions dealing with efforts to influence HUD's decisions with respect to financial assistance. The first imposes disclosure requirements on those who are typically involved in these efforts, those who pay others to influence the award of assistance or the taking of a management action by the Department and those who are paid to provide the influence. The second restricts the payment of fees to those who are paid to influence the award of HUD assistance, if the fees are tied to the number of housing units received or are based on the amount of assistance received, or if they are contingent upon the receipt of assistance.

Section 13 was implemented by final rule published in the *Federal Register* on May 17, 1991 (56 FR 22912) as 24 CFR part 86. If readers are involved in any efforts to influence the Department in these ways, they are urged to read the final rule, particularly the examples contained in Appendix A of the rule.

Authority: 42 U.S.C. 11403 note; 42 U.S.C. 11389; 42 U.S.C. 1437a, 1437c, and 1437f; 42 U.S.C. 3535(d); 24 CFR parts 582, 583, and 882.

Dated: May 3, 1994.

Andrew Cuomo,

Assistant Secretary for Community Planning and Development.

Appendix: Listing of HUD Field Offices

Appendix: List OF HUD Field Offices

Telephone numbers for Telecommunications Devices for the Deaf (TDD machines) are listed for field offices; all HUD numbers, including those noted *, may be reached via TDD by dialing the Federal Information Relay Service on 1-800-877-TDDY or (1-800-877-8339) or (202) 708-9300.

Alabama—Jasper H. Boatright, Beacon Ridge Tower, 600 Beacon Pkwy. West, Suite 300, Birmingham, AL 35209-3144; (205) 672-1230; TDD (205) 290-7624.

Alaska—Colleen Craig, 949 E. 36th Avenue, Suite 401, Anchorage, AK 99508-4399; (907) 271-4684; TDD (907) 271-4328.

Arizona—Diane LeVan, 400 N. 5th St., Suite 1600, Arizona Center, Phoenix, AZ 85004; (602) 379-4754; TDD (602) 379-4461.

Arkansas—Billy M. Parsley, TCBY Tower, 425 West Capitol Ave., Suite 900, Little Rock, AR 72201-3488; (501) 324-6375; TDD (501) 324-5931.

California—(Southern) Herbert L. Roberts, 1615 W. Olympic Blvd., Los Angeles, CA 90015-3801; (213) 251-7235; TDD (213) 251-7038.

(Northern) Gordon H. McKay, 450 Golden Gate Ave., P.O. Box 36003, San Francisco, CA 94102-3448; (415) 556-5576; TDD (415) 556-8357.

Colorado—Sharon Jewell, First Interstate Tower North, 633 17th St., Denver, CO 80202-3607; (303) 672-5414; TDD (303) 672-5248.

Connecticut—Daniel Kolesar, 330 Main St., Hartford, CT 06106-1860; (203) 240-4508; TDD (203) 240-4522.

Delaware—John Kane, Liberty Sq. Bldg., 105 S. 7th St., Philadelphia, PA 19106-3392; (215) 597-2665; TDD (215) 597-5564.

District of Columbia (and MD and VA suburbs)—James H. McDaniel, 820 First St., NE, Washington, DC 20002; (202) 275-0994; TDD (202) 275-0772.

BILLING CODE 4210-29-P

Federal Register

Tuesday
May 10, 1994

Part V

**Federal Emergency
Management Agency**

Hotel and Motel Fire Safety Act National
Master List; Notice

**FEDERAL EMERGENCY
MANAGEMENT AGENCY****Changes to the Hotel and Motel Fire
Safety Act National Master List**

AGENCY: United States Fire
Administration, FEMA.

ACTION: Notice.

SUMMARY: The Federal Emergency Management Agency (FEMA or Agency) gives notice of additions and corrections/changes to, and deletions from, the national master list of places of public accommodations which meet the fire prevention and control guidelines under the Hotel and Motel Fire Safety Act.

EFFECTIVE DATE: June 9, 1994.

ADDRESSES: Comments on the master list are invited and may be addressed to the Rules Docket Clerk, Federal Emergency Management Agency, 500 C Street SW., room 840, Washington, DC 20472, (fax) (202) 646-4536. To be added to the National Master List, or to make any other change to the list, see **SUPPLEMENTARY INFORMATION** below.

FOR FURTHER INFORMATION CONTACT: John Ottoson, Fire Management Programs Branch, United States Fire Administration, Federal Emergency Management Agency, National Emergency Training Center, 16825 South Seton Avenue, Emmitsburg, MD 21727, (301) 447-1272.

SUPPLEMENTARY INFORMATION: Acting under the Hotel and Motel Fire Safety Act of 1990, 15 U.S.C. 2201 note, the United States Fire Administration has worked with each State to compile a national master list of all of the places of public accommodation affecting commerce located in each State that meet the requirements of the guidelines under the Act. FEMA published the national master list in the **Federal Register** on Tuesday, November 29, 1993, 58 FR 62718, and published changes approximately monthly since then.

Parties wishing to be added to the National Master List, or to make any other change, should contact the State office or official responsible for compiling listings of properties which comply with the Hotel and Motel Fire Safety Act. A list of State contacts was published in 58 FR 17020 on March 31, 1993. If the published list is unavailable to you, the State Fire Marshal's office can direct you to the appropriate office. Periodically FEMA will update and redistribute the national master list to incorporate additions and corrections/changes to the list, and deletions from the list, that are received from the State offices.

Each update contains or may contain three categories: "Additions;" "Corrections/changes;" and "Deletions." For the purposes of the

updates, the three categories mean and include the following:

"Additions" are either names of properties submitted by a State but inadvertently omitted from the initial master list or names of properties submitted by a State after publication of the initial master list;

"Corrections/changes" are corrections to property names, addresses or telephone numbers previously published or changes to previously published information directed by the State, such as changes of address or telephone numbers, or spelling corrections; and

"Deletions" are entries previously submitted by a State and published in the national master list or an update to the national master list, but subsequently removed from the list at the direction of the State.

Copies of the national master list and its updates may be obtained by writing to the Government Printing Office, Superintendent of Documents, Washington, DC 20402-9325. When requesting copies please refer to stock number 069-001-00049-1.

The update to the national master list follows below.

Dated: May 4, 1994.

Michael B. Hirsch,
Acting General Counsel.
