**Normandy Manufacturing Company, Inc., Paducah, Kentucky; Revised Determination on Reconsideration**

On August 30, 1994, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the former workers of the subject firm. The notice was published in the *Federal Register* on September 9, 1994 (59 FR 46669).

Investigation findings show that all production ceased in March 1994 when all production workers were laid off.

U.S. imports of women's and girls' dresses, slacks and shorts, blouses and shirts increased absolutely in 1993 compared to 1992.

On reconsideration, the Department surveyed the subject firm's major declining customers for the relevant period. The survey findings show that

customers accounting for a substantial portion of the subject firm's sales in 1993 increased their import purchases of women's apparel while reducing their purchases from the subject firm.

**Conclusion**

After careful consideration of the new facts obtained on reconsideration, it is concluded that the former workers of Normandy Manufacturing Company, Inc., in Paducah, Kentucky were adversely affected by increased imports of articles like or directly competitive with women's apparel produced at Normandy Manufacturing Company, Inc., in Paducah, Kentucky.

All workers of Normandy Manufacturing Company, Inc., in Paducah, Kentucky who became totally or partially separated from employment on or after April 4, 1993 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C., this 13th day of September 1994.

On August 15, 1994, the company requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance for workers at the subject firm. The Department's
